2013

The time
has arrived for fresh
opportunities. This is the
moment to discover new
vistas from a bold
point of view.

BEING RESOURCEFUL

Take a closer look at Jeep® Compass by exploring the enclosed Buyer's Guide or visiting us on the Web. The Jeep brand offers an expansive array of portals for social media, shopping, and owner resources, plus you can discover one-of-a-kind events that can create lifelong connections with like-minded friends. Expand your adventures in every direction by visiting jeep.com.

GO MOBILE. Take an engaging, multimedia tour of your vehicle on your mobile device. Visit the Chrysler Group LLC page in iTunes® from your smartphone or iPad® to download the most up-to-date apps on all of the company's vehicles. Log on to the jeep.com mobile site for a comprehensive, at-a-glance review of what you need to know about your Jeep vehicle. Experience visual and interactive demonstrations of the entire lineup, gaining access to product information at your fingertips, wherever you go.

JEEP SOCIAL ADVENTURES. Expand your horizons to include authentic and active Jeep online communities. Post stories, share photos, watch videos, and get the latest news from Jeep gearheads and engineers. Fellow Jeep enthusiasts are waiting to hear from you on Facebook (facebook.com/Jeep), Twitter (twitter.com/Jeep), Flickr (flickr.com/Jeep), and YouTube (youtube.com/TheJeepChannel). Tune in, turn us on, and get out into the virtual world where thrilling adventures are happening every single day.

JEEP JAMBOREES. For those who are driven by an adventurous spirit, we invite you to join us on the trail. You can head for parts unknown or return to fun, familiar places. Jeep Jamboree USA offers off-road adventure weekends that bring together the outdoors, down-to-earth people, and their Jeep 4WD vehicles. We invite you to explore America's remote backcountry, where great friendships and memories are made.

(1) Based on 2013 EPA estimated 23 city/30 hwy mpg when equipped with 2.0L engine and 5-speed transmission. (2) Do not attempt water fording unless depth is known to be less than 19 inches. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (3) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (4) The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (5) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (6) SiriusXM services require a subscription, sold separately, after 12-month trial included with vehicle purchase. If you decide to continue your SiriusXM service at the end of your subscription, the plan you choose will automatically renew and bill at the current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at siriusxm.com. Sirius satellite service is available only to those at least 18 and older in the 48 contiguous United States, D.C., and P.R. (with coverage limitations). SiriusXM Traffic available in select markets. See siriusxm.com/traffic for more information. Sirius, XM, and all related marks and logos are trademarks of SiriusXM Radio Inc. (7) Phone must support Bluetooth Phone Book Access Profile (PBAP). (8) Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required.

Jeep

>> THE ROAD AHEAD LOOKS MORE INVITING WHEN YOU RIDE IN COMFORT BACKED BY ADVANCED TECHNOLOGY AND JEEP® BRAND CAPABILITY. COMPASS IS READY TO HEAD IN ALL DIRECTIONS, THANKS TO ITS WELCOME EFFICIENCIES. THIS BEAUTIFUL EQUATION ADDS UP TO A FEELING OF TRUE CONFIDENCE EVERYWHERE YOU GO.

JEEP® COMPASS IS FINELY TUNED FOR THRILLING ADVENTURES

Jeep

Say hello to adventure,
and adios to the everyday.
It's time to head out and grab
freedom by the wheel.

LOOK BEYOND ITS NATURAL GOOD LOOKS

30 MPG
G HWY^{1*}

This powerhouse knows how to win on all fronts. The standard **2.0L DOHC 16V engine** can put over 400 miles between pump stops. Not only that, it cranks out a healthy 158 hp and 141 lb-ft of torque — an impressive performance for an engine this size. It's matched to a 5-speed manual 2WD transaxle or the Continuously Variable Automatic Transaxle II (CVT2), giving you the option to actively engage or easily cruise with your powertrain.

AUTHENTIC FREEDOM MEANS HAVING THE FORTITUDE TO GO ANYWHERE, DO ANYTHING.[®] JEEP[®] COMPASS TAKES THAT STRENGTH, FORGING FORWARD WITH TECHNOLOGICALLY ADVANCED EFFICIENCIES THAT HELP YOU SEE MORE OF THE WORLD FROM A VERY ATTRACTIVE POINT OF VIEW.

2.4L DOHC 16V ENGINE. This powerhouse zooms off to achieve an EPA-estimated fuel economy of 22 city/28 hwy mpg while delivering 172 hp supported by 165 lb-ft of torque. The engine's dual Variable Valve Timing (VVT) electronically controls both intake and exhaust valves, four valves per cylinder (16V total), helping to improve power and encourage an economical performance. Available.

Both the 2.0L and 2.4L engines feature:

- > Intake manifold and exhaust flow control valves
- > Dual overhead camshafts
- > Four valves per cylinder
- > Forged crankshaft and connecting rods
- > Aluminum block
- > Acoustic oil pan

*A note about this brochure: All disclaimers and disclosures can be found on the inside back cover.

FREEDOM DRIVE I. Active, full-time 4WD capability with LOCK mode, features Electronically Controlled Coupling (ECC), which constantly monitors wheel slippage and transfers torque to the axle that can use it most. In tough conditions, the system can be locked 50/50 front/rear for added low-speed capability and control. Available.

TOURING-TUNED SUSPENSION. At every corner, around every corner, four-wheel touring-tuned suspension helps improve handling for a smooth and even ride — over even the most demanding road conditions out there.

FREEDOM DRIVE II.[®] Enjoy Trail Rated[®] freedom, thanks to full-time 4WD with LOCK mode, Off-Road mode with Hill Descent Control, and Brake Traction Control. Torque is adjusted on-demand for added fuel efficiency. Its all-weather capability expertly handles more difficult off-road situations, as well as deeper snow, mud, and up to 19 inches of water.² Available.

CVT2. The Continuously Variable Automatic Transaxle II (CVT2) with AutoStick uses a 30-mm high-strength multilayer steel drive belt and two active V-pulleys to vary vehicle speed, resulting in a smooth and quiet ride. The AutoStick shifter puts optimal vehicle performance under your command — a driver-interactive manual control with six simulated stepped-gear ratios. Available.

CVT2L. The second-generation Continuously Variable Automatic Transaxle II (CVT2L) has an integral lower gearing feature that provides the torque multiplication needed for water fording,² steep grades, and crawling slowly in off-road events. Includes Off-Road Mode that delivers an off-road capable 19:1 crawl ratio. Available.

P R N D

URBAN DWELLING

Reach out to the soft-touch interior and well-placed features found in Compass, like the available cloth and leather-trimmed heated seats that quickly take the bite out of cold days.

COMPASS OFFERS A DISTINCTIVE DRIVING EXPERIENCE THAT'S WELL-SUITED FOR THE CITY, YET IT'S ALWAYS WELL-PREPARED FOR THE TRAIL. COMPASS IS DESIGNED FOR THOSE WHO MAINTAIN A PREFERENCE FOR THE EXTRA MILE — NO MATTER THE DESTINATION.

OPENING ACT. The rear liftgate opens up not only to reveal 53.6 cu ft of cargo room when the rear seats are laid down flat, but also the available flip-down gate speakers that can blast out a wall of sound.

LOOK SKYWARD. Brighten your outlook with the available sunroof. Its express open/close feature operates with the touch of a button. A sunshade keeps you cool when temps get hot. Included with the Sun and Sound Group.

PREMIUM AUDIO. The available Alpine® Premium Sound System delivers sound that travels as well as you, via nine well-placed speakers, supported by 368 watts of power.

FOR A SERIOUS EXPLORATION OF WORLDLY WILDS, THE CAPABLE
2013 JEEP® COMPASS EXPANDS YOUR VIEW. ITS AVAILABLE TRAIL RATED®
SOUL, WITH ONE INCH OF ADDITIONAL GROUND CLEARANCE, IS YOURS
FOR THE TAKING.

ALL-WEATHER HERO

PEACE OF MIND GOES FAR. HEAD OUT WITH CONFIDENCE, KNOWING THAT A ROBUST SET OF MORE THAN 30 AVAILABLE SAFETY AND SECURITY FEATURES ARE IN PLACE, KEEPING WATCH ON THE TRAIL AND ON THE ROAD. A JEEP® ENGINEERED SAFETY CAGE STRUCTURE CONTAINS A FRONT CRUMPLE ZONE SPECIFICALLY DESIGNED TO ABSORB ENERGY DURING A FRONTAL IMPACT. YOUR ALL-WEATHER HERO IS ALWAYS ON GUARD.

TIRE PRESSURE MONITORING SYSTEMS.

Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when levels drop below the minimum acceptable level.

HEATED POWER EXTERIOR MIRRORS. Melt snow and ice off your sideview mirrors as you warm up your interior. This available feature also helps to keep your mirrors icicle-free as you drive.

ELECTRONIC STABILITY CONTROL (ESC).³

An advanced system designed to assist drivers in maintaining control of their vehicle at all times. It integrates a four-wheel antilock brake system (ABS) with hydraulic Brake Assist, all-speed traction control, and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle's actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected.

ADVANCED MULTISTAGE FRONT AND SIDE-CURTAIN AIR BAGS.⁴ These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.

SUPPLEMENTAL SEAT-MOUNTED SIDE AIR BAGS.⁴ Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs. Available.

HALOGEN HEADLAMPS AND FOG LAMPS.

These bright sources of light improve down-road visibility at night or during inclement weather.

HILL START ASSIST (HSA). This system works to prevent Compass from rolling away when starting the vehicle on an up- or downhill gradient. It holds the vehicle stationary for two seconds after the driver's foot is removed from the brake pedal, allowing time to apply the throttle. Standard on manual transaxle models, and included with the available Trail Rated® Freedom Drive II® Off-Road Group.

FRONT-SEAT ACTIVE HEAD RESTRAINTS.⁵

In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the headrest and occupant's head, thereby helping to reduce the chance of injury.

SiriusXM Traffic.⁵ As packaged with the available Uconnect® 430N radio, SiriusXM Traffic provides access to detailed information on accidents, traffic flow, construction, road closures, and more. Alternative route guidance and mapping let you easily avoid trouble areas to help you arrive safely and on time.

FIVE PERFORMANCE CATEGORIES are designed to prove the capability of every Trail Rated® Jeep® vehicle.

» **TRACTION.** Trail Rated traction helps you maintain controlled forward motion on snowy back roads and icy bridges. You can climb steep sand dunes and master muddy two-tracks. Others may fear untamed terrain, but your Trail Rated Compass has the traction within to master all kinds of topography and driving conditions.

» **ARTICULATION.** Trail Rated Compass suspension systems enhance on- and off-road performance by maximizing flexibility, axle articulation, and wheel travel. This standard indicates, that when one or more wheels are elevated, the Jeep 4x4 system helps the others stay on the ground longer to keep you moving.

» **MANEUVERABILITY.** Every Compass is born with the athletic ability to navigate narrow gaps, dodge emergency situations, and avoid cosmetic damage to underbody sills, thanks to precision steering and optimized wheelbases.

» **GROUND CLEARANCE.** Head out knowing that your Trail Rated Compass has optimized approach, departure, and breakover angles designed to clear logs, rocks, and uneven ground. Your undercarriage is protected, too, with forged skid plates that cover your vehicle's most valuable underbody elements.

» **WATER FORDING²** Traverse that stream with confidence, thanks to additional electrical and body seals, plus a high air-intake location. Compass has the capability to safely manage in up to 19 inches of water. Always inspect all waterways before proceeding, just to make sure there are no unforeseen pitfalls.

It's the recognized standard for off-road capability. The available Trail Rated® fortitude of Jeep® Compass helps you navigate the world and all it offers. On the road or on the trail, Compass works to safely get you through the challenges Mother Nature sets before you.

A unique idea is crafted within a small detail – within the inner headlamp lies a replica of the iconic Jeep® brand seven-slot grille.

Inspiration is the seed of innovation. Jeep[®] Compass takes its cues from the world around us. Throughout, you will find details designed to serve — naturally.

INTERACTION. UCONNECT® BRINGS A RANGE OF COMMUNICATION AND ENTERTAINMENT SERVICES STRAIGHT INTO YOUR VEHICLE, ALL BUNDLED TOGETHER WITHIN A ROBUST UCONNECT SYSTEM. WITH SO MANY CONVENIENT OPTIONS TO CHOOSE FROM, DISCOVER HOW YOU'D LIKE TO CONNECT AT DRIVEUCONNECT.COM.

» **ENTERTAINMENT.** Manage all of your media. You'll have several ways to access audio. Get the sound going via CDs/DVDs, MP3s, remote USB port, auxiliary input jack, hard-disc storage, Voice Command, SiriusXM Satellite Radio® (your first year of service is included), and Bluetooth® streaming audio.

» **PHONE.** Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle voice-activated communication system that allows you to talk on your Bluetooth compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone's contact list* — up to 1,000 entries — every time you get into your vehicle.

» **NAVIGATION.** Provides enhanced Garmin® GPS navigation and destination entry via voice command. Find a restaurant, airport, museum, or department store, and get directions with a simple request. Lane assist and junction view are also displayed.

» **VOICE COMMAND.** It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations, SiriusXM Satellite Radio® channels, and make calls.

» **WEB.** Put the power of high-speed Internet in your vehicle with Uconnect Web®. Effortlessly connect any WiFi-enabled device to the Internet at broadband speeds, making your vehicle a mobile hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar® — it's all wireless. Subscription required. Sold separately.

GARMIN  **GARMIN® NAV.** Head out in the right direction with Garmin, the most recognized name in GPS way-finding. It features Garmin's intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory in-dash screen.

SiriusXM  **TRAVEL LINK** **SIRIUSXM TRAVEL LINK®** Access a wealth of information at your fingertips, including national and local weather reports, local gas prices, in-game and final sports scores, weekly movie times, even local ski slope conditions. Your first year of service is included.

 **SIRIUS SELECT® — Over 130 Channels.** This is what satellite radio is all about. Enjoy commercial-free music, plus sports, news, talk, and entertainment. And get a selection of premium programming, including every NFL game, Howard Stern, every NASCAR® race, Martha Stewart, and more. Visit www.siriusxm.com for details.
