YOUR TIME HAS ARRIVED.

You’ve reached a point where everything is coming together. How about an SUV that completes the picture: the most versatile and advanced Tahoe ever, reimagined in every way that matters. It’s more spacious, including 122.9 cu. ft. of maximum cargo volume¹ and has a third row that offers 10 inches more leg room. And when there are curves along the way, you’ll handle them with an available Four-Corner Air Ride Adaptive Suspension (late availability). Let’s not forget there will be three available powertrains, plus a host of standard and available advanced safety features and driver assistance technologies. When you put it all together, it’s easy to see: you won’t just master the road. You’ll master your world.

FIND NEW ROADS™

¹ With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution. ² Duramax 3.0L Turbo-Diesel L-6 engine is late availability. ³ Read the vehicle Owner’s Manual for important feature limitations and information.
LS
Tahoe LS has style and substance to spare. It begins with a sculpted exterior highlighted by chrome trim accents and 18-inch bright Silver-painted aluminum wheels. The legendary 5.3L EcoTec3 V8 engine supplies the power, whether you choose 2WD or 4WD.

Inside, a leather-wrapped steering wheel and 10-way power seat greet the driver, and all passengers enjoy plenty of room to stretch out, along with amenities like a 10.2-inch diagonal HD color touch-screen that delivers information and entertainment.

LT
Comfort and convenience are on full display in Tahoe LT. Leather seating surfaces are standard for the driver and front passenger, who also enjoy the customization of 10-way power seat adjustment and the warmth of heated cushions and seatbacks.

Welcome additions include a hands-free programmable power liftgate with Chevrolet emblem projection, wireless charging; a 9-speaker Bose stereo system, an auto-dimming inside rearview mirror and a Universal Home Remote.

1 The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/cover. To check for phone or other device compatibility, see my.chevrolet.com/learn or consult your carrier.
RST
You might think it’s impolite to stare. But be prepared to make an exception.

RST is built to be noticed, thanks to a unique Black sport grille, Black Ice chrome exterior trim and Black Chevrolet bowtie emblems. And let’s not forget high-gloss Black 22-inch bright machined-aluminum wheels.

The interior also creates quite an impression, with RST-specific Jet Black leather seating surfaces¹ highlighted with Victory Red stitching.

¹ Leather seating surfaces in front and second rows; third row is vinyl-covered.
Z71
Let nothing stand in your way.

Leave the concrete behind with standard 4WD and a high approach angle front fascia that help optimize off-road capability, plus an available Four-Corner Air Ride Adaptive Suspension (late availability). A front skid plate helps protect the underside on the trails, and a heavy-duty air filter helps keep the engine running smoothly. Tubular assist steps, 20-inch machined-aluminum wheels with all-terrain tires and Red recovery hooks1 are just a few of the features you’ll find only on Z71.

PREMIER
If it’s something you want, Premier delivers.

Upgrades are everywhere, from 20-inch polished-finish aluminum wheels to full-feature power-folding outside mirrors and a dual-outlet exhaust with dual tips (with gas engine). A smooth ride is a near certainty with Magnetic Ride Control™ suspension, and you’ll enjoy the confidence of numerous advanced safety features.

Inside, heated and ventilated front bucket seats with perforated leather seating surfaces2 await, along with power-release heated second-row bucket seats and a power-folding third row. There’s also a Bose Centerpoint Surround Sound 10-speaker system.

1 To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner’s Manual for more information. 2 Leather seating surfaces in front and second rows; third row is vinyl-covered.
HIGH COUNTRY
If you think you have it all, High Country begs to differ.

It starts with everything that makes Premier the envy of most SUVs and then keeps going. Take the standard 6.2L EcoTec3 V8 engine, the exclusive grille with Galvano finish and Godric accents, and the 22-inch Sterling Silver-painted wheels with chrome inserts as just a few examples.

Adding Rear Pedestrian Alert¹ and HD Surround Vision¹ takes Tahoe High Country to new heights, as do the standard 15-inch diagonal multi-color Head-Up Display and Rear Camera Mirror¹ with full camera display.

In High Country, you can truly say you’ve reached the top of the mountain.

¹ Read the vehicle Owner’s Manual for important feature limitations and information.
The striking exterior design is highlighted by a wheelbase that is nearly five inches longer for bolder proportions and a more athletic stance. For 2021, Tahoe offers six distinct trims — more than any competitor.

And while they all share a family resemblance, each has a personality all its own, thanks to unique combinations of grilles, mirror caps, badging, fascias, assist steps, wheels and more.

With available power-articulating assist steps, when you open any side door, the corresponding assist step extends out to provide easy access to the cabin. You can even program the feature to extend the steps with the doors closed.

Active upper grille shutters are standard and close at certain times during highway driving to enhance aerodynamic performance. At slower speeds, the shutters open to help cool the engine.
LED headlamps and taillamps include a unique LED light signature.

A dual-outlet exhaust with dual twin polished stainless steel tips is standard on Premier and High Country with gas engines.

Every Tahoe wheel makes a statement. High Country shown.
The GM-exclusive® available Duramax® 3.0L Turbo-Diesel I-6 (late availability) offers 277 horsepower and 460 lb.-ft. of torque. The 5.3L EcoTec3 V8 provides 355 horsepower and 383 lb.-ft. of torque. A 10-speed automatic transmission with Electronic Precision Shift is standard.

**Dynamic Fuel Management** is included on both the 5.3L and 6.2L EcoTec3 gas engines. A sophisticated control system continuously monitors every movement of the accelerator pedal and calculates exactly how much torque is needed to handle the current driving condition. Nearly instantaneously, the system activates or deactivates cylinders in an industry-first 17 different patterns to help maximize fuel economy and create the power needed.
Tahoe has an exceptionally advanced suspension, including an available Four-Corner Air Ride Adaptive Suspension (late availability). It utilizes four variable-rate air springs to optimize ride height and comfort. In addition, this suspension provides selectable and automated ride height options to improve ground clearance, ease passenger entry/exit and optimize aerodynamic performance. Available on Z71 and High Country.

The independent multilink rear suspension allows each rear wheel to handle road conditions separately to dramatically improve ride quality and steering responsiveness. The Driver Mode Selector allows you to choose different drive modes that alter the transmission shifts, throttle and traction systems to better handle varying road conditions. System functionality varies by model.
Choose Off-Road, available on 4WD models, via the Driver Mode Selector and the available Four-Corner Air Ride Adaptive Suspension (late availability) will automatically raise the vehicle to improve ground clearance. \(^1\)

Select ride height for the available Four-Corner Air Ride Adaptive Suspension (late availability) on the 8-inch diagonal enhanced Driver Information Center.

The independent rear suspension can be paired with available Magnetic Ride Control \(^2\) and Four-Corner Air Ride Adaptive Suspension (late availability).

\(^1\) Requires available 4WD. \(^2\) Standard on Premier and High Country; available on Z71.
Through the use of varied seating materials, colors, stitching, door inserts and more, each Tahoe is distinct, providing a different interior experience depending on the trim you select.

Everything is intelligently designed and logically placed, including the easy-to-navigate 10.2-inch diagonal HD color touch-screen and new premium Electronic Precision Shift Transmission located on the instrument panel.

Luxury begins with the leather-wrapped steering wheel. Perforated leather seating surfaces in the front and second row and heated front seats are added to LT and above.

Premier and High Country elevate your experience with ventilated front seats for comfort in any climate, as well as a heated steering wheel and heated second-row outboard seats.

Auto Temp, standard on Premier and High Country, automatically activates the heated or ventilated seats to the level required by the vehicle’s interior temperature setting. It will even begin warming your heated steering wheel.

Enjoy open spaces, even when you’re inside. With an available new panoramic power sunroof, lower beltlines and optimized mirror designs, Tahoe was created to let the light shine in.

THE LUXURY OF CONFIDENCE.

Tahoe offers several seating choices, with room for seven, eight or even up to nine passengers on LS. So there’s plenty of room, whether you’re traveling with a big family or an SUV full of friends.

Front-seat passengers will have intelligent storage solutions at their disposal, including a cubby next to the touch-screen display that’s perfect for sunglasses, a mobile device or other small items.
CARGO MANAGEMENT

OPEN TO ALL KINDS OF POSSIBILITIES.

Tahoe offers 41% more third-row leg room and an amazing 66% greater cargo volume behind the third row compared to the previous generation. Not to mention a cavernous 122.9 cu. ft. of maximum cargo space!

In addition to tons of second- and third-row leg room, rear passengers will find accessible storage spaces, convenient cup holders and multiple USB ports. Also included are two 120-volt household-type power outlets.

You can easily switch from passenger space to cargo space and back again with power-release second-row seats and power-folding third-row seats. Standard on Premier and High Country; available on LT, RST and Z71.

When you push and hold the button, the available Power Sliding Center Console (late availability) slides rearward up to 10 inches, offering an expansive storage area, as well as a hidden storage drawer that can be secured when Valet mode is selected.

---

1 With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution. 2 Not compatible with all devices.
Second-row seats slide back and forth up to 5.5 inches for extra leg room or rear cargo room. An available Power Sliding Center Console (late availability) offers benefits to both front and second-row passengers.
TECH AT THE SPEED OF LIFE.

• The Chevrolet Infotainment 3 system is intuitive and easy to use, with a 10.2-inch diagonal HD color touch-screen display.

• Wireless Apple CarPlay® and wireless Android Auto™ compatibility.

• Wireless charging and up to eight USB ports, including both Type-A and Type-C.

• Available 4G LTE Wi-Fi® provides a fast and reliable connection for up to seven devices.

• With available Alexa Built-In; you can use voice commands to stream your favorite music, get directions, make calls, change your radio station and more — on the go.

---

1 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. 2 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 3 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. 4 The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see my.chevrolet.com/learn or consult your carrier. 5 Not compatible with all devices. 6 Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations. Availability subject to change. 7 Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Visit onstar.com for additional details.

15-inch diagonal multi-color Head-Up Display. Standard on High Country and available on Premier.

An Advanced Trailering System with in-vehicle app¹ is available.

Available Rear-Seat Media System with dual 12.6-inch diagonal LCD HD color touch-screen displays.

¹ App functionality and features vary with vehicle equipment and trim level. Data connection may be required. Some features require active service plan and working electrical system. Terms and conditions apply.
TAKE A LOOK AROUND.

The 2021 Tahoe offers up to nine available camera views to help make it easier to pull into tight spaces, back into a garage or hitch a trailer — all while providing confidence when you drive.

Views enabled by these cameras are easily accessed by selecting the Camera App on the touch-screen display. Conveniently, certain views can be launched through the Advanced Trailering System.

Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

CAMERA TECHNOLOGIES

Surround View  Gives a top-down bird’s-eye view of the vehicle’s surroundings.

Rear Camera Mirror  An available dual-function camera-based rearview mirror provides a wider, less-obstructed field of view than a traditional rearview mirror.

Front Camera View  Displays a front view with available guidelines to assist with parking and tight maneuvers.
**Rear Camera View** Displays a rear view to assist with parking and tight maneuvers.

**Front Side View** Shows the position of the front tires when parking and during tight maneuvers.

**Front Top-Down View** A top-down view of the hood, bumper and front tires for tight maneuvers in parking lots or along curbs.

**Rear Side View** Provides a line of sight down each side of the vehicle.

**Rear Top-Down View** Shows the clearance between the rear of the vehicle and nearby objects.

**Hitch View** Provides a close-up view of the receiver hitch to help with alignment when connecting to a trailer.
Adaptive Cruise Control. While you steer, this feature can automatically maintain a driver-selected gap time from the detected vehicle you’re following. Available on Premier and High Country.

Front Pedestrian Braking. At speeds below 50 mph, this feature can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly in front of you. It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver’s hard braking. Limited nighttime and low-visibility performance. Standard on all models.

Automatic Emergency Braking. At speeds below 50 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you’re following by automatically providing hard emergency braking or enhancing the driver’s hard braking. Standard on all models.

Enhanced Automatic Emergency Braking. This feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you’re following by automatically providing hard emergency braking or enhancing the driver’s hard braking. Available on Premier and High Country.

Lane Keep Assist with Lane Departure Warning. Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane. If needed, you may receive additional Lane Departure Warning alerts. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane. Standard on Premier and High Country; available on all other models.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. Standard on Premier and High Country; available on all other models.

Rear Pedestrian Alert. Rear Pedestrian Alert can help alert you to detected pedestrians directly behind your vehicle so you can quickly take action. The system works when you’re in Reverse during the daytime. It has limited nighttime and low-visibility performance. Standard on High Country; available on LT, RST, Z71 and Premier.

Forward Collision Alert. Can warn you if it detects a potential front-end collision with a vehicle you’re following. It can also provide a tailgating alert if you’re following much too closely. Standard on all models.

Following Distance Indicator. This feature can display the gap time in seconds between your vehicle and a detected vehicle. Standard on all models.

HD Rear Vision Camera. This standard feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds.

Rear Cross Traffic Alert. This feature can warn you of detected left or right cross traffic behind your Tahoe when in Reverse. Standard on Premier and High Country; available on all other models.

Rear Camera Mirror. Rear Camera Mirror uses a camera to provide you with a wide and less obstructed view behind the vehicle while you’re driving. You can switch between the camera view and a traditional rearview mirror. Standard on High Country; available on Premier.

Front and Rear Park Assist. Front and Rear Park Assist can provide distance alerts to nearby detected objects in front of or behind your vehicle to help you park and avoid collisions at low speeds. Standard on Premier and High Country; available on all other models.

IntelliBeam®. Can automatically turn the vehicle’s high beam headlamps on and off according to surrounding traffic conditions. Standard on all models.
Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.
EVERY ROAD, A NEW ADVENTURE.

Tahoe RST in Shadow Gray Metallic with available features.
Are you a legend? Every Tahoe is built with remarkable capability. And every Tahoe has a great story behind it. We want to hear yours. Chevy Truck Legends honors our dependable, long-lasting trucks and the people who keep them going strong. If you own an eligible Chevy truck and have purchased or leased more than one new Chevy truck in your lifetime or have driven one over 100,000 miles, you’re a legend. At chevytrucklegends.com, discover the benefits that come with membership. Explore the galleries and read about the relationship owners have with their Chevy trucks.

† Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Tahoe. See your dealer for details.

### STANDARD EQUIPMENT

**MECHANICAL**
- Air filter – with air filtration monitoring
- Brakes – 4-wheel antilock, 4-wheel disc with Duralife® rotors; electronic parking brake
- Cooling – external engine and transmission oil coolers
- Differential – mechanical limited-slip
- Driver Mode Selector – with Tow/Haul mode
- StabiliTrak® – Electronic Stability Control System and Traction Control; includes Electronic Trailer Sway Control and Hill Start Assist
- Steering – rack-and-pinion with electric assist
- Trailering equipment – trailer hitch platform, 7-wire harness with independent fused trailering circuits mated to a 7-way sealed connector, 2-inch trailering receiver and Hitch Guidance
- Transmission – 10-speed automatic, electronically controlled with overdrive and Electronic Precision Shift

**EXTERIOR**
- Active aero shutters – upper
- Daytime running lamps – LED
- Fuel filler – capless fueling
- Glass – solar-absorbing with acoustic-laminated windshield and deep-tinted rear windows
- Headlamps – LED, automatic on/off with automatic delay
- IntelliBeam – automatic high beam on/off
- Taillamps – LED
- Tire – 17” full-size spare, lockable, mounted under frame at rear
- Wipers – front variable-speed, intermittent with Rainsense®; rear intermittent with washer

**INTERIOR**
- Airbags² – frontal airbags for driver and front outboard passenger; seat-mounted side-impact airbags for driver and front outboard passenger; driver inboard seat-mounted side-impact airbag (requires front bucket seats on LS); head-curtain airbags for all rows in outboard seating positions; includes front outboard Passenger Sensing System for front outboard passenger airbag
- Air conditioning – tri-zone automatic climate control, with individual climate settings for driver, right-front passenger and rear passengers
- Automatic Emergency Braking¹
- Cargo area – Cargo Management System
- Console – with storage area and removable storage tray
- Cruise control – electronic with Set and Resume Speed
- Defogger – electric rear-window
- Door locks – power programmable with lockout protection and manual rear door child security
- Floor mats – front and second-row carpeted
- Following Distance Indicator¹
- Forward Collision Alert¹
- Front Pedestrian Braking¹
- Keyless Open and Start – includes extended-range Remote Keyless Entry
- Lighting – interior lighting with door handle or Remote Keyless Entry-activated illuminated entry, cargo area, and front and second-row reading lamps
- Media – two USB ports² on center stack, two USB ports³ and SD card reader in center console, two USB ports² in second row on rear of center console, and two USB ports¹ in third row
- Power outlets – three, one 12-volt in center stack, one 120-volt on rear of center console and one 120-volt in cargo area
- Rear Park Assist¹
- Rear Seat Reminder¹
- HD Rear Vision Camera¹
- Remote vehicle starter system
- SiriusXM® with 360L¹ – All Access Package with 3-month trial subscription
- Steering wheel – leather-wrapped with mounted audio, cruise, phone and Driver Information Center controls
- Teen Driver technology
- Theft-deterrent system – unauthorized entry
- Tire Pressure Monitoring System – with Tire Fill Alert (does not monitor spare tire)
- Visors – driver and front passenger, covered illuminated vanity mirrors, sliding
- Windows – power with driver and front passenger express-up/-down, all others express-down
- Wireless Apple CarPlay¹¹ and wireless Android Auto™ compatibility

¹ Read the vehicle Owner’s Manual for important feature limitations and information.
² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.
³ Not compatible with all devices.
⁴ Does not detect people or items. Always check rear seat before exiting.
⁵ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at siriusxm.com for complete terms and how to cancel. All fees, content, features and availability are subject to change. Certain features require a SiriusXM subscription and the Chevrolet Connected Access plan. See siriusxm.com and onstar.com for details and limitations.
⁶ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.
⁷ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply.

---

1. Standard on every Tahoe:
In addition to standard equipment, Tahoe LS includes these features:

**MECHANICAL**
- Engine – 5.3L EcoTec3 V8 with Dynamic Fuel Management, Variable Valve Timing (VVT), Direct Injection and stop/start technology

1 Read the vehicle Owner’s Manual for important feature limitations and information. 2 When you select a monthly plan within 30 days of activating your 1-month trial, you’ll receive the first 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. 3 Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. Availability subject to change. 4 Not compatible with all devices.

---

1. A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.
2. Not compatible with all devices.
3. Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
4. Go to my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version.
5. Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.
6. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply.
7. Functionality is subject to limitations and varies by vehicle, Infotainment System and location. Select service plan required. Certain Alexa Skills require account linking to use. Visit onstar.com for additional details.
8. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations.
11. Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations.
12. Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations.
13. Read the vehicle Owner’s Manual for important feature limitations and information.

**NEW VEHICLE LIMITED WARRANTY**

Chevrolet will warrant each 2021 Tahoe with:

- 3-year/36,000-mile¹⁰ Bumper-to-Bumper Limited Warranty.
- 6 years/100,000 miles¹⁰ of Rust-Through Protection.
- 5-year/60,000-mile⁹ Powertrain Limited Warranty.
- 5-year/100,000-mile⁹ Diesel Limited Warranty (when equipped with a Duramax 3.0L Turbo-Diesel I-6 engine).
- 5 years/60,000 miles¹⁰ of Roadside Assistance¹¹ and Courtesy Transportation.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Late availability. ³ Cargo and load capacity limited by weight and distribution. ⁴ Must be 10 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third party retailers in the United States (excluding Puerto Rico, the U.S. Virgin Islands or Guam). Points are not earned on taxes or certain fees, and expire 5 years from when points are earned. Some restrictions apply. For more information, please view full program Terms & Conditions. ⁵ Members may use the voucher on eligible Chevrolet, Buick, GMC and Cadillac Accessories purchased through a participating dealership. Voucher must be used by expiration date noted. Any unused amount of the voucher will be forfeited. ⁶ Excludes taxes, fees and body shop repair orders. It could take up to 15 days for points to post to your account. ⁷ Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. Visit onstar.com for details and limitations. ⁸ Not compatible with some other offers, including the GM Employee Discount programs. Excludes 2020 Chevrolet Corvette. Dealer contribution may affect final consumer cost. ⁹ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPV1. Does not include air filters. See participating dealer for other restrictions and complete details. ¹⁰ Whichever comes first. See dealer for details. ¹¹ Roadside service provided by Allstate Roadside Services. Limitations apply.
IMPORTANT INFORMATION

Chevrolet Owner Center (my.chevrolet.com). Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You’ll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Chevrolet.com/safety. Chevrolet is committed to helping keep you and your family safe — from the start of your journey to your destination. That’s why Chevrolet vehicles offer standard and available safety and security features to help give you peace of mind.

GMmobility.com (1-800-323-9935). GM Mobility™ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

The BuyPower Card. The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There’s no limit on the amount you can earn or redeem, and your Earnings don’t expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.
