

06 Honda

Accord EX V-6 Coupe shown in Sapphire Blue Pearl.

Accord Coupe

More proof that pulses
were made to be quickened.

The Accord Coupe has it all, striking the perfect balance between flat-out fun, cutting-edge technology and everyday luxury. So it was a challenge finding ways to improve it. But we did—with more safety features, more powerful engines and sportier styling both inside and out. It still has everything people love about Honda's take on scorching two-door performance. For '06, there's just more to love.
