We are all adventure seekers in our own right, so it’s only fitting that we’d seek out a vehicle that’s not only built for our adventurous spirit, but named for it too. EXPLORER. Whether you’re an extreme-adventure enthusiast, or the “get out there and see the world with the family” type, the 2021 Ford Explorer® – America’s all-time best-selling SUV,¹ and a 2020 IIHS Top Safety Pick Plus winner for vehicles built after May 2020 – is ready for almost anything. Convenient features like multiple USB ports, an LCD touchscreen, and an available wireless charging pad help keep you in touch along the way. And, with 4 powerful engine choices and 87.8 cu. ft. of cargo space behind the front seat with the 2nd- and 3rd-row seats folded down, Ford Explorer helps get you where you want to go – with almost anything you want to take with you.²

In Explorer, your adventures are ready and waiting.

1. Based on IHS Markit. 1946–Current U.S. Total New Cumulative Registrations, for all vehicles identified as SUVs. 2. Qi wireless charging may not be compatible with all mobile phones. 3. Cargo and load capacity limited by weight and weight distribution.
Getting away doesn’t have to mean being disconnected, thanks to some convenient features right at your fingertips. Like the available 10.1” LCD Capacitive Portrait Touchscreen that responds quickly to your voice or touch prompts, making it easy to view navigation map details. Maps (with pinch-to-zoom capability) can fill the entire screen, or the space can be split with audio or incoming call information.

A simple turn of the finely calibrated rotary gear shift dial for the 10-speed automatic transmission lets you easily switch from Park to Reverse to Drive, while the available 12.3” digital instrument cluster lets you configure the look and function of the gauges you use most frequently. And in here, we take the phrase “staying connected” literally. The 8 available powerpoints help, as does the ability to connect up to 10 devices at a time through standard FordPass™ Connect with 4G LTE Wi-Fi hotspot capability.

ST. Ebony leather-trimmed seating.

1. Don’t drive distracted or while using handheld devices. Use voice controls. 2. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford.
Settle in to one of the 1st- or 2nd-row seats and you’ll quickly see that Ford Explorer® is as big on space as it is on comfort. With room for up to 7 passengers, you’ll appreciate the expansive space on long trips – or on quick spins around the block. A simple button press on the available multicontour front seats with Active Motion® starts a gentle massage with 5 different themes – each with 3 levels of intensity. And with up to 8 available powerports, including 2 USB-A and 2 USB-C outlets, located throughout the interior, everyone can take comfort in knowing that their devices can stay charged and ready for wherever Explorer takes you.

FITS YOUR LIFESTYLE – AND YOUR STUFF
No matter how many things you need to fit into your day, Ford Explorer® can handle it. Driving to hockey practice? Get maximum cargo room – 87.8 cu. ft. – by folding the 2nd- and 3rd-row seats flat. Weekend landscaping project? Explorer can easily accommodate your gardening supplies with the 3rd-row seats folded. With the available PowerFold® feature, folding them down is as simple as pressing a button.

Life is full. Explorer gives you room to enjoy everything in it.

LIMITED. Rapid Red Metallic Tinted Clearcoat. Available equipment and aftermarket accessories.
With the key fob in your pocket, a simple kick of your foot beneath the bumper opens or closes the available hands-free, foot-activated liftgate.

Not all roads are created equal, but Ford Explorer® levels the playing field with Selectable Drive Modes. Rear-wheel-drive Explorer models offer 6 modes, while available Intelligent 4WD with the Terrain Management System™ offers 7 modes that are easily switched between with a simple turn of a dial.

DEEP SNOW/SAND
Adjusts the transmission shift schedule, pedal response, traction control, and driveline configuration for better handling in deep snow or sand. Included with available Intelligent 4WD only.

ECO
Exactly as it sounds. Eco helps maximize efficiency and increase driving range.

NORMAL
You’ll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

SPORT
Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help accelerate faster when shifting. For more "sporty" on-road driving.

TOW/HAUL
Moves upshifts to higher engine speeds to reduce the transmission shift frequency when towing. It also provides engine braking in all forward gears to slow the vehicle and assist in control when descending a grade.

TRAIL
Adjusts the transmission shift schedule, pedal progression, traction control, and driveline configuration for better handling on muddy, rutted, soft, or uneven terrain.

SLIPPERY
For better handling on surfaces covered with ice, water, grass or gravel, this mode adjusts the pedal response and traction control.

SLIPPERY
For better handling on surfaces covered with ice, water, grass or gravel, this mode adjusts the pedal response and traction control.

PLATINUM Iconic Silver.
Always consult the owner’s manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear.
4 SUPER POWERS TO CHOOSE FROM.

[ENHANCED 3.0L ECOBOOST V6]

SPORTY AND SOPHISTICATED

It's the perfect way to describe the XLT — especially when outfitted with the available XLT Sport Appearance Package. At first glance, you can't help noticing the EXPLORER lettering on the hood, the Carbonized Gray grille, the unique 20" wheels, and the chrome dual exhaust tips. Take a closer look inside, and appreciate the unique instrument panel appliqués and the Light Slate interior with contrast stitching on the seats and door-panel inserts. And, with standard features like a 10-way power driver's seat, heated front seats, and 2nd-row captain's chairs with E-Z Entry, it's no wonder XLT is our most popular Ford Explorer.

BIG TORQUE – BIG FUN
With available off-road capability, there’s almost no limit to where you can go in Limited Hybrid. And, thanks to 322 lb.-ft. of max. torque1 and a maximum towing capacity of 5,000 lbs., there’s plenty of power to bring your toys along for the ride, too.

LOTS OF SPACE FOR LOTS OF ADVENTURES
The space inside Limited Hybrid is anything but limited. With the same roominess and cargo space as any other Ford Explorer® and the flexibility to change the seating and storage configurations, packing your gear is almost as easy as packing in miles of adventure.3
ST

HORSEPOWER
When it comes to bragging rights, ST has them. With a twin-turbo 3.0L EcoBoost® V6 engine that boasts 400 hp and 415 lb.-ft. of torque, this SUV is the most powerful Ford Explorer® ever.

EXTERIOR STYLING
Stand out from the crowd with unique ST styling that includes standard chrome quad exhaust tips, signature ST projection lamps that cast a unique glow on the ground when a front door is opened, and available, exclusive 21" aluminum wheels.

EXCLUSIVE DESIGN
With its signature black mesh grille with ST logo, 1st-row leather seating surfaces with micro-perforated inserts and City Silver accent stitching, and a sport-style steering wheel with a flat-bottom design, paddle shifters and ST logo; this SUV is distinctively ST.

1. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com.

2. Roadside assistance is included for certain owners and available to everyone for a per-service fee.
