MADE FOR SAN FRANCISCO AND URBAN STREETS ACROSS THE U.S.A.

GIVE IT EVERYTHING

KIA

TURBOCHARGE

EVERY DAY.

2021 K5.

MADE FOR SAN FRANCISCO AND URBAN STREETS ACROSS THE U.S.A.

Part #: UT210PM001
The way we see it, no one ever said, give it a bit. No one ever said, give it less. The world was not built by half-measures, or the half-hearted. So we say, Give It Everything. Here’s to going all in as you go all out. Embracing all that’s possible, now and tomorrow. With more heart, more vision, and more purpose. Whether you’re building a car, or building a life. For those who share this unwavering spirit, we created the first-ever 2021 K5. Designed to fuel your passion to take on the day.
Commanding, sleek, and sporty, the all-new 2021 K5 is made to go bold in every way. With a choice of two turbocharged engines and available features like a sport-tuned suspension* for higher performance. Available all-wheel drive† for all-weather confidence. Advanced driver-assistance technologies*† for extra help when you need it. And striking exterior details to make your presence known on any road.

*Optional feature available only on certain trims. See Features page for availability. †No system, no matter how advanced, can compensate for all driver errors and/or driving conditions. Always drive safely. †See inside back cover for endnote. GT-LINE AWD SHOWN (Available Fall 2020)
Aim higher every day. At Kia, this is what we mean by Give It Everything, and we celebrate others who share this spirit. Sammy Mason is the perfect example. Born into a multi-generational family of pilots, Sammy inherited a love of adrenaline and high-performance — along with an unstoppable drive to shatter his own limits. He began flying gliders at age 13, soloed in a glider at 14, and by 16, he became the youngest airshow pilot in the world. “I worked so hard for it — it wasn’t natural,” he says.

Practicing nearly every day, Sammy became the youngest member of the U.S. Advanced Aerobatic Team at 19. And at 25, he faced his fears — undergoing intense, underwater escape training — to fulfill his ultimate dream of becoming the youngest pilot ever to join the elite Red Bull Air Race circuit. Today, Sammy continues to push beyond his limits, winning multiple gold medals. “It’s my passion,” he says.

“WHEN I GET IN THE AIRPLANE, I FEEL LIKE I’M STRAPPING THE AIRPLANE ONTO ME INSTEAD OF ME TO IT. IT’S PART OF ME.”
— SAMMY MASON

NEVER STOP RAISING YOUR GAME.

GO FARTHER, PUSH HARDER, AND WHEREVER YOU’RE HEADING, LET THE DYNAMIC PERFORMANCE OF K5 KEEP YOUR ADRENALINE PUMPING ON THE ROAD TO GET THERE.
For high-performance thrills, K5’s GT trim features a powerful 2.5L turbocharged engine, which unleashes 290 HP and 311 lb.-ft. of torque through an 8-speed Dual-Clutch Transmission, plus offers a sport-tuned suspension and larger disc brakes with GT calipers.

*Optional feature available only on certain trims. See Features page for availability. †No system, no matter how advanced, can compensate for all driver errors and/or driving conditions. Always drive safely. GT WITH GT1 PACKAGE SHOWN (Available Fall 2020)
CONQUER THE ROAD WITH CONFIDENCE.

FROM RAIN-SOAKED CITY STREETS TO SLICK CANYON ROADS, A LITTLE WEATHER WON'T STAND IN YOUR WAY WITH THESE AVAILABLE ACTIVE SAFETY AND COMFORT FEATURES.

ALL-WHEEL DRIVE*†
is available on the LXS and GT-Line trims and is designed to enhance traction and capability in less-than-ideal conditions.

TRACTION & STABILITY CONTROL features include Traction Control System†, Electronic Stability Control† and Vehicle Stability Management†, which are designed to give you greater peace of mind on some slippery roads.

ALL-WHEEL DRIVE*† is available on the LXS and GT-Line trims and is designed to enhance traction and capability in less-than-ideal conditions.

REMOTE START WITH CLIMATE CONTROL² VIA UVO LINK*** allows you to preheat or precool the cabin before you get to your car.

HEATED AMENITIES* include heated front seats** and a heated steering wheel** for extra warmth, plus heated side mirrors to help tackle frost and fog.

*Optional feature available only on certain trims. See Features page for availability. 2–4 See inside back cover for endnotes.
†No system, no matter how advanced, can compensate for all driver errors and/or driving conditions. Always drive safely. GT-LINE AWD SHOWN (Available Fall 2020)
KIA DRIVE WISE is a suite of standard and available advanced driver-assistance technologies that are designed to help keep you alert, aware of surrounding traffic, and even intervene in certain situations to help you avoid collisions. Using cameras, radar, and sensors, Kia Drive Wise includes braking technologies, maneuvering technologies, and more. You can learn about each of these impressive features on the following pages.

Create a Wiser Way.

We can all use a little extra help out there, so we engineered K5 with the latest advanced driver-assistance technologies. Many of which come standard on every trim! We call these features Kia Drive Wise because they help you drive smarter amidst everyday challenges.

“WHEN YOU’RE PURSUING A GOAL, PEOPLE ALWAYS TELL YOU THREE COMMON THINGS: PERSEVERANCE, WILLINGNESS TO FAIL, COURAGE…. BUT FOR ME IT WAS ALL ABOUT INNOVATION. DEVELOPING INNOVATIVE SOLUTIONS FOR DAILY SAFETY PROBLEMS IN AEROSPACE AND CONSTRUCTION.”

— CALEB CARR

Never stop striving. At Kia, we work tirelessly to bring the latest life-changing innovations in technology to our products, and Caleb Carr is driven by the same mission. His company, Vita Inclinata® is committed to “developing technology to save lives,” with a device that helps increase the success rate of helicopter rescues. The autonomous device, called the Load Stability System (LSS®), uses motion sensors and high-performance electric ducted fans to prevent the rescue basket from spinning out of control while hoisting victims in adverse conditions.

The long journey to creating the LSS® is personal for Caleb. As a teen volunteer with a local search-and-rescue, Caleb watched an individual die on a mountain because a helicopter was unable to airlift them due to the swinging of the basket. Caleb never forgot, and vowed to find a way to fix the issue. Persevering through 10 years of trial and error, he has done just that.
STOP SMARTER.

REAR CROSS-TRAFFIC COLLISION-AVOIDANCE ASSIST** DW uses visual and audible alerts that can help warn of traffic coming from either side when you’re in reverse, and can even automatically apply the brakes to help you avoid collisions.

FORWARD COLLISION-AVOIDANCE ASSIST WITH PEDESTRIAN DETECTION* DW can give visual and audible alerts and even automatically apply the brakes when the system detects a potential forward collision with a vehicle or person in front of you.

FORWARD COLLISION-AVOIDANCE ASSIST WITH CYCLIST DETECTION AND JUNCTION TURNING** DW adds cyclist detection to the feature described above, and is also designed to detect oncoming vehicles in certain situations like making a left turn at an intersection.

THESE STANDARD AND AVAILABLE ADVANCED FEATURES ARE DESIGNED WITH URBAN DRIVING IN MIND, ENHANCING YOUR ABILITY TO REACT TO PEDESTRIANS, CYCLISTS, AND VEHICLES IN YOUR PATH.*

*Optional feature available only on certain trims. See Features page for availability. 1 See inside back cover for endnote. GT WITH GT1 PACKAGE SHOWN (Available Fall 2020)**
THESE STANDARD AND AVAILABLE ADVANCED FEATURES CAN HELP KEEP YOU ON COURSE AMIDST EVERYDAY CHALLENGES SUCH AS VEHICLES IN YOUR BLIND SPOT, CHANGING LANES IN TRAFFIC, AND MORE.

SMART CRUISE CONTROL WITH STOP & GO** DW
is engineered to help maintain a safe distance from the vehicle detected in front, by adjusting your driving speed, and in some cases, completely stopping and resuming again.

NAVIGATION-BASED SMART CRUISE CONTROL — CURVE** DW
can adapt to changing speed limits and upcoming curves that it detects through the available Navigation system**

HIGHWAY DRIVING ASSIST** DW
works with Smart Cruise Control** and is designed to adjust to the speed limit of selected controlled-access roads detected through the available Navigation system**

BLIND-SPOT COLLISION-AVOIDANCE ASSIST** DW
is designed to help alert you to vehicles in your blind spot, and can even apply corrective braking to help you avoid some hazardous lane-change decisions.

DRIVER ATTENTION WARNING WITH LEADING VEHICLE DEPARTURE ALERT* DW
is designed to give you a warning signal to take a break if it detects inattentive driving practices, and also alert you when the vehicle ahead pulls away from a standstill.

LANE KEEPING ASSIST* DW
can help alert you if it detects the vehicle getting close to visible lane markers, and apply corrective steering to help prevent you from drifting out of your marked lane.

HIGH BEAM ASSIST* DW
is engineered to automatically dim the headlights when the system detects an oncoming or leading vehicle, then return to high beams when vehicles are no longer detected.

BLIND-SPOT COLLISION-AVOIDANCE ASSIST* DW
is designed to help alert you to vehicles in your blind spot, and can even apply corrective braking to help you avoid some hazardous lane-change decisions.

THESE STANDARD AND AVAILABLE ADVANCED FEATURES CAN HELP KEEP YOU ON COURSE AMIDST EVERYDAY CHALLENGES SUCH AS VEHICLES IN YOUR BLIND SPOT, CHANGING LANES IN TRAFFIC, AND MORE.

*Optional feature available only on certain trims. See Features page for availability. 1, 5-7 See inside back cover for endnotes. GT WITH GT1 PACKAGE SHOWN (Available Fall 2020)
MASTER EVERYDAY CHALLENGES.

THESE KIA DRIVE WISE FEATURES ARE DESIGNED TO MAKE EVERYDAY DRIVING EASIER WITH GUIDANCE, ALERTS, AND ACTIVE FUNCTIONS TO HELP YOU AVOID POTENTIAL HAZARDS.

PARKING DISTANCE WARNING — REVERSE** DW can give visual and audible warnings if it detects certain objects close to the rear of your vehicle when you’re in reverse.

PARKING COLLISION-AVOIDANCE ASSIST — REVERSE** DW is designed to enhance the above feature by adding the ability to apply the brakes when it detects an object or person close behind your vehicle.

REAR VIEW MONITOR WITH PARKING GUIDANCE† DW uses the large center screen to help you see what’s behind your vehicle, and includes guidelines that adjust to follow the direction you’re turning.

SAFE EXIT ASSIST† DW can alert driver and passengers to potential hazards approaching from behind when exiting the vehicle, and has an available active locking feature* that can automatically activate the power child locks until the hazard has passed.

REAR OCCUPANT ALERT* is designed to display a reminder message on the dashboard to check the rear seat for occupants at the end of your drive.

*Optional feature available only on certain trims. See Features page for availability. 1, 8 See inside back cover for endnotes. Simulated screen shown. EX WITH PREMIUM PACKAGE SHOWN.
MAKE YOUR OWN WAY.

WE ALL DESERVE BEAUTIFUL AND HEALTHY SPACES, WITHIN INDIVIDUAL BUILDINGS AND ACROSS COMMUNITIES. GOOD DESIGN CAN BE TRANSFORMATIVE AND SHAPE AN ENVIRONMENT OF BELONGING, WARMTH, AND COMFORT.  
— DANA MCKINNEY

Design to inspire. We crafted K5’s cabin to be an empowering, comfortable environment to help you pursue new possibilities, and Dana McKinney shares the same vision in what she creates. As an architect and urban planner, Dana is committed to putting the power of architecture to work for those who need it most.

An outspoken advocate for social justice through design, she’s passionate about integrating wellness, policy, and economics into innovative structures and spaces to benefit vulnerable populations such as older adults, the formerly incarcerated, and those experiencing homelessness. “I want to make beautiful spaces and buildings, but for all people, not just the wealthy,” she says. “It’s really important that architecture and urban planning are not mutually exclusive.”

*Optional features shown available only on certain trims. See Features page for availability. Simulated screen shown. GT-LINE AWD SPECIAL EDITION SHOWN (Available Fall 2020).
VEHICLE CONTROL VIA VOICE**
with Natural Language Understanding
lets you speak casually to control a
variety of features by giving simple
requests such as “turn on the A/C” or
“turn on the seat heater”*

10.25” TOUCH SCREEN WITH
NAVIGATION SYSTEM**
features high-resolution graphics and
split-screen mode

SMART KEY*
allows you to lock/unlock the vehicle,
start the engine, and open the Smart
Trunk* — all without taking the Smart
Key* out of your pocket or bag

REMOTE ENGINE START**
lets you start the engine and
automatically set the cabin temperature
to 72°F from outside the vehicle by
pushing a button on the Smart Key*

LEATHER-WRAPPED
D-SHAPED STEERING WHEEL
WITH PADDLE SHIFTERS*
and a leather-wrapped shifter* enhance
the sporty feel of the GT’s cockpit

ELECTRONIC PARKING BRAKE
includes an Auto-Hold function for use
while driving, which is designed to help
prevent rolling when stopped in traffic
or on an incline

THE DRIVER-CENTRIC COCKPIT PUTS
YOU IN CONTROL WITH THESE PREMIUM
STANDARD AND AVAILABLE FEATURES.

*Optional feature available only on certain trims. See Features page for availability. 2, 4, 5 See
inside back cover for endnotes. Simulated screen shown. EX WITH PREMIUM PACKAGE SHOWN

### FEATURES

#### MECHANICAL & EXTERIOR
- 1.6L Turbo 4-cylinder engine
- 2.5L Turbo 4-cylinder engine
- 8-speed Automatic Transmission
- 8-speed Dual-Clutch Transmission (w/paddle shifters)
- All-wheel drive
- Sport-tuned suspension
- GT performance brakes
- Quad-tip dual exhaust
- 16” alloy wheels
- 18” alloy wheels
- 19” alloy wheels
- Drive Mode Select
- Panoramic sunroof
- LED interior lighting
- LED reflektor headlights
- LED projector headlights
- LED fog lights
- LED combination tail lights
- Gloss black rear spoiler

#### INTERIOR & CONVENIENCE
- 8” touch screen w/Bluetooth®
- 6-speaker AM/FM/HD radio audio system
- Apple CarPlay® & Android Auto®
- UVO link®/SiriusXM®
- 10.25” touch screen w/multi-phone Bluetooth®
- Navigation
- 12-speaker Bose® premium audio system
- USB charging port (front tray)
- Rear USB charging ports (x2)
- 4.2” color supervision meter cluster
- Smart Key w/Push Button Start
- Remote Engine Start® (key fob)
- Smart Trunk (open)
- Wireless smartphone charger®
- Electronic Parking Brake
- Heated steering wheel
- Dual Zone — Full Automatic Temperature Control
- Rear Occupant Alert®

### KIA DRIVE WISE®

#### SEATING & TRIM
- Cloth seat trim
- Cloth & leatherette seat trim
- Leatherette seat trim
- Sport bucket seats
- 10-way power-adjustable driver’s seat
- 10-way power-adjustable front passenger seat
