

07 RIDGELINE

Honda's first pickup truck has made one thing perfectly clear – the stakes are raised.

Right out of the gate, the Ridgeline has made its point and made it strong. Sure enough, it's a powerful, tough and super-capable rig. Plus, it has some cool surprises never seen in a pickup, like its dual-action tailgate and its big, lockable In-Bed Trunk.™ It seems the Ridgeline is packing enough innovation under its skin to win over everybody, from die-hard truck guys to the automotive press—even earning the 2006 North American Truck of the Year award. So get familiar with an example of what a truck can really be – now that Honda has reinvented the truck.

COLOR

Make a statement.

This is the fun part – putting together the look that you can call all yours. The Ridgeline comes in a variety of exterior and interior combinations to suit your style. And the glossy Honda finish is just as beautiful as it is durable. Just give your pride and joy a hose-down once in a while when you need a reminder.
