The all-new EV6. Live fully charged.
Inspiration doesn’t strike at rest. It’s born in motion, with eyes wide open to new possibilities. Movement wakes us up and inspires unprecedented thinking. At Kia, this is what drives our relentless mission to keep pushing, innovating, and perfecting our vehicles to be more than a means of transportation, but machines for inspiration. In this spirit, we created the all-new EV6.

Kia’s industry-leading warranty program

10-Year/100,000-Mile Limited Powertrain Warranty
5-Year/60,000-Mile Limited Basic Warranty
5-Year/100,000-Mile Limited Anti-Perforation Warranty
5-Year/60,000-Mile 24-Hour Roadside Assistance
10-Year/100,000-Mile Electric Vehicle (EV) Powertrain Warranty

1 See inside back cover for restrictions. Cover and back page: GT-Line e-AWD shown. Right page: Wind shown.
Exciting, capable, and undeniably stunning, EV6 delivers all the qualities you’ve been waiting for to inspire a new, all-electric lifestyle — incredibly long range, lightning-fast charging, jaw-dropping performance, bona fide CUV versatility, including available e-AWD, flexible cargo space, and inventive features that open the door to a new world of unlimited possibility.

Inspiration, electrified.
Overexcitement, justified.
Unleashing far-out possibilities.

Up to 310 miles of all-electric range**
on a single charge — more than most EVs in its class† — comes courtesy of EV6’s available state-of-the-art, high-density 77.4 kWh battery,* which is protected by our 10-year/100,000-mile EV powertrain warranty.¹

Ultrafast DC charging†
with the standard 800V charging system lets you recharge the battery from 10% to 80% in just 18 minutes, adding up to 217 miles in range.

Onboard power generator*
transforms EV6 into a portable power generator for camping equipment, appliances, electric bikes, computers, and more.

Cold-weather features*
include an available, advanced heat pump designed to preserve the battery’s capacity in cold weather. Available e-AWD enhances all-weather capability. And features like heated front seats, available heated rear seats, and heated steering wheel provide added comfort."
Infinite exhilaration.

True CUV capability with EV6's powerful available dual-motor e-AWD system,*† engineered for acceleration and all-weather grip. Plus 2,300 lbs. of towing capacity* for added adventure-readiness.

e-AWD*†

A Remarkable
320 Horsepower*

Outstanding
446 lb.-ft. of Torque*

0-60 MPH in
4.6 Seconds**

Exceptional performance and handling make every drive electrifying. EV6's available dual-motor EV drivetrain with e-AWD* delivers 320 hp, 446 lb.-ft. of torque,† and a 0-60 time of 4.6 seconds.** Multiple drive modes let you customize your drive experience. And EV6's wide track and low center of gravity provide great handling through every twist and turn.

*Optional features available only on certain trims. See Features page for availability. †No system, no matter how advanced, can compensate for all driver errors and/or driving conditions. Always drive safely. ‡See inside back cover for endnotes. GT-Line e-AWD shown.
Innovations in space.

All-new Electric-Global Modular Platform (e-GMP) features a 114.2-inch wheelbase for a wide stance, along with an intelligent, flat battery design under the floor to maximize interior room — making EV6 an impressively spacious five-passenger crossover.

Innovative interior incorporates design elements such as natural, high-quality leather alternatives,* and front seats constructed of ultrathin, high-strength GigaSteel to provide comfort while increasing rear-passenger knee room.

Versatile cargo design includes 50.2 cubic feet of cargo space† with the flat-folding rear seats down, a hands-free Smart Power Liftgate* for easy access, and a large, bi-level center console sized for holding laptops, purses, and more.

*Optional features available only on certain trims. See Features page for availability. †All cargo should be evenly distributed, properly secured, and never piled higher than the seatback. GT-Line x-AER shown.
Active sound design technology allows the driver to select various engine sounds such as "Stylish," "Dynamic," and "Cyber" to match the drive mode, and even adjust the volume and sensitivity for a fun and focused driving experience.

Charging network integration connects you with 40,000+ charging stations throughout the US — including 400V DC fast chargers and higher — guiding you to the nearest charger along your route via the Navigation system.

Augmented Reality Head-Up Display is Kia’s groundbreaking new feature that projects three-dimensional images onto the windshield in your line of sight to display turn-by-turn navigation instructions, lane safety information, and more — helping to keep your eyes focused on the road ahead.

14-speaker Meridian Premium Audio System — a favorite of music lovers — features the legendary audio company’s proprietary digital signal processing technologies for a truly immersive, authentic surround-sound experience.

Dual Panoramic 12.3-inch screens provide a combined 24.6 inches of stunning, high-definition display of key info like battery status, range, nearby charging stations, and infotainment functions.

24.6" of Curved-Screen Display.

*Optional features available only on certain trims. See Features page for availability. See inside back cover for endnotes. GT-Line e-AWD shown.
Kia Connect™
Kia Connect™ is Kia’s available smart connectivity system that integrates with your compatible smartphone, smart speaker, and compatible Android™* and iOS smartwatches via an embedded modem to perform convenient, helpful tasks, such as allowing you to remotely start/stop charging.¹²

Remote Start with Climate Control¹²
Remote Start with Climate Control¹² works with the Kia Access™ app to let you remotely start the engine and turn on the AC/heat from outside the vehicle to pre-heat or pre-cool the cabin, giving you a head start on the day.

Kia Skill
Kia Skill allows you to pair a nearby Amazon Alexa¹³- or Google Assistant¹¹-enabled device to remotely control some functions (such as Remote Start¹²) using just your voice.

Connected routing* uses real-time and historical traffic data to help determine the most efficient route to your requested destination, and can even show some speed cameras along the route.

Go to owners.kia.com or download the Kia Access app to activate Kia Connect™.

*Features available only on certain trims. See Features page for availability.
¹¹See inside back cover for endnotes.
¹²GT-Line e-AWD shown.
¹³Remote Start available only on certain trims. See Features page for availability.
Advanced parking intelligence.

Surround View Monitor with 3D View uses four cameras to provide a 360-degree aerial view surrounding your vehicle while parking. It will automatically display on your screen when you shift into reverse — or, you can push a button to activate it while slowly pulling forward out of a parking space to assist you with merging into traffic.

Rear Collision-Avoidance Assist features include Rear Cross-Traffic Collision-Avoidance Assist, which can help alert you to traffic approaching from either side when you’re in reverse, and can even automatically apply the brakes; and Reverse Parking Collision-Avoidance Assist, which can help prevent collisions with pedestrians or objects behind you when you’re in reverse at low speeds.

Kia Drive Wise is a suite of numerous standard driver-assistance technologies that are designed to help keep you aware of surrounding traffic and even intervene in certain situations to help you avoid collisions. It also offers state-of-the-art convenience features such as Remote Smart Parking Assist, which lets you remotely command your EV6 to pull in or out of a parking space for better accessibility.

*Optional features available only on certain trims. See Features page for availability. 14, 15 See inside back cover for endnotes.
Master the lane game.

Forward Collision-Avoidance Assist* is engineered to alert you and, in some cases, apply automatic emergency braking and Evasive Steering Assist* when the system detects a potential forward collision with a vehicle, pedestrian, or cyclist — with added functions like Junction Turning* and Junction Crossing* that can even help detect and react to vehicles when crossing or turning left at an intersection.

Lane Assist features* include Lane Following Assist*, Lane Keeping Assist*, and Oncoming Lane Change* which are designed to provide automatic steering assistance to help keep you centered in your lane, help prevent drifting, and help avoid collisions with oncoming vehicles when changing lanes.

Semi-autonomous speed-adjusting technologies* include Highway Driving Assist* and Navigation-based Smart Cruise Control with Machine Learning* which are designed to assist in maintaining a set distance from the vehicle in front, and even help adjust to upcoming curves detected on selected federal highways.

Blind-Spot Collision-Avoidance features* include Blind-Spot Collision-Avoidance Assist* designed to alert and apply corrective braking if needed to help prevent hazardous lane-change decisions; and Blind-Spot View Monitor*, which displays a view of your blind spot in the direction of your turn signal to help you when changing lanes.

*Optional features available only on certain trims. See Features page for availability.

### Features

#### Mechanical
- **58 kWh lithium-ion polymer high-voltage battery** — ● ● ●
- **77 kW lithium-ion polymer high-voltage battery** — ● ● ●
- **Liquid Temperature Regulation** — high-voltage battery — ● ● ●
- **e-AWD (electric all-wheel drive)** — ● ● ●
- **Powerful drive w/brake & passenger auto up/down** — ● ● ●
- **Alloy pedals** — ● ● ●
- **Paddle shifters for Regenerative Braking Control** — ● ● ●
- **Bi-level center console w/low front storage tray** — ● ● ●
- **Artificial leather steering wheel** — ● ● ●
- **Heated steering wheel** — ● ● ●
- **Fabric & vegan leather seating surfaces** — ● ● ●
- **Vegan leather seating surfaces** — ● ● ●
- **Heated rear seats** — ● ● ●
- **GT-Line design front & rear fascia,**
  **Black wheel arch moldings & door sill trim** — ● ● ●
- **20-in. aero-style 5-spoke alloy wheels** — ● ● ●
- **19-in. aero-style 5-spoke alloy wheels** — ● ● ●
- **Smart Regeneration System** — 4-wheel disc brakes — ● ● ●
- **Electronic Stability Control** — ● ● ●
- **Anti-lock Braking System** — ● ● ●
- **Driver’s knee airbag** — ● ● ●
- **Dual front advanced airbags** — ● ● ●
- **Full-length side curtain airbags** — ● ● ●
- **Driver’s knee airbag** — ● ● ●
- **Anti-lock Braking System** — ● ● ●
- **Traction Control System** — ● ● ●
- **Electronic Stability Control** — ● ● ●
- **Hi-start Assist Control** — ● ● ●
- **Tire-Pressure Monitoring System** — ● ● ●

#### Exterior
- **LED headlights & Daytime Running Lights** — ● ● ●
- **LED rear combination tail lights** — ● ● ●
- **Flush-mounted outside door handles** — —
- **Automatic flush-mounted outside door handles** — —
- **Dial-type Shift-by-Wire gear selector** — ● ● ●
- **MacPherson front strut & 5-point multi-link rear suspension** — ● ● ●
- **12.8 in. x 0.5 in. brake rotors** — ● ● ●
- **Smart Regeneration System** — 4-wheel disc brakes — ● ● ●
- **Exterior Heat pump HVAC system** — ● ● ●

#### Kia Drive Wise™
- **Forward Collision-Avoidance Assist** w/Pedestrian & Cyclist Detection — ● ● ●
- **Lane Departure Warning** — ● ● ●
- **Lane Keep Assist** — ● ● ●
- **Blind-Spot View Monitor** — ● ● ●
- **Forward Cross-Traffic Collision-Avoidance Assist** — ● ● ●
- **Blind-Spot Collision-Avoidance Assist** — ● ● ●
- **Rear Cross-Traffic Collision-Avoidance Assist** — ● ● ●
- **Parking Distance Warning** — Rear — ● ● ●
- **Remote Smart Parking Assist** — ● ● ●
- **Navigation-based Smart Cruise Control w/Stop & Go** — ● ● ●
- **Safe Exit Assist** — ● ● ●
- **Safe Lane Change Assist** — ● ● ●
- **Safe Exit Assist** — ● ● ●
- **Rear Seat Occupant Alert** — ● ● ●
- **Surround View Monitor** — ● ● ●
- **Apple CarPlay™** — ● ● ●
- **Android Auto™** — ● ● ●
- **Wireless phone charger™** — ● ● ●

#### Interior
- **Blue light filter for displays** — ● ● ●
- **Curved front information display w/12.3-in. TFT gauge cluster & 12.3-in. touch-screen Navigation** — ● ● ●
- **14-speaker Meridian™ Premium Audio System** — ● ● ●
- **6-speaker audio system** — —
- **Bi-level center console w/lower front storage tray** — ● ● ●
- **Paddle shifters for Regenerative Braking Control** — ● ● ●
- **Bi-level center console w/low front storage tray** — ● ● ●
- **Artificial leather steering wheel** — ● ● ●
- **Heated steering wheel** — ● ● ●
- **Fabric & vegan leather seating surfaces** — ● ● ●
- **Vegan leather seating surfaces** — ● ● ●
- **Heated rear seats** — ● ● ●
- **GT-Line design front & rear fascia,**
  **wheel arch moldings & door sill trim** — ● ● ●
- **Wide sunroof** — ● ● ●

#### Kia Drive Wise™
- **Forward Collision-Avoidance Assist** w/Pedestrian & Cyclist Detection — ● ● ●
- **Forward Collision-Avoidance Assist** w/Oncoming Lane Change, Junction Turning, Junction Crossing, & Evasive Steering Assist — ● ● ●
- **Blind-Spot View Monitor** — ● ● ●
- **Rear Cross-Traffic Collision-Avoidance Assist** — ● ● ●
- **Parking Distance Warning** — Rear — ● ● ●
- **Remote Smart Parking Assist** — ● ● ●
- **Navigation-based Smart Cruise Control w/Stop & Go** — ● ● ●
- **Highway Driving Assist** — ● ● ●
- **Safe Exit Assist** — ● ● ●
- **Safe Lane Change Assist** — ● ● ●
- **Rear Seat Occupant Alert** — ● ● ●
- **Surround View Monitor** — ● ● ●
- **Apple CarPlay™** — ● ● ●
- **Android Auto™** — ● ● ●
- **Wireless phone charger™** — ● ● ●

### Specifications

#### Exterior capacities/measurements
- **Light Wind GT-Line**
- **Length**
  - Light: 184.8 in.

**Endnotes**

1. Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details.
2. Based on EPA estimates on a full battery charge. Actual range will vary with options, driving conditions, driving habits, vehicle maintenance, charging practice, battery age, weather, temperature, and your vehicle’s condition. Battery capacity will decrease with time and use. For more information on range, please see www.kia.com/electric.
3. With the 714 kWh battery, vehicle can charge to approximately 80% range using a 350kW DC fast charger. Charging time will vary. Fast charging impacts battery durability.
4. Comparison based on EPA segment, mainstream EV SUV/CUV class using manufacturer-supplied information as of November 2022. May vary depending on options, additional equipment, and vehicle condition. Verification of these results should not be attempted. Always drive safely and obey all traffic laws.
5. Detached driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation.
6. Navigation is for information purposes only and Kia does not make any warranties about the accuracy of the information.
7. Meridian is a trademark of Meridian-Audio Limited.
8. Part time/lease of certain 2022 and newer Kia vehicles with Kia Connect includes a complimentary 1-year subscription to the Kia Connect Ultimate package, starting from new vehicle retail sales date as recorded by the dealer. After your complimentary 1-year Kia Connect subscription expires, continued access to the full suite of Kia Connect services available on your Kia will require a paid subscription at the then-current subscription rate on your use of certain Kia Connect features may be immediately terminated. Use of Kia Connect is subject to agreement to the Kia Connect Privacy Policy available at owners.kia.com/us/en/privacy-policy.html and Terms of Service (available at owners.kia.com/us/en/terms-of-service.html). Kia Connect is transferable to subsequent owner during the original Kia Connect service term. Only use Kia Connect when safe to do so. Kia Access app is available from the Apple App Store or Google Play. Kia America, Inc. reserves the right to change or discontinue Kia Connect at any time without prior notification or incurring any future obligation. Message and data rates may apply. Cellular and GPS coverage are required to use most features. Kia Connect features may vary by model, model year, and trim level. Features, specifications, and fees are subject to change. Kia Connect may be currently unavailable for model year 2022 and newer vehicles sold in Delaware or Florida; please see owners.kia.com for updates on availability. For more on details and instructions, visit kia.com or your authorized Kia dealer. A Kia Access app is available from the Apple App Store or Google Play. Android devices are sold separately and require a Wi-Fi internet connection.
9. Certain features require a Kia Connect subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. If any door or hatch is not closed properly, the remote lock and unlock functions will not work.
10. Amazon Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. These features are not substitutes for safe driving and may not detect all objects surrounding vehicle. Always drive safely and use caution.
11. Android Auto is an operating system provided by Google Inc. and other related logos are trademarks of Google LLC. To use Android Auto on your car display, you’ll need an Android phone running Android 6.0 or higher, an active data plan, and the Android Auto app. 12. Remote features require a Kia Connect subscription, a compatible smartphone, and a wireless signal with good coverage to function. Normal cellular service rates may apply. If any door or hatch is not closed properly, the remote lock and unlock functions will not work.
13. In some device combinations, certain software may operate independently of Kia Connect. Kia and the Kia logo are trademarks of Kia Motors Corporation. Kia Connect is a trademark of Kia Motors Corporation.
14. Apple, the Apple logo, App Store, Apple CarPlay, Apple Watch, and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Used with permission. 15. Adaptive Cruise Control is part of Kia Connect Ultimate. It functions on certain federal highways. 16. This system is not a substitute for one’s attention. Always check the vehicle interior and exterior before entering the vehicle.
17. For maximum protection, always use your seat belt. No system, no matter how advanced, can compensate for all driver errors, driving conditions, and/or injury.
