2021 Grand Cherokee
BORN AS A PURPOSE-BUILT 4x4 FOR THE FRONT LINES OF WWII IN 1941, JEEP® 4x4s SOON TRANSITIONED FROM THE BATTLEFIELDS TO THE FARM FIELDS AND BACKROADS OF AMERICA, WHERE THEY KEPT UP WITH HARD DAILY USE IN INDUSTRY AND RECREATION ALIKE. THROUGH 80 YEARS AND ALL MANNER OF TERRAIN AND WEATHER, A GROWING LINEUP OF JEEP® 4x4s HAS CONSISTENTLY MOVED THE BAR WITH STRONG DRIVETRAINS, INNOVATIVE ENGINEERING AND QUALITY COMPONENTS THAT STAND OUT FROM ALL OTHER 4x4 SUVs.

these roots have run deep since 1941

GO WITH THE WIND
Taking first-class passage to the very top of the lineup, Grand Cherokee Summit® puts all the luxuries at hand so you can drive away with a full complement of available premium amenities. Begin with the optional fully wrapped Signature Leather Interior Package that features plush Laguna leather trim throughout: on the heated and ventilated seats, the instrument panel, doors, center console, glove box and armrests. Exotic open-pore wood and metal accents are seen on the steering wheel and bezels. Standard cabin features expand to include a Uconnect® 4C NAV with a flush-mounted 8.4-inch full-color touchscreen that’s easily integrated with your smartphone. The standard 825-watt Harman Kardon® Premium Audio System, with 19 well-placed speakers and 10-inch subwoofer, offers a concert-like experience to all passengers. Load cargo with ease, aided by the power liftgate.

1. Grand Cherokee Summit® with available Signature Leather Interior Package in Indigo / Ski Grey
2. Overland® in Granite Crystal Metallic
3. Grand Cherokee Summit Platinum Series in Velvet Red Pearl
Crafted to exacting details, Grand Cherokee Summit® Platinum Series presents an elegant profile. Unique 20-inch wheels shine, and a unique seven-slot grille is outlined in Platinum chrome and filled with impressive mesh inserts, with dual bright exhaust tips in the rear. Summit Platinum Series styling climbs higher with its Platinum chrome trim that enhances the roof rails and side window trim.
You’re invited to an immediate “sensory-surround” experience by way of Grand Cherokee Summit® and its robust inclusion of high-level standard features found within its cabin. Its supportive yet highly cushioned seats are covered in Natura Plus leather trim with refined edge welting. Real wood and brushed chrome accents are found throughout, and especially stand out on the leather-wrapped, heated steering wheel. First- and second-row passengers enjoy heated seats as well. The standard Uconnect® 4C NAV dominates the front dash with its 8.4-inch full-color touchscreen and will fully integrate with your smartphone. The standard Harman Kardon® Premium Audio System situates 19 speakers in exactly the right location, with a deep subwoofer that helps fill the cabin with concert-like sound.

1, 2, 3. Grand Cherokee Summit® in Dark Sienna
CommandView® Dual-Pane Panoramic Sunroof
This dual-pane sunroof with single sliding-glass panel includes a power-controlled sunshade in front and a fixed-glass window in the rear. Available.

Active Noise Cancellation utilizes sound-absorbing technology to enhance the effect of the acoustic glass in place on the windshield and side windows. Available.
Heated and Ventilated Seats Both the first and second rows are heated, with instant cooling seat ventilation for the driver and front passenger. Available.

Dual-Zone Automatic Temperature Control Constantly adjusts air temperature inside the cabin to create separate customized environments for the driver and front passenger. Standard.

Blu-Ray™ / DVD Player with Seatback-Mounted Video System Two 9-inch high-resolution screens integrated into the seatbacks can play DVDs and Blu-ray Discs®. Includes independent HDMI and RCA inputs for each screen. Available.

Sun and Sound Group Here, you’ll add either the CommandView® Dual-Pane Panoramic Sunroof or the single-pane power sunroof (depending on the trim) and a 9-speaker Premium Alpine® Surround Sound System, giving seekers of music, sun and fresh air exactly what they crave. Available.

Remote Proximity Entry Keep the key fob in your pocket, open the door, get seated with your foot on the brake, press the Start button and simply shift into Drive. Standard.

Remote Start® Climb into a pleasantly preheated or precooled Grand Cherokee — featuring a 328-ft range. Available.

Acoustic Glass Acoustic windshield and laminated front-door glass help remove the distractions of traffic and wind noise to deliver a noticeably hushed and peaceful ride. Standard. Rear sunscreen acoustic laminated glass is standard on Grand Cherokee Summit®, SRT®, and Trackhawk® models.
strategic audio design
19 SPEAKERS SURROUND YOU

Enter this virtual concert hall and take your seat. Select your program, adjust the volume, and enjoy a true and very dynamic Surround Sound experience, brought to you by Harman Kardon® Available.

Precisely tuned to maximize the cabin acoustics of Grand Cherokee, the available 19-speaker Harman Kardon Premium Audio System takes you to places few other systems can.

Impressive dynamics feature a 10-inch subwoofer, designed to fill your personal soundstage. Get ready to feel the beat.
Jeep® Brand Four-Wheel-Drive (4WD) Systems

**Quadra-Drive® II**
With the Electronic Limited-Slip Differential, you can gain ultimate traction by transferring up to 100 percent of torque to the rear wheel(s) with the best grip. Available.

**Quadra-Trac II®**
All-Speed Traction Control quickly distributes power to the axle with the most traction. The two-speed transfer case acts quickly to keep you moving wherever challenging road conditions are found. Available.

**Quadra-Trac I®**
Let this fully automatic 4WD system do the thinking for you. It can adjust traction without need for driver input, so you can keep moving forward with an optimal balance of torque distribution. Available.

Class-Exclusive Available **Quadra-Lift® Air Suspension** adjusts your ride height to improve handling based on your driving needs. Quadra-Lift® smooths on-road handling, helps aid efficiency, and makes entry, exit and loading much easier. Raises up to 10.8 inches and lowers 1.6 inches from normal ride height. Allows for 20 inches of water fording. Available.
seasons of mastery

Head out with confidence. You’re equipped to go anywhere, knowing just about everything regarding the performance of your Jeep® Grand Cherokee.

**Selec-Terrain® Traction Management System** Five selectable settings let you dial in to the type of 4WD traction control your Jeep Grand Cherokee needs at any particular moment. Selec-Terrain® pairs with an available 4x4 system, giving you the ability to tailor your capability to the road and driving conditions. Selec-Terrain helps to adapt traction performance with a selectable dial that features Snow, Sand, Auto, Mud and Rock settings. This intelligent system gives you ultimate driving confidence by coordinating 12 vehicle systems, including throttle control. Available.

**Off-Road Pages** Access real-time performance data so you know just how far your suspension is traveling, and see how you’re faring on the trail with the tilt-and-pitch gauge. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.
The Trail Rated® badge is an emblem of authority, and every Grand Cherokee 4WD system has earned it — the hard way. Every Trail Rated vehicle in the Jeep® Brand lineup must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording®. Navigating a Trail Rated Grand Cherokee hands over the confidence to conquer the most challenging conditions out there. You’re equipped to experience all the thrills of remote off-road trails, as well as to tame Mother Nature’s most demanding weather conditions.

Trailhawk® in Slate Blue Pearl
Selec-Speed® Control adds Hill Descent Control (HDC) to the familiar Hill Start Assist. Hill Start Assist (standard) engages the throttle to help provide stable low-range control when going uphill, whereas HDC (available) uses engine and physical braking to aid in vehicle control when going downhill.
Grand Cherokee Trackhawk®

Hold on tight. You’re about to go from 0 – 60 mph in 3.5 seconds.

Quadra-Trac® On-Demand Four-Wheel-Drive (4WD) System  Authentic Jeep® Brand 4WD resides in a rear Electronic Limited-Slip Differential and a single-speed transfer case.

Selec-Track® with Launch Control  Adjust your suspension based on the way you want to feel the road below. Press a button to choose from five performance settings: Track, Sport, Auto, Snow and Tow. Press the system’s Launch Control button to optimize every possible setting for maximum acceleration off the line.

Brembo® High-Performance Brake System  Four-wheel disc antilock brakes provide important stopping power, from 60 mph in 114 ft. Massive 15.75-inch rotors with six-piston calipers in the front and 13.78-inch rotors with four-piston calipers in the rear are clad in a distinctive Yellow finish.
Jeep® Grand Cherokee puts a range of advanced powertrain options in front of you. Choose how you’d like to move forward with strength, capability and the fortitude to tow.

**6.2L Supercharged V8 engine** It powers the Grand Cherokee Trackhawk. With 707 hp under the hood and 645 lb-ft of torque, 0 – 60 mph in 3.5 seconds, and a top speed of 180 mph, it delivers a thrilling driving experience.

**Standard 8-speed automatic transmission** Moves with efficient, smooth-riding might, consistently using energy to its best advantage. You’ll feel the enhanced acceleration and appreciate the reduced fuel consumption. Increased torque adds strength to pull. On Trackhawk and SRT, you can switch to Sport Mode, and both shifts and engine power are adjusted to hand over a sportier driving experience.

**Eco Mode maximizes fuel efficiency** It automatically modifies the shift schedule and torque converter. When you activate Eco Mode, idle speed is gently lowered, allowing gains in precious mpg.

**The efficient and powerful 3.6L Pentastar® V6 engine** Meet Grand Cherokee’s standard proven performer. Its strength can pull up to 6,200 lb when properly equipped. Its economies can deliver an EPA-estimated 19 city / 26 hwy mpg
tm Engine Stop / Start (ESS) technology seamlessly and automatically shuts off the engine at full stops, then re-engages for takeoffs, resulting in a savings in fuel and lower emissions. Standard.

**The 5.7L V8 engine with powerful towing** Towing of up to 7,200 lb is earned via 360 hp, with 390 lb-ft of torque when properly equipped. Quick and responsive, this V8 workhorse also delivers efficiency gains due to the helpful Variable Valve Timing (VVT). Available.

**The 6.4L SRT® V8 engine** Here, Fuel Saver Technology is at the very core of Grand Cherokee SRT. The heart of Grand Cherokee SRT churns out 475 hp and 470 lb-ft of torque. Fuel Saver Technology optimizes efficiency when V8 power is not required, with no sacrifice in performance.

Overland® in Granite Crystal Metallic
Tow up to 7,200 lb with the Trailer Tow Group IV. It includes heavy-duty engine cooling, a Class IV hitch receiver, a four- and seven-pin wiring harness, rear load-leveling suspension and a full-size spare. Available.

on board for big trips

Tow up to 7,200 lb with the Trailer Tow Group IV. It includes heavy-duty engine cooling, a Class IV hitch receiver, a four- and seven-pin wiring harness, rear load-leveling suspension and a full-size spare. Available.
discover what drives you

Access the 7-inch reconfigurable Multi-View Display Cluster while keeping your eyes safely on the road via controls on the steering wheel. You’ll instantly scroll through a selection of vehicle data displayed on your instrument panel, including available navigation, performance stats, alerts and estimated fuel consumption. Standard.
IN TOUCH WHEREVER YOU GO

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen.

You’re always connected with Uconnect, whether in your vehicle or via the app™ on your iPhone® or Apple Watch, which allows you to lock and unlock your vehicle remotely.
COMPATIBILITY YOUR WAY

Uconnect® brings a wide range of interactive features to your vehicle and beyond through a highly intuitive communication experience.

**UCONNECT® PHONE**
Stay connected safely. Pairs a Bluetooth® phone to send and receive hands-free3 calls. Includes:
- **DO NOT DISTURB** to route incoming calls to voice mail and suppress text messages18
- **VOICE RECOGNITION** to make hands-free3 calls, listen and respond to text messages,18 record voice memos, and select media stations and navigation destinations.

**DRAG-AND-DROP MENU BAR**
We’ve made it easy to customize your Uconnect dashboard with your favorite features and services. Simply press the Uconnect icon on the main menu bar to view all of the available apps. Tap and hold any one of the icons to drag and drop into a personalized menu bar.

**SIRI® EYES FREE19**
Just say it. Use voice commands with Siri® Eyes Free19 and your connected iPhone® to create and send texts,18 make and receive calls, access directions, and play music. Available.

**ONE-STEP NAVIGATION**
Take the best route right now. Uconnect employs GPS Navigation for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command and say the complete address to get directions quickly. Available.

**4G WI-FI20 HOTSPOT**
Along the way, you can upload, download, post and search. Connects to your personal Wi-Fi20 device for fast, reliable Internet for up to eight devices within 50 ft of your vehicle. Available.
Display your favorite iPhone® apps right on your Uconnect® touchscreen. Access your iTunes® library, call anyone in your contacts list or just ask Siri™ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive. Standard.

Bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto™ and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel. Standard.
Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

Listen to your favorite playlist from your connected device, then flip to SiriusXM® Radio4 and enjoy the best commercial-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 150 channels, all at the press of a button. With the SiriusXM All Access® Package, you get every channel available on your satellite radio, and you can also listen wherever you go on your portable devices with the SiriusXM App4 which is included with your six-month trial subscription. Available.

Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favorite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link6 service are included. Available.

Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus6 service are included. Available.
SIRIUSXM GUARDIAN™ Drive worry-free with SIRIUSXM Guardian™ — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect® App.27 Includes a one-year trial. Available.

SIRIUSXM GUARDIAN® SERVICES + UCONNECT® APP 17

**SOS CALL.** In the event of an incident, push the SOS button. You’ll be connected to a SIRIUSXM Guardian® agent who will contact emergency services, provide your location and stay on the line with you until help arrives.

**AUTOMATIC SOS CALL.** An available hands-free safety service that can immediately connect you with help in the event your vehicle’s air bags deploy. Seconds after the accident, a live agent will contact you through the Uconnect® system, and alert emergency services. If you are unable to respond, it can direct emergency services to your GPS location.

**ROADSIDE ASSISTANCE CALL.** puts you in touch with an agent who can get you help while you’re out on the road.

**LOCK / UNLOCK** your car from virtually anywhere.

**START YOUR CAR REMOTELY.**24

**FLASH THE LIGHTS** and sound the horn to help find your car.

**VEHICLE FINDER.**26 allows you to locate your vehicle on a map.

**SEND & GO.**26 enables you to send destinations to your navigation system.

**THEFT ALARM NOTIFICATION.**27 Receive alerts by text, email or push notification if your vehicle’s available theft alarm is triggered.

**STOLEN VEHICLE ASSISTANCE.**28

**FAMILY DRIVE ALERTS.**29 Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle

- **BOUNDARY ALERT.** Be alerted the moment your vehicle is driven out of up to five geographic boundaries that you set
- **CURFEW ALERT.** Be alerted if your car is being driven outside of the curfew you set
- **SPEED ALERT.** Receive a notification whenever your car exceeds a speed limit you set
- **VALET ALERT.** Be alerted the moment your vehicle is driven outside of a defined radius

DRIVEUCONNECT.COM
Conveniently command your vehicle using your voice with the Jeep® Skill30 for Amazon Alexa on an Alexa-enabled device from the comfort of your home! Just ask Alexa to start / stop the engine, lock / unlock the doors, check fuel status or tire pressure and more. With available Uconnect® Navigation, you can also ask Alexa to a find a business and send the address directly to your vehicle.

Remotely voice-control your vehicle from any Google Assistant-enabled device with the Jeep Action on Google. Simply ask Google to start / stop the engine, lock / unlock the doors, check fuel status or tire pressure and more. With available Uconnect Navigation, you can also ask Google to find restaurants, gas stations and other destinations and send the addresses directly to your vehicle for added convenience.
achievement arrives with perks

Jeep Grand Cherokee fulfills the quest for head-turning style supported by authentic capability. Travel to all those places you’ve always hoped to discover by way of a luxurious legend that doubles as a powerful road warrior.
arranged to take it all in

Whether you're heading out to roam the world or taking a trip across town, Jeep® Grand Cherokee is ready to adapt, carrying passengers, cargo and pets in spacious comfort.

The fold-forward front-passenger seat adds a convenient surface that can enhance your cargo-carrying capabilities. By flipping the passenger seat forward, you're able to carry longer items. Available.

This interior rearranges to fit your needs. Each section of the 60/40 split-folding rear seat folds separately to create a customized space, including a large rear cargo area that offers up to 68.3 cu ft with the rear seat folded down. Standard.

Operate the power liftgate by pressing a button on your key fob to open Grand Cherokee's rear cargo area before you arrive at your vehicle. Fill the space with a full array of luggage, groceries and supplies when the 60/40 split-folding rear seats are folded down. Available.

Grand Cherokee Summit® Platinum Series in Velvet Red Pearl
confidence moves you ahead

With more than 70 standard and available Safety and Security features, including the ProTech II Group that delivers key complementary features grouped together, Jeep, Grand Cherokee helps you remain confident driving in all weather conditions, over all terrain. The strength of a reinforced structure adds a welcome layer between you and the outside world, with both passive and active systems working together to keep everyone safe and secure.
SAFETY & SECURITY

ProTech I STANDARD

— ParkView® Rear Back-Up Camera7 with Dynamic Grid Lines and Trailer View
— Blind Spot Monitoring8 and Rear Cross-Path Detection7 Systems
— ParkSense® Rear Park Assist System9

ProTech II AVAILABLE

— Adaptive Cruise Control with Stop10
— Parallel and Perpendicular Park Assist9
— Forward Collision Warning with Active Braking11
— LaneSense® Lane Departure Warning with Lane Keep Assist12
— Rain-Sensing Windshield Wipers
— Advanced Brake Assist
— Auto High-Beam Headlamps
**Electronic Stability Control (ESC)** A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should they detect you’re veering off your intended path. ESC coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC) sending them into action when needed. Standard.

**Adaptive Cruise Control with Stop (ACC Stop)** Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Grand Cherokee to a complete stop, without driver intervention, to help avoid a collision. Available.

**Forward Collision Warning with Active Braking (FCW+)** Sensors detect when Grand Cherokee may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing 1.5 seconds of brake assistance if the driver does not react in time. Available.

**Parallel and Perpendicular Park Assist** This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes ParkSense® Front Park Assist sensors. Available.

**LaneSense® Lane Departure Warning with Lane Keep Assist (LDW+)** Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver’s hands are off the wheel. Available.

**Rain-Sensing Windshield Wipers and Rain Brake Support** Rain showers should never be a showstopper. Front wipers activate when raindrops are detected. The smart brake system helps dry the brake rotors on wet roads. Available.

**Integrated Voice Command with Bluetooth®** Allows drivers to safely send, reply or listen to a text (not compatible with iPhone®), take or make phone calls, and request detailed information, like fuel prices, while keeping both hands on the wheel. Standard. Navigation commands available on Uconnect® 4C NAV.

**Trailer Sway Control (TSC)** Crosswinds and traffic hold no sway over you and your payload. As part of ESC, TSC helps keep you and the toys you tow safely on course. Standard.

**Sentry Key® Engine Immobilizer** A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee safely where you parked it. Standard.

**A Secure Air Bag System** Your need for security is fully respected with Grand Cherokee’s all-around air bag system. Full-length side-curtain, seat-mounted side thorax, and advanced multistage front and driver inflatable knee bolster air bags all work together to help provide protection. Standard.

**Chassis Strength** Maintain peace of mind with this strong safety cage constructed with 65 percent high-strength steel. Standard.
Grand Cherokee Summit® The very pinnacle of the lineup arrives with premium luxuries in place and primed to deliver a supreme driving experience. It arrives with a full complement of comforts and technology, including an interior saturated with premium leather trim, from the heated first- and second-row seats to the instrument panel and armrests adorned with real open-pore wood inserts. A Uconnect® 4C NAV with a large 8.4-inch full-color touchscreen and a Harman Kardon® Premium Audio System with 19 speakers keep you connected and entertained.

**Brake System** — Power, single-rate, tandem diaphragm vacuuming, Antilock Brake System

- Front: 3.6L V6, 13 x 1.3 vented disc
- 5.7L V8, 13.8 x 1.3
- SRT (standard), 15 x 1.34 vented disc with Brembo® 6-piston caliper (standard)
- 15 x 1.34 flat disc performance rotor, directionally slotted with Brembo® 6-piston caliper (available)
- Trackhawk, 15.75 x 1.42 flat disc performance rotor, directionally slotted with Brembo® 6 x 40 6-piston fixed caliper

**Suspension** — Front: short- and long-arm (SLA) independent, coil springs, gas-charged, twin-tube coil-over shock absorbers, steel upper and aluminum lower control arms (“A” arms), aluminum knuckle, and hollow stabilizer bar. Rear: multi-link rear suspension, coil spring, Bilstein® Adaptive Damping Suspension (ADS), aluminum lower control arm, independent upper links (tension and camber) plus a separate toe link, and hollow stabilizer bar

**SRT® / TRACKHAWK®** — Front: SRT independent with aluminum lower control arm, aluminum knuckle, aluminum clevis, coil springs, Bilstein® ADS, upper and lower control arms (“A” arms) and hollow stabilizer bar. Rear: multi-link rear suspension, coil spring, Bilstein ADS, aluminum lower control arm, independent upper links (tension and camber) plus a separate toe link, and hollow stabilizer bar

**Steering** — Electric rack and pinion, SRT tuned on SRT and Trackhawk®

| Overall Ratio | 17.9:1 (V6 4x2), 16.7:1 (all others) |
| Turn, lock-to-lock | 3.4 (V6 4x2), 3.2 (all others) |
| Turning Diameter (FT) | 37.1 |

**Body Design** — Uniframe construction: body panels and frame members welded and bonded into a single unit

**Electronic Stability Control** — 4-channel, 4-wheel antilock with active wheel-speed, speed-vehicle, steering-wheel angle, yaw-rate and lateral-acceleration sensors, vehicle stability management with 2-stage activation switch, All-Speed Traction Control, Brake Assist, Electronic Roll Mitigation and Electronic Brake-Force Distribution

**Fuel Saver Technology** — Deactivates 4 cylinders during steady-speed cruising, low acceleration or shallow-grade climbing conditions (5.7L and 6.4L)

**Variable Valve Timing** — Increases engine breathing by varying the degree the valves open and close in conjunction with the piston position, resulting in better performance, more efficient operation and increased torque for towing and hauling (3.6L and 5.7L)

**Transmission** — Driver-interactive manual control via steering-wheel paddle shifters and electronically modulated torque converter clutch with Eco Mode (standard)

**Suspension (ADS), aluminum lower control arm, independent upper links (tension and camber) plus a separate toe link, and hollow stabilizer bar

When it comes to Grand Cherokee, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep® Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at mopar.com
exclusive benefits
for every Jeep Grand Cherokee owner

All 2021 Grand Cherokee vehicles are automatically enrolled in the Jeep Wave® Customer Care Program. It’s a program designed to provide Jeep® Brand vehicle owners with dedicated 24/7 owner support and a special package of benefits designed to enhance their ownership experience and thank them for their patronage. Visit JEEP.COM/WAVE for more details.
THE JEEP® BRAND IS PROUD TO OFFER SOME OF THE BEST OWNERSHIP SUPPORT PROGRAMS AVAILABLE ANYWHERE.

WARRANTIES
Jeep® Brand vehicles are covered by a 3-Year / 36,000-Mile Basic Limited Warranty (excludes normal maintenance and wear items), as well as a 5-Year / 60,000-Mile Powertrain Limited Warranty that is fully transferable. See your dealer for complete details and a copy of the 5-Year / 60,000-Mile Powertrain Limited Warranty.

MOPAR® VEHICLE PROTECTION PLANS
A variety of Protection Plans accepted at all FCA US LLC dealerships have been designed to meet the needs of your unique lifestyle on the road. We stand behind every extended protection plan with certified, factory-trained technicians and the use of original equipment parts. Ask for a Mopar Vehicle Protection Plan at your dealership, call (800) 442-2666 or visit mopar.com.

DRIVEABILITY PROGRAM
The FCA US LLC DriveAbility Program provides aftermarket reimbursement incentives on adaptive vehicle upfit equipment to help provide safe and reliable vehicle modifications, enhancing accessibility for all people. For more information, call (800) 255-9877 or visit fcausdriveability.com.

MOPAR® OWNER’S SITE & COMPANION APP
Get all of the resources you need to make owning your Jeep® Brand vehicle the best experience possible. Schedule service directly with your preferred dealer, create a custom online dashboard tailored to you and your vehicle, and access personalized resources, including your Owner’s Manual, Vehicle Health Report, special offers and more — anytime, anywhere. Register your vehicle at mopar.com or download the Mopar® Owner’s Companion App today.

JEEP® DRIVEPLUS™ MASTERCARD®
Apply today for a Jeep® DrivePlus Mastercard® and, upon approval, start earning 5% back on Jeep dealership purchases, 2% back on gas and travel purchases, and 1% back on purchases everywhere else. Redeem your rewards toward your next service or your next Jeep purchase. Go to drivepluscard.com or visit a participating dealer to learn more.
Delve deeper into the Jeep Life with an expansive array of social media, shopping, owner resources and one-of-a-kind events. Start your adventure today at jeep.com
