Spontaneous experiences enrich our lives. Next time adventure beckons, you'll be ready to respond with confidence in the 2021 Ford Escape. Your choice of 4 powertrains includes 2 turbocharged EcoBoost® engines, plus a Hybrid and a Plug-in Hybrid. You can enjoy up to 5 Selectable Drive Modes with available Intelligent AWD. There's a spacious, adaptable interior with sliding rear seats that offer best-in-class2 maximum rear-seat leg room on gas models. And plenty of advanced connectivity.

Available Ford Co-Pilot360™ Assist+ includes Intelligent Adaptive Cruise Control with Speed Sign Recognition this year. Plus, several new available packages can help you personalize your vehicle, including the SE Sport Appearance (shown), the sleek SEL Stealth AWD, and the luxurious Titanium Elite. It's time to elevate your travels – and start making more extraordinary memories – in the 2021 Escape.
POSSIBILITIES.

4 WAYS TO POWER YOURS.

**SEL PLUG-IN HYBRID:** Rapid Red Metallic Tinted Clearcoat.* Available equipment.

1. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.
2. Max. towing of 3,500 lbs. with 2.0L EcoBoost and available Class II Trailer Tow Package (not shown); 2,000 lbs. with 1.5L EcoBoost and proper equipment (not shown); 1,500 lbs. with Hybrid (shown) and proper equipment (not shown). Factory-installed towing equipment is not offered for all applications. See dealer for details.
3. Always obey posted speed limits.
4. Calculated via combined performance of the engine and electric motor with peak battery power. The calculations utilize SAE J1349® engine results and Ford electric motor dyno testing. Your results may vary.
5. Available using option. 6. Additional charge.

Horsepower, torque and towing are independent attributes and may not be achieved simultaneously.

- **1.5L ECOBOOST®**
   - **GO FURTHER**
   - To help conserve fuel, the 1.5L engine can sense when a cylinder isn’t needed and shut it down, deactivating or activating it in milliseconds to maintain a seamless ride. This engine also features Auto Start-Stop Technology that can help reduce fuel consumption and vehicle tailpipe emissions when the vehicle is fully stopped.
   - Standard on S, SE and SEL (FWD or available AWD)

- **2.0L ECOBOOST**
   - **GO QUICKLY**
   - This turbocharged gem works with the quick-shifting 8-speed automatic transmission to offer spirited acceleration and robust passing power. In addition to enjoying its fun-to-drive nature, you can also pair it with the available Class II Trailer Tow Package to tow up to 3,500 lbs.*
   - Available on SEL and Titanium (AWD only)

- **HYBRID**
   - **GO WITH A BLEND**
   - Ford Escape® Hybrid models combine a 2.5L Atkinson-cycle I-4 engine with an electric traction motor and an electric Continuously Variable Transmission (eCVT). They can travel at a top speed of 85 mph* while in electric-only mode. Plus, they feature electric launch for an engaging driving experience.
   - Available on SE and SEL (FWD or available AWD)
   - Standard on Titanium (FWD or available AWD)

- **PLUG-IN HYBRID**
   - **EXPAND YOUR OPTIONS**
   - You can drive Plug-in Hybrid® models in EV (Electric Vehicle) mode when the battery is charged. A driver’s side charge port and 120-volt charging cord help make charging easy. This powertrain includes the 2.5L Atkinson-cycle I-4 engine as well, so you can drive on gas power even if you run out of charge.
   - Available on SE, SEL and Titanium (FWD only)
Available spring 2021.

Ford Escape® lets you create the drive experience you desire, or the one that conditions demand, with easy-to-use Selectable Drive Modes. Choose your mode and the system adjusts traction control, steering and pedal response, and available Intelligent AWD to help provide a remarkable driving experience. 3D animations (shown at left) on the available 12.3” digital instrument cluster change based on the drive mode you select.

**NORMAL**
You’ll probably spend the most time here, ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

**SLIPPERY**
For better handling on surfaces covered with ice, water, grass or gravel, this mode adjusts the pedal response and traction control.

**ECO**
Exactly as it sounds. Eco helps maximize efficiency and increase driving range.

**SPORT**
Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help accelerate faster when shifting. For more “sporty” on-road driving.

**DEEP SNOW/SAND**
Adjusts the transmission shift schedule, pedal response, traction control and driveline configuration for better handling in deep snow or sand. Included with available Intelligent AWD only.

Plug-in Hybrid models feature 4 EV modes, allowing you to decide how you want to use the electric power. In Auto EV, the vehicle decides whether to run on gas or electric power. EV Now mode is for all-electric operation. EV Later preserves plug-in energy for later use. In EV Charge mode, drivers can continue to charge the battery while driving, and generate electric-only miles to use later, such as during city driving.

VERSATILITY.
ADAPT IT TO YOUR AGENDA.

Whatever adventures your day holds, Ford Escape® is designed to help you enjoy them. Want to seat up to 5 adults? Do it comfortably with a total passenger volume of up to 104 cu. ft.¹ Need to carry a full-size pet crate? Slide the rear seats fully forward to create up to 37.5 cu. ft.² of cargo space behind them. You can also fold both sections of the 60/40 split rear seats down for up to 65.4 cu. ft.² of max. cargo space. To help keep items out of sight, the available easy-access cargo shade rises and lowers along with the available hands-free, foot-activated liftgate. Be sure to top it all off with the available power, panoramic Vista Roof® so you and all of your passengers can benefit from the natural lighting and fresh air.

CONNECTIONS.

NURTURE YOURS WITH TECH.

Staying in touch on the go is easy in Ford Escape.® Available voice-activated SYNC® 3 puts just what you need on the tip of your tongue—or right at your fingertips—thanks to a vibrant 8” touchscreen, while your smartphone lets you use Siri® or Google™ and Alexa™ to stay connected while keeping your eyes on the road—and your hands on the wheel. You can also use voice commands to control favorite apps on your paired smartphone or other mobile devices via SYNC AppLink.® Access to complimentary remote features like start/stop, lock/unlock, schedule a start, locate your vehicle, and vehicle status check, is offered to you through the FordPass™ App and FordPass Connect.³

Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. 1. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2. Commands may vary by phone and AppLink software. 3. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first. FordPass Connect, the FordPass App, and complimentary Connected Service are offered to you through the FordPass™ App and FordPass Connect. ³

Recharge on the go—without any cords—thanks to the available wireless charging pad.⁴

Change up your display style by enjoying available compatibility with Apple CarPlay® for your iPhone®. Available SYNC 3 is also compatible with Android Auto™ for your Android™ smartphone.⁵

Connect up to 10 devices at once—inside the vehicle or up to 50’ away—with 4G LTE Wi-Fi hotspot capability and FordPass Connect.³

INSPIRATION.

REDISCOVER JOY EVERY DAY.

Since its conception, Ford Escape® has epitomized the fun-loving freedom of spontaneous road trips. This current generation makes extensive use of lightweight, high-strength steel and high-strength boron steel. Its isolated rear subframe contributes to a comfortable ride. Hybrid and Plug-in-Hybrid models feature an eCVT transmission with electric launch for an engaging driving experience. Gas–only models utilize an 8-speed automatic transmission for smooth, responsive performance. Torque Vectoring Control helps the vehicle track on your intended path, especially on wet or slippery surfaces. And electric power-assisted steering provides light, responsive steering while parking, and confident control at higher speeds. These and a myriad of other details are purposefully combined to help Escape empower your urban adventures and back-road getaways alike. Lifting your spirits at every turn.

1 Available spring 2021. 2 Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
SE SPORT APPEARANCE PACKAGE

Go Your Own Way
SE models offer lots of ways to go: Plug-in Hybrid1 Hybrid (AWD available), or 1.5L EcoBoost (AWD available). Whichever choice you make, you’ll also enjoy voice-activated SYNC®3 with an 8” LCD capacitive touchscreen. Add the available new Cold Weather Package (below left) for a heated steering wheel, heated front seats and more. The available new Convenience Package gives you a 10-way power driver’s seat, the SecuriCode® invisible keypad (below right), halogen projector-beam headlamps with LED signature lighting, a power liftgate and more. It’s so easy to make it yours.

Memory Making Starts Here
Turn the rotary gear shift dial to Reverse. Before you’re out of your spot, the Rear View Camera1 and sensors from Cross-Traffic Alert1 can detect a vehicle driving by, and alert you to help avoid it. Then a light rain starts. Whether you have a 1.5L EcoBoost® with front-wheel drive (FWD) or available Intelligent AWD, just switch to “Slippery” drive mode for increased control. Calling coffee orders ahead? Use SYNC® voice-activated technology1 to do it without touching your phone. You’re road-trip ready in the Ford Escape® S.

Express Yourself
The available SE Sport Appearance Package gives your SE standout looks, starting with its 19” machined-face Ebony-painted aluminum wheels. The front and rear bumpers, and upper window moldings are all black. High-gloss black caps set off the sideview mirrors. And a gloss black 5-bar grille with a chrome surround leads the way to fun.

SE, Rapid Red Metallic Tinted Clearcoat® Available equipment.

1. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. It does not replace safe driving. See owner’s manual for details and limitations.
2. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.
VENTURE OUT IN STYLE
Make your Escape even more sleek with this available new package only on SEL with the available 2.0L EcoBoost and AWD. The unique interior (shown left) features Ebony ActiveX™ Seating Material set off by Miko® sueded cloth inserts, plus lipped front and rear floor mats. A gloss black 5-bar grille with chrome surround, 19” machined-face Ebony-painted aluminum wheels, and lots of black accents – including the Ford Oval badges – give the exterior its dramatic stance.

SEL STEALTH AWD PACKAGE

ELEVATE YOUR EXPERIENCES
Ford Escape SEL offers a range of available powertrains: Plug-in Hybrid (AWD available), 250-hp 2.0L EcoBoost® paired with intelligent AWD, or 1.5L EcoBoost (AWD available). Plug-in hybrid models are easy to recharge using the standard 120V portable charging cord, an available 240V TurboCord™ or at public charging stations (bottom right). Durable ActiveX™ Seating Material trims all SEL models. Plus, an available new Technology Package bundles the wireless charging pad; 12.3” digital instrument cluster; hands-free, foot-activated liftgate (top right), and more. Indulge your sophisticated nature in SEL.

2. Horsepower rating based on premium fuel per SAE J1349 standard. Your results may vary.
3. Qi wireless charging may not be compatible with all mobile phones.
4. Additional charge.
TITANIUM

REFINE YOUR TRAVELS
With its sophisticated styling and upscale amenities, Ford Escape® Titanium offers you a calming oasis. Available powertrain choices include: Plug-in Hybrid, Hybrid (Intelligent AWD available), or 2.0L EcoBoost® (AWD required). A 12.3" digital instrument cluster with configurable display, and dual-zone climate control help keep you comfortably in command. Adding to its allure: the hands-free, foot-activated liftgate and Active Park Assist 2.0. Ford Co-Pilot360™ Assist — including the Voice-Activated Touchscreen Navigation System — is also standard. Titanium is well-equipped to help you get away from it all.

New Vehicle Limited Warranty. We want your Ford Escape® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with a 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile Powertrain Warranty coverage, and 5-year/unlimited-mile corrosion perforation (plastic panel does not require perforation) coverage - all with no deductible. Escape unique electric components are covered during the Hybrid Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for complete details on all of these advantages.

Ford Insure. Insurance that lets you earn discounts for safe driving, offering a maximum discount of 40% off your auto insurance. Ford Insure works with your 2021 Escape to gauge driving habits and calculate a discount based on how you drive. Visit www.fordinsure.com to learn more.

American Root Services Company LLC is the licensed insurance agency offering Ford Insure and is underwritten by Nationwide Mutual Insurance Company and affiliates. Home Office: Columbus, OH. Ford Motor and Ford Credit are not insurance companies or agents. Subject to underwriting guidelines, review and approval. Details and availability vary; program criteria differ in California. Discounts may not apply to all coverage elements; actual savings vary by state, plan and product. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of information.

Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

¹ FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. ² Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com. ³ Roadside assistance is included for certain owners and available to everyone for a per-service fee.
