

2003 Honda

ACCORD SEDAN

Granted, this latest edition of the legendary Accord has been redesigned from the ground up to be even more stylish, comfortable and **fun to drive** than ever. It also offers an entirely new level of **refinement** that other cars will be measured against for years. And yet this is unmistakably a Honda Accord, named to *Car and Driver's* “10 Best Cars” roster for 16 of the past 20 years. What makes that feat even more remarkable is the fact that the Accord is just getting warmed up.
