

2016 **FOCUS+ST+RS**

Go Further

Embrace a totally connected driving experience.

With the 2016 Focus. Connect with its European-inspired suspension tuned for agility and precision. Connect with its impressive array of smart technologies, including the new SYNC® 3 – our next generation of voice-activated technology! And connect with a trio of vehicles that provide a choice of personal driving styles. Ford Focus. Go further.

SE Hatchback. Sport Appearance Package. Race Red. ST. Tangerine Scream Metallic Tri-coat. RS. Nitrous Blue Metallic Quad-coat. Available equipment.

*Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.

2016 **FOCUS+ST+RS**

Expect more.

Fun. Freedom. Responsiveness. In the 2016 Ford Focus, you'll experience all this. And more. Like smart technologies that enhance comfort, convenience and performance behind the wheel.

With a sophisticated appearance. Focus hatchback and sedan share a stylish front end with sculpted hood and confident grille, and equally impressive unique rear taillamps. To add a personal touch, opt for the Luxury Package or the Sport Package – both available on SE.

A clean, modern look defines the smart, easy-to-use interior. You'll notice the metallic-finish detailing,¹ the handsome seat trims and switches, the convenient center stack, and the center console with adjustable cupholders.

Driver-assist features² on Focus begin with a standard rear view camera on all models. On Titanium, Focus can alert you to traffic in your blind spots,² help you maintain your lane,^{2,3} and even assist in parallel parking.² Start expecting more from every drive in the 2016 Focus.

Titanium Hatchback. Kona Blue. Available equipment.

¹Available feature. ²Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ³Lane-Keeping System does not control steering.

2016 **FOCUS+ST+RS**
ford.com

Experience ingenuity.

1.0 liter of displacement. 3 cylinders. 215 pounds. From these specs, the 1.0L EcoBoost® engine¹ offers cutting-edge engineering.

The 1.0L EcoBoost, with 123 hp and 125 lb.-ft. of torque, is teamed with a 6-speed manual transmission for maximum driving fun. Or you can choose an available 6-speed SelectShift® automatic. This award-winning performer has been named the best engine under 1.0L, according to *Engine Technology International*.² It combines direct injection, turbocharging and twin independent variable camshaft timing (Ti-VCT) to generate a broad, flat torque curve. And provide you with an impressive combination of driveability and fuel efficiency (an EPA-estimated 42 hwy mpg with the manual transmission).³

Delivering 160 horsepower, the 2.0L I-4 engine utilizes direct injection and Ti-VCT for efficient performance. On Titanium, a standard PowerShift 6-speed automatic with SelectShift capability allows gear changes via thumb switch activation, delivering torque to the drive wheels 100% of the time during shifts for quick response.

Focus finds the sweet spot on straightaways and in corners. Credit its responsiveness, especially in the turns, to an independent rear suspension and Torque Vectoring Control, which help make Focus as ready as you are to make things happen.⁴

Above left: SE Sedan. Race Red. SE Luxury Package.
Below left: SE Hatchback. Magnetic. SE EcoBoost Appearance Package.

¹Available feature. ²2012-2015 International Engine of the Year Awards, presented by *Engine Technology International* magazine. ³EPA-estimated rating: 30 city/42 hwy/35 combined mpg, SE, Auto Start-Stop with 1.0L EcoBoost. Actual mileage will vary. ⁴Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Maximize your connections.

Voice-activated SYNC^{®1} technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.[®]

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth[®] audio” to stream content from your phone.
- **SYNC AppLink^{™2}** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist^{®3}** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911 in the event of an accident.

Upgrade to SYNC 3.¹ Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read color touch screen that displays phone, audio and navigation⁴ functions on the home screen.
- **High-speed performance** means you'll experience quick reactions to your commands. Plus, the capacitive touch screen includes a convenient swipe feature similar to your smartphone (as well as pinch-to-zoom capability within navigation⁴).
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation⁴ helps you locate your favorite restaurants, nearest ATM and more.
- **Siri[®] seamless integration** brings the power of Siri Eyes Free⁵ and your iPhone^{®5} into your vehicle.
- **Automatic updates over Wi-Fi^{®6}** let you keep SYNC 3 up-to-date with the latest software as new updates become available.

SYNC

Titanium. Charcoal Black leather trim. SYNC 3. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. ²Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ³The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. ⁴Available feature. ⁵You must have a Bluetooth-enabled phone paired to your SYNC system. ⁶Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

Turn up the heat.

With a new, leather-trimmed heated steering wheel,¹ perfect for those chilly early mornings. Plus leather-trimmed, heated front seats.¹ And a refined interior that's sure to generate heat of its own.

12V powerpoints charge devices front and rear!¹ Standard Titanium luxuries include an 8-way power driver's seat, leather-wrapped steering wheel and shifter, plus dual-zone electronic automatic temperature control.

SiriusXM® Satellite Radio¹ welcomes you to the World of SiriusXM.² Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You'll hear every channel available, plus you can listen online and on the SiriusXM app.²

Navigation¹ with SiriusXM Traffic and Travel Link[®] includes a 5-year complimentary SiriusXM Traffic and Travel Link² trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you'll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

((SiriusXM))

Titanium. Charcoal Black leather trim. Available equipment.

¹Available feature. ²SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.

2016 **FOCUS+ST+RS**

Take the streets by storm.

Step on the aluminum accelerator pedal of the 2016 Focus ST and engage the exhilarating intensity of its 252-hp,¹ high-output 2.0L EcoBoost[®] engine mated to a 6-speed manual transmission. To further heighten your ST experience, Ford Performance engineers channeled the lower-engine frequencies of its signature EcoBoost sound into the equally exhilarating cabin.

Enhance already wicked performance with an “overboost” feature that extends peak torque for up to 15 seconds at a time (from 3,000 to 4,500 rpm).

Other ST performance essentials include disc brakes with high-performance brake pads at all 4 wheels, all-season tires,² 18" machined aluminum wheels with red-painted brake calipers,² a unique sport suspension, and dramatic bright-tipped center-exit exhaust.

EPA-ESTIMATED RATING  **31 HWY MPG³**

0-60  **6.4 SEC.⁴**

ST. Tangerine Scream Metallic Tri-coat. Available equipment.

¹Tested with 93-octane fuel. ²Available feature. ³EPA-estimated rating: 22 city/31 hwy/25 combined mpg, 2.0L EcoBoost. Actual mileage will vary. ⁴Based on Ford testing with standard summer tires.

2016 **FOCUS+ST+RS**
ford.com

Start your engine.

Enter and start Focus ST without using your key thanks to Intelligent Access with push-button start. Grip the leather-wrapped, race-inspired, flat-bottom steering wheel with ST badge.

Watch the speedometer and tach soar as you press the accelerator. With 252 hp¹ and 270 lb.-ft. of torque,¹ Focus ST can be pushed to the limits – and back – in no time at all.

Monitor the 3 mini cluster gauges atop the instrument panel, including turbo boost and oil pressure, as you accelerate out of the corners.

RECARO® partial² or full leather-trimmed² front seats, with supportive side bolsters, keep you firmly planted along the way. In a 2016 Focus ST, there's no reason to hold anything back.

ST. Charcoal Black leather trim with Tangerine Scream cloth accents. ST2 Package with RECARO seats. Available equipment.

¹Tested with 93-octane fuel. ²Available feature.

Max out your adrenaline.

The enthusiast-inspired, all-new 2016 Focus RS is a serious road machine with advanced technology and breakthrough engineering that deliver driving exhilaration. It represents Ford at its passionate best – delivering race-tuned driving dynamics and stunning performance on the road and the track.

Pioneering the innovative Ford Performance All-Wheel Drive with Dynamic Torque Vectoring, Focus RS delivers impressive cornering speed and unbridled driving enjoyment. And Focus RS is equipped with selectable drive modes, including a drift mode that allows controlled oversteer drifts – and launch control.

With best-in-class¹ 350 hp² and 350 lb.-ft. of torque,² the low-inertia, twin-scroll, single-turbocharged high-output 2.3L EcoBoost[®] engine in Focus RS has been modified to make it truly unique and memorable – propelling Focus RS from 0–60 mph in under 5 seconds.

Sporting a dramatic exterior design, Focus RS has a powerful new front-end appearance with a bold upper trapezoidal grille above the deep front splitter, incorporating the largest possible apertures for engine cooling. Its wide, muscular stance is emphasized by the lower wings and large outboard openings. Be inspired.

Let Focus assist you.

Smart driver-assist technologies¹ on the 2016 Focus use ultrasonic sensors and sophisticated radar to help you monitor blind spots, parallel park and so much more.

Maintain your lane with help from our Lane-Keeping System.^{1,2} It can detect lane markings with a forward-facing camera, and send vibration pulses to the steering wheel and apply steering torque if needed, assisting you to steer back into your lane.

Make parallel parking easier with active park assist.¹ This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

Stay alert to traffic detected in blind spots thanks to BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ It helps warn you using lights embedded in the sideview mirrors³ and a notice in the message center.

To improve your visibility while slowly backing up, a rear view camera is standard on all 2016 Focus models. A Reverse Sensing System¹ provides audible assistance as well.

Titanium Hatchback. Ruby Red Metallic Tinted Clearcoat. Available equipment.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Lane-Keeping System does not control steering.

³BLIS replaces standard integrated blind spot mirrors. Message center notice displayed for cross-traffic alert only.

2016 **FOCUS+ST+RS**
ford.com

Drive safely.

Over half of the 2016 Focus body structure is made from high-strength and ultra-high-strength steel, with critical occupant safety zones reinforced with lightweight yet incredibly strong boron steel.

Strength surrounds you in the form of a rigid safety cage. SPACE (Side Protection And Cabin Enhancement) Architecture and the Trinity front-crash structure help divert crash forces away from occupants. Next, 7 standard airbags include: dual-stage driver and front passenger; driver's knee; front-seat side; and side curtains that deploy to cover both rows of the vehicle in certain side-impact collisions.

To avoid skidding and fishtailing in inclement weather, AdvanceTrac[®] electronic stability control¹ automatically helps keep all 4 wheels firmly planted. To help ensure your tires are properly inflated, the Tire Pressure Monitoring System (TPMS) alerts you when any tire's pressure is low, giving you time to get assistance if needed.

Standard

19" x 8" Premium Painted Forged Aluminum
Optional

¹In lieu of a traditional spare tire, Focus RS comes equipped with a tire sealant and inflator kit which includes a portable air compressor and a can of tire sealant to inflate and seal small punctures for short periods of time. ²Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. ³Ford Licensed Accessory. ⁴Available feature.

Follow Ford:

New Vehicle Limited Warranty. We want your Ford Focus ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Small Sedans and Hatches based on Ford segmentation), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
