S2000

Push it. Racing technology is now at your fingertips. Motorsports helped to inspire the S2000's engine start button. And you'll be inspired by the racecar-like howl when you rev it up. It's just a hint of the **exhilaration** that awaits you. A whopping 240 horsepower. Lofty 9000-rpm redline. Razor-sharp handling. Not to mention stunning good looks. This is a roadster that's bred from racers.
