

**2010 Jeep**<sup>®</sup>  
**Compass**

# Freedom ahead.

Take a new direction toward freedom and fun. The 2010 Jeep® Compass travels capably over city streets, happily continuing to places far beyond. It's won accolades as the most fuel-efficient 4x4 in its class,<sup>(1)</sup> a prize that its competition can only dream of earning. Compass keeps you going with Jeep brand ingenuity that's paired with a very long list of standard and available premium features. Choose from two Compass models, the playful Sport and the well-appointed Limited. You can outfit Compass with innovative features like Media Center radios with GPS navigation, SIRIUS® Satellite Radio, liftgate flip-down speakers, sunroof, or Freedom-Drive I™ active full-time four-wheel drive, to name just a few. Head out with purpose and build from there. This is how you enjoy living the Jeep life and everything it has to offer.

<sup>(1)</sup>When equipped with Freedom-Drive I 4WD system and 5-speed manual transaxle. Based on EPA mpg for 4WD models as applied to the 2009 *Ward's* Small Cross/Utility Vehicle class.

Jeep® Compass Limited shown in Inferno Red Crystal Pearl.

# The most fuel-efficient 4WD in its class.<sup>(1)</sup>

Here stands the 2010 Jeep® Compass, ready to take on mud, sleet, snow and sand to save the day of any adventure lover on a mission. The available Freedom-Drive I™ active full-time four-wheel-drive (4WD) system features an Electronically Controlled Coupling (ECC), which constantly monitors wheel slippage and transfers torque to the axle that can use it most. During high-traction driving, like on the highway, the system transfers virtually no torque to the rear axle for improved fuel economy<sup>(2)</sup> but instantly transfers torque to the rear wheels when conditions call for it. And in tough conditions, the system can be locked 50/50 front/rear for added low-speed capability and control. A four-wheel independent touring-tuned suspension, with MacPherson struts up front and a multilink system in the rear, also works to ensure contact with the road.

Four-wheel-drive Compass models feature 4WD LOCK — for maximum traction in adverse conditions. It is activated by lifting a chromed T-bar handle in the console. Compass's electronic coupling modulates when turning on a dry road in 4WD LOCK Mode to help prevent noise. Front-wheel-drive (2WD) Compass also benefits from a MacPherson strut/multilink suspension with the traction and agility such a combination provides. The available Continuously Variable Automatic Transaxle (CVT2) with AutoStick® uses a 30-mm high-strength multilayer steel drive belt and two active V pulleys to vary vehicle speed, resulting in a smooth and quiet ride. For added performance and a nice dose of fun, the driver can grab onto the system's AutoStick shifter to manually control upshifts and downshifts for clutchless shifting between six distinct "gear ratios."

<sup>(1)</sup>When equipped with Freedom-Drive I 4WD system and 5-speed manual transaxle. Based on EPA mpg for 4WD models as applied to the 2009 *Ward's* Small Cross/Utility Vehicle class. <sup>(2)</sup>2010 EPA est. 23 city/28 hwy mpg; 4WD and 2WD models equipped with 5-speed manual transaxle. 2.0L-equipped models with CVT2 automatic transaxle are rated at 23 city/27 hwy mpg; EPA 23 city/29 hwy mpg when equipped with manual transaxle.

## Pass traffic and the pump.

The available CVT2 breezes through an infinitely variable number of gear ratios that transmit a constant stream of quiet power for both optimum fuel economy<sup>(2)</sup> and high-revving highway-passing muscle when needed.

Ready, willing, and **capable too.**

Jeep® Compass Limited shown in Bright Silver Metallic.

# Air of confidence.

★ ★ ★ ★ ★ HIGHEST GOVERNMENT  
FIVE-STAR SIDE CRASH TEST RATING

Jeep® Compass received the highest marks — Five Stars — during side crash tests held by the U.S. Department of Transportation's SaferCar.gov program.<sup>(1)</sup> This means you can head out with confidence, knowing you're outfitted with a comprehensive set of safety and security features. The standard air bag<sup>(2)</sup> system includes supplemental side-curtain air bags for outboard occupants plus advanced multistage driver and front-passenger air bags. Front seat active head restraints move forward and upward in the event of a rear-end-collision to decrease the space between the headrest and occupant's head, thereby helping to reduce the chance of injury — a new and standard safety feature.<sup>(3)</sup>

A standard Electronic Stability Control (ESC)<sup>(4)</sup> integrates a host of systems that include a four-wheel antilock brake system (ABS), all-speed traction control, a Brake Assist system that automatically helps provide quicker braking power in emergency situations, Electronic Roll Mitigation (ERM) that can apply strategic braking to appropriate wheels and reduce engine power when overly sharp steering actions and/or impending wheel lift is detected, and Electronic Brake Distribution (EBD).

Hill Start Assist, standard on manual transmission models, stops annoying "rollback" when you tackle upclimbs. Compass's safety cage structure contains a front crumple zone that absorbs energy during a front impact and a high-strength crossbeam in the rear seat area that helps transfer side-impact energy from one side of the vehicle to the other.

<sup>(1)</sup>Star ratings are part of the U.S. Department of Transportation's SaferCar.gov program (safercar.gov). <sup>(2)</sup>The Advanced Front Air Bags in this vehicle are certified to the new Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. Air bags shown deployed for illustrative purposes only. <sup>(3)</sup>Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. <sup>(4)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

## Properly inflated and all set to be seen.

Tire Pressure Warning Lamp is standard on Sport and a Tire Pressure Monitoring Display, available on Sport and standard on Limited, provides notification of high or low pressure on individual tires via an instrument panel readout. The power sideview mirrors are now heated, to help you keep those objects in view that can creep up from behind.

# Sky-high tech.

With Uconnect™, you're always connected — to people, places, music, movies, and the Internet.

**Voice Command.** Lets you select radio stations, satellite radio channels,<sup>(1)</sup> and navigation<sup>(2)</sup> destinations using voice commands. Works with all Uconnect Media Center radios. Included with Uconnect Phone.

**Uconnect Phone.** Lets you talk on your Bluetooth® compatible phone virtually hands-free. Address Sync<sup>(3)</sup> lets you call anyone in your address book by saying their name.

**Audio Jack.** Connect a 3.5-mm audio cable from your MP3 player, phone, or electronic book reader to play audio through your car's speakers.

## Media Center 730N AM/FM/CD/DVD<sup>(4)</sup> Radio with 30GB Hard Drive and GPS

**Navigation.** 6.5-inch touch screen, MP3/WMA support, USB input, 4,250 song capacity, SIRIUS® Satellite Radio,<sup>(4)</sup> SIRIUS Traffic,<sup>(5)</sup> and Voice Command.

**iPod® Control.** Connect most iPod-compatible devices to your car's stereo using the in-car cable; then control them with your radio or steering wheel controls. Keeps the devices charged too.

**Uconnect Web.<sup>(6)</sup>** An in-car router that connects any Wi-Fi-enabled device to the Internet at 3G broadband speeds, allowing multiple passengers to surf the Web and social networks, look up directions, check eMail, or download music. Uconnect Web is an Authentic Jeep® Accessory by Mopar. Subscription required, sold separately.

<sup>(1)</sup>When satellite radio and navigation features are equipped on your vehicle. Any voice-commanded system should be used only in safe driving conditions and all attention should be kept on the roadway ahead. Failure to do so may result in an accident causing serious injury or death. <sup>(2)</sup>Phone must support Bluetooth Phone Book Access Profile (PBAP) <sup>(3)</sup>In-dash DVD capability not available in all states. See your dealer for details. <sup>(4)</sup>SIRIUS service available only in contiguous United States and D.C. Service available in Canada; see [siriuscanada.ca](http://siriuscanada.ca). Subscription required after 12-month subscription included with vehicle purchase. Subscriptions governed by SIRIUS Terms & Conditions available at [sirius.com](http://sirius.com). SIRIUS, XM, and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. <sup>(6)</sup>The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion.

Jeep\_ Compass Limited interior shown in Dark Slate Gray.

# View from the inside out.

The interior of the 2010 Jeep® Compass Limited may seem a little cavernous, and that's OK. We had to make room for some big luxuries. For instance, Limited's up-level standard interior features premium leather trim, with heated front seats and a six-way power-adjustable seat for the driver, plus a leather-wrapped parking brake handle and a steering wheel with audio and speed controls.

Limited's creature comforts include deep-tinted sunscreen glass, power door locks, windows and heated mirrors, Tire Pressure Monitoring Display, Electronic Vehicle Information Center (EVIC), Remote Keyless/Illuminated Entry, a fold-flat front-passenger seat, 115-volt auxiliary power outlet, removable and rechargeable LED cargo lamp/flashlight, and reclining rear seatbacks. An available Security and Cargo Convenience Group includes daytime running lamps, remote start system (with auto transaxle), security alarm, soft tonneau cover, Uconnect™ Phone with hands-free calling, and front-seat mounted side air bags.<sup>(1)</sup> The available Media Center 730N GPS navigation and multimedia center radio includes a CD/DVD,<sup>(2)</sup> MP3 player plus SIRIUS® Satellite Radio with over 130 channels, including commercial-free music, sports, news, talk, entertainment, traffic and weather. Also available is a Universal Customer Interface (UCI) that allows you to control your iPod® via the system's touch screen.

The fun of Jeep Compass Sport lies in its playful details, as well as in its efficient and standard powertrain. For example, soda spills are worry-free when your seats are covered with the available Stain Repel® cloth, a stain-resistant, odor-resistant, antistatic premium seat fabric.

<sup>(1)</sup>The Advanced Front Air Bags in this vehicle are certified to the new Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. <sup>(2)</sup>In-dash DVD capability not available in all states. See your dealer for details. <sup>(3)</sup>Not compatible with aftermarket fabric-protecting coatings. <sup>(4)</sup>Late availability.

## Details that make a big difference.

Available Automatic Temperature Control<sup>(4)</sup> maintains your ideal air-conditioned climate. The available rear 60/40 rear bench lets passengers recline in comfort or can be configured to carry more cargo. Standard illuminated cup holders help beverages land securely in the center console. The available Sun and Sound Group includes 9-Speaker Premium Sound System with flip-down liftgate speakers and a power sunroof.

Jeep® Compass Limited shown in Brilliant Black Crystal Pearl.

# Freedom in every direction.

Decked with attitude from its unique seven-slot grille and fog lamps, Jeep Compass Limited matches the performance of its standard 172 hp DOHC dual Variable Valve Timing (VVT) 16-valve engine with a healthy displacement of style. Its 18-inch silver painted aluminum wheels and all-season performance tires make a statement unique to Compass Limited. Electronic Stability Control (ESC)<sup>(1)</sup> and Electronic Roll Mitigation (ERM) help tame this racehorse.

Compass Limited also features silver bodyside molding accents and silver bumper inserts that furnish a dose of fresh design. Side power mirrors are heated, so you'll always see who's trailing behind. The new Tip Start feature gets you going with a quick, light twist and release to the ignition switch (automatic transaxle only). Handy Hill Start Assist (HSA) is standard on manual transaxle-equipped models. Limited's powertrain includes a 172 hp 2.4L DOHC 16V dual VVT, a 4-cylinder go-getter that's attached to a sturdy 5-speed manual transaxle. Upgrade to Freedom-Drive I™ 4WD system and add a Continuously Variable Automatic Transaxle (CVT2) with AutoStick® and you are also given the capability for clutchless upshifting and downshifting. Plus, you'll enjoy a 4WD LOCK Mode feature that adds maximum traction during more challenging low-speed conditions; other less capable vehicles are sent limping back home. Compass Sport shows up with a standard 158 hp 2.0L engine matched to a 5-speed manual transaxle (2WD) with up to 29 mpg for efficient and capable driving on the highway.<sup>(2)</sup>

<sup>(1)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. <sup>(2)</sup>2010 EPA est 23 city/29 hwy mpg. Your mileage may vary.

Properly secure all cargo.

See and be seen during treacherous weather. Fog lamps are a standard feature on Compass and are intended for use at low speeds as a safety feature and in tandem with low-beam headlamps.

### Sport

- 2.0L 16V dual VVT 158 hp Engine (2WD) or 2.4L 16V dual VVT 172 hp Engine (4WD)

## POWERTRAIN

<b>Engine</b> (Standard on Limited and Sport 4WD)	2.4L DOHC 16V dual VVT I-4
<b>Displacement</b> (cu in/cc)	144/2,360
<b>Horsepower</b> (SAE net @ rpm)	172 @ 6,000
<b>Torque</b> (SAE net @ rpm)	165 @ 4,400
<b>Engine</b> (Standard on Sport, 2WD models only)	2.0L DOHC 16V dual VVT I-4
<b>Displacement</b> (cu in/cc)	122/1,998
<b>Horsepower</b> (SAE net @ rpm)	158 @ 6,400
<b>Torque</b> (SAE net @ rpm)	141 @ 5,000

**Engine Construction/Fuel Delivery** High-pressure die-cast aluminum block with dry iron liners, cast aluminum cylinder head, forged steel crankshaft, dual counter-rotating balance shafts (2.4L)

**Fuel System** Sequential multiport, electronic fuel injection

**Fuel Recommendation** Unleaded regular, 87 octane (R+M)/2

**Intake Design** Tuned intake manifold with Electronic Active Charge Motion Control valves, 4 valves per cylinder, electronically controlled, dual Variable Valve Timing, electronic throttle control

**Exhaust System** Oversized displacement muffler for reduced back pressure and noise, long-life design

### Transaxle

5-speed manual with overdrive, ratio range (:1),  
3.77 – 0.72 (1st – 5th) overall top gear ratio: 2.97 (2.0L/2.4L) Std.

**Continuously Variable Automatic** (CVT2) with 30-mm high-strength multilayer steel drive belt, ratio range (:1),  
2.35 – 0.39; overall top gear ratio: 2.41 (2.0L/2.4L) Opt.

### Drive Systems

**Front-wheel-drive** (2WD) transaxle with constant velocity joints and equal-length half shafts Std.

**Freedom-Drive I™ active; full-time four-wheel drive** (4WD) with selectable LOCK Mode (requires 2.4L) Opt.

## CAPACITIES/WEIGHTS/TOWING (4WD) (pounds unless otherwise specified)

**Fuel Tank** (gal) (2WD/4WD) 13.6/13.5

### Base Curb Weight

5-speed manual (2WD/4WD) 3,074/3,222  
CVT2 automatic transaxle (2WD/4WD) 3,152/3,300

**Payload Capacity** (includes occupants and cargo) 925

**Maximum Gross Vehicle Weight Rating** 4,575

**Maximum Loaded Trailer Weight** (requires Trailer Tow Prep Group) 2,000

**Tongue Load Limit** (requires Trailer Tow Prep Group) 225

NOTE: For specific towing details, discuss your plans with your Jeep® dealer who will help you select the right equipment to meet your specifications.

## BODY/SUSPENSION/CHASSIS

### Body Design

Unitized steel construction with a structural safety cage utilizing advanced hot-stamped, tailor-rolled, dual-phase steel technologies and advanced joint design for added strength, reduced weight and improved NVH, front crumple zone

### Suspension, Touring-Tuned

Front: Independent with MacPherson struts, coil springs over gas-charged shocks and stabilizer bar  
Rear: Independent multilink with coil springs, gas-charged shocks, link-type stabilizer bar

**Steering** Power-assisted, rack-and-pinion (firmer feel on Limited)

**Overall Ratio** 16.4:1

**Turning Diameter** (curb-to-curb) (ft), Compass Sport/Compass Limited 35.6/37.2

**Turns** (lock-to-lock) 2.9

**Brake System ABS** 4-wheel disc hydraulic, power-assisted,  
11.5" vented front/10.3" solid rear Std. Limited and/or 4WD system

**ABS-ventilated front disc, rear drum** Std. 2WD Sport

### Electronic Stability Control (ESC)<sup>TM</sup>

4-channel, 4-wheel antilock with active wheel speed, vehicle-speed, steering-wheel angle, yaw-rate, and lateral-acceleration sensors, vehicle stability management with two-stage activation switch, all-speed traction control, Brake Assist, Electronic Roll Mitigation and Electronic Brake Distribution Std.

**Parking Brake Type** Drum-in-hat

## INTERIOR DIMENSIONS (inches unless otherwise specified)

**Seating Capacity** 5 Adults

**Head Room** front/front with sunroof/rear 40.7/39.4/39.9

**Leg Room** front/rear 40.6/39.3

**Shoulder Room** front/rear 54.6/54.0

**Hip Room** front/rear 52.3/51.0

### Cargo Volume

Rear seat up/folded/rear seatback folded and front-passenger seatback folded (cu ft) 22.7/53.6/61.8

**Cargo Liftover Height** 30.5

## EXTERIOR DIMENSIONS (inches unless otherwise specified)

**Wheelbase** 103.7

**Overall Length** 173.4

**Overhang front/rear** 34.5/35.2

**Overall Width** (excluding mirrors) 69.3

**Track** front/rear 59.8/59.8

**Overall Height** (with roof rails) 65.2

**Running Ground Clearance** (at curb weight) 8.1

NOTE: Compass Sport specifications shown above.

®No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ®Not compatible with aftermarket fabric-protecting coatings. ®The Advanced Front Air Bags in this vehicle are certified to the new Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ®In-dash DVD capability not available in all states. See your dealer for details. ®SIRIUS service available only in contiguous United States and D.C. Service available in Canada; see siriuscanada.ca. Subscription required after 12-month subscription included with vehicle purchase. Subscriptions governed by SIRIUS Terms & Conditions available at Sirius.com. SIRIUS, XM, and all related marks and logos are trademarks of SIRIUS XM Radio Inc. and its subsidiaries. ®Phone must support Bluetooth Book Access Profile (PBAP). ®The Uconnect Web feature is not intended for use by the driver while the vehicle is in motion.

**Jeep** Jamboree USA offers off-road adventure weekends that bring together the outdoors, down-to-earth people and their Jeep 4WD vehicles. We invite you to explore America's remote backcountry, where great friendships and memories are made.

**Call (800) 925-JEEP** to speak with one of our Jeep brand customer service representatives for the right answers to your important questions.

### **5-Year/100,000-Mile Powertrain Warranty**

Transferable. See dealer for a copy of limited warranty. Includes towing to an authorized dealer.

**Warranty** Jeep vehicles are covered by a Chrysler Group LLC 3-year or 36,000-mile Basic Limited Warranty. See your dealer for a copy of this limited warranty. Excludes normal maintenance and wear items.

**Jeep Auto Insurance**<sup>(1)</sup> The only insurance guaranteed to repair your vehicle using Authentic Jeep Collision Repair Parts by Mopar for as long as you own your vehicle — at rates that are tough to beat. Plus, get up to \$100<sup>(2)</sup> in deductible waived when repairs are done at a Jeep dealership. For a quote, call (877) 244-1531 or visit [cf.com/insurance](http://cf.com/insurance).

**Chrysler Service Contracts** Chrysler has a vested interest in your satisfaction with your new Jeep vehicle. Chrysler Service Contracts offer extended service plans to help ensure that you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information, see your Jeep dealer, call (800) 442-2666 or visit [jeep.com/csc](http://jeep.com/csc).

**Authentic Jeep Accessories by Mopar** are designed specifically for your Jeep vehicle for exceptional fit, finish, and performance. Visit your dealership or [mopar.com](http://mopar.com).

**Uconnect**<sup>™</sup> With Uconnect, you're always connected — to people, places, music, movies, and the Internet.

**SIRIUS**<sup>®</sup> **Satellite Radio** delivers over 130 channels, including 100% commercial-free music, sports, news, talk, entertainment, traffic, and weather. Factory-installed SIRIUS Satellite Radio includes a one-year subscription. For more information, go to [sirius.com](http://sirius.com).

**SmartWay**<sup>®</sup> Certain Compass models have earned the highly esteemed SmartWay certification. The SmartWay certification mark identifies each vehicle's air pollution and greenhouse gas performance.<sup>(3)</sup> Lower emissions earn a higher score, and those vehicles with the best scores are eligible for the SmartWay designation.

**Honoring Those Who Serve** Chrysler Group LLC proudly supports the members of the U.S. Armed Forces and their families.

<sup>(1)</sup>Insurance provided through 21st Century Insurance and Financial Services, Wilmington, DE, managing general agent for the personal lines insurers of American International Companies. <sup>(2)</sup>Coverage features and availability may vary by state. <sup>(3)</sup>Based on 2009 EPA SmartWay Designation. Please visit [epa.gov/greenvehicles](http://epa.gov/greenvehicles) for a list of the specific vehicle types that meet the SmartWay standards. SmartWay is a registered trademark of the U.S. Environmental Protection Agency.
