2021 Hyundai NEXO
Preserve your environment.

To create NEXO’s anti-hoddy interior, innovative bio-based materials were applied on 47 different parts. The headliner is woven from bamboo. The upper floor is spun from sugarcane. The interior trim’s coverings are extracted from bauxite and caucasus oil, and the leather-like seat surfaces are vegan-based.

Aerodynamic cover, the ultra-rigid body structure designed with advanced high-strength steel help preserve the integrity of the passenger cabin in the event of a collision. To help avoid that from happening, a suite of Hyundai SmartSense technologies assist and assist the driver. Lane Following Assist helps keep NEXO centered in its lane of travel and steers the car’s wheel with subtle steering corrections. Need to change lanes? NEXO’s Blind Spot View Monitor displays wide-angle views of your blind spots on the instrument cluster, allowing you to see more than you would in the rearview mirror alone.

SmartSense Safety Technologies

We discovered a better alternative. Now you have, too.

All Hyundai, our belief is making things better for people has led us to develop all kinds of innovative ideas and advanced technologies. But few are as transformative as NEXO — the world’s first dedicated hydrogen fuel-cell SUV. The electric-powered 71-kWh electric motor is created by combining hydrogen fuel with oxygen from the atmosphere. The only emission? A few droplets of water. Believing takes about 30 minutes or less, so NEXO is a highly practical alternative, too! We’ve put your savings around adding electric vehicle plug-in hybrids.

NEXO will have a larger pole-mounted, longer-range, longer-life battery. Unlike the 71-kWh battery, it is also more affordable. Yet, for comparison, an average of 268 new vehicles require a 268-MWh battery. Hyundai’s electric vehicle plug-in hybrids are more affordable. They’re also more efficient. Our new NEXO is a dedicated fuel-cell vehicle. With NEXO, you’ll have two alternatives for how you go alternative: The new model features an EPA-estimated 65 MPGe rating in the city and an estimated driving range of 380 miles — a benchmark for alternative fuel vehicles. NEXO Limited combines an array of advanced luxury features and safety technologies with an EPA-estimated 51 MPGe in the city. Without the noise of a gas engine, the five-passenger NEXO is remarkably quiet, too. Press the accelerator pedal, and NEXO responds with a smooth, whisper-like sound and the powerful thrust of 215 ft-lb of torque.

With NEXO, we’ve taken our industry-leading six years of experience in fuel-cell technology and put it to work for you. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve also taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles. We’ve taken your feedback and what you told us about our first-generation vehicles.
Room for all that matters to you.

NERO isn’t powered by those bulky battery packs that take away from your interior room in a traditional electric vehicle. The front row space for inhabitants to enjoy the interior and rear legroom. The 6-way power driver seat with power lumbar support and 4-way power front passenger seat are both heated. NERO Limited adds ventilation front seats to help keep you cool. Both the 40/60 split folding rear seats, fronts partially of space to read your belongings and store them out of sight, thanks to a large cover and rear privacy glass. Accessing all of that space is easy, thanks to NERO’s hands-free Smart Trunk®.

The spacious NERO even leaves room for a huge 12.3” touchscreen audio and navigation display. Its NERO Limited, the touchscreen controls a 6-channel audio system with an 8-channel amplifier, and opt Dynamic sound algorithm technology that resides the Tesla built-in comprised 8-channel audio. NERO Limited’s innovation continues even after you add your vehicle, thanks to Smart parking Assist. Push a button on your Smart Key, and NERO parks itself in a parallel or perpendicular space with the other vehicles – or outside – the vehicle. You can also use Smart Key control to remotely move your vehicle out of sight and forward.
With Hyundai Blue Link, technology powers your day.

Hyundai's Blue Link connected car technology transforms your NEXO into an extension of your smartphone. It connects you to 36 services, including navigation, remote climate control for your front seats, obstacle detection for your NEXO and so much more! Using our MyHyundai app on your smartphone, or your Amazon Alexa or Google Home device, you can control the climate, lock/unlock the doors, or locate your vehicle in a crowded parking lot.

Before writing your call, Blue Link Guidance will assist you on the smartphone to switch, zoom and avoid addresses and points of interest including the location of nearby hydrogen refueling stations directly to your NEXO's navigation system.

Of course, Blue Link is just one of the ways NEXO makes life easier. With Apple CarPlay and Android Auto, NEXO connects to your smartphone and displays your favorite apps, contacts, playlists and context in your 8” touchscreen display. A six-speed charging pad ensures your compatible smartphone stays charged as you power through the day.

**Power & Handling**
- Zero-emission hydrogen fuel cell powertrain ● ●
- 95 kW fuel cell and 40 kW (1.56 kWh) lithium-ion polymer battery ● ●
- 120 kW (161 hp) permanent magnet electric motor with 291 lb-ft torque ● ●
- 14.0 lbs hydrogen tank capacity ● ●
- Single-speed automatic transmission ● ●
- Shift-by-Wire push-button drive selector ● ●
- Front Wheel Drive ● ●
- Multi-link rear suspension ● ●
- Regenerative brake level control paddles ● ●

**Exterior Features**
- LED headlights/taillights and Daytime Running Lights ● ●
- Power-folding, heated side mirrors with LED turn signal indicators ● ●
- Bodycolor flush auto-retracting door handles ● ●
- Automatic on/off headlights ● ●
- Rear spoiler with hidden rear window wiper ● ●
- Power tilt-and-slide wide sunroof — ●
- Roof side rails — ●
- Solar control front glass and privacy rear glass ● ●
- Rain-sensing windshield wipers — ●
- Hands-free smart liftgate with auto open — ●

**Interior Features**
- Proximity Key entry with push button start ● ●
- 7˝LCD multi-information display ● ●
- Tilt-and-telescopic steering wheel with audio, Bluetooth® phone and cruise controls ● ●
- Dual automatic temperature control ● ●
- Floor console-mounted rear vents ● ●
- Remote Smart Parking Assist — ●
- Electronic Parking Brake with Automatic Vehicle Hold ● ●
- Leather-wrapped steering wheel ● ●
- Bio-based leatherette seating ● ●
- 8-way power driver seat with power lumbar support ● ●
- 6-way power front passenger seat ● ●
- Heated front seats ● ●
- Ventilated front seats — ●
- Heated steering wheel — ●
- 60/40 split-folding rear seats with adjustable head restraints ● ●
- Rear-seat center armrest with dual cupholders ● ●
- Power windows with front auto-down/up ● ●
- Auto-dimming rearview mirror with HomeLink® ● ●
- Smart Cruise Control with Stop & Go ● ●
- Surround View Monitor — ●
- Cargo cover ● ●

**Advanced Safety**
- Forward Collision-Avoidance Assist w/ Pedestrian Detection ● ●
- Blind-Spot Collision-Avoidance Assist ● ●
- Rear Cross-Traffic Collision-Avoidance Assist ● ●
- Rear View Monitor with Parking Guidance ● ●
- Parking Distance Warning – Front and Rear ● ●
- Lane Following Assist ● ●
- Blind-Spot View Monitor — ●
- Driver Attention Warning ● ●
- High Beam Assist ● ●

**Audio & Connected Car Technology**
- 12.3˝high-resolution color touchscreen navigation ● ●
- Krell® Premium Audio system with 8 speakers and Live Dynamic sound algorithm technology — ●
- Android Auto™ and Apple CarPlay® ● ●
- SiriusXM Satellite Radio and HD Radio™ ● ●
- Blue Link® Connected Car System (3 years complimentary) ● ●
