2011 Mariner + Mariner Hybrid
The new 2011 Mariner lineup, featuring America’s most fuel-efficient SUV.¹

34 mpg city¹ for Mariner Hybrid. (28 mpg hwy² for Mariner.)

¹EPA-estimated 34 city/31 hwy/32 combined mpg for Mariner Hybrid FWD. Actual mileage will vary. Excludes vehicles built for Mazda. ²EPA-estimated 21 city/28 hwy/23 combined mpg. 2.5L I-4 automatic, FWD.
100% hybrid. 100% SUV. (Go with the percentages.)

No need to sacrifice your lifestyle. With the availability of a gripping Intelligent 4-Wheel-Drive (4WD) System, a 4-wheel independent suspension, ample room for 5, commanding views, plus all the storage capacity you’d expect, Mariner Hybrid is an SUV through and through.

You’ll be just as impressed by its full-hybrid capabilities. The 2.5L I-4 Atkinson-cycle engine makes the most out of every drop of gas. When you need a boost, hybrid drive mode kicks in - the I-4 engine and electric traction motor combine for a rousing 177 net hp. Passing and merging, no problem. Mariner Hybrid’s continuously variable transmission seamlessly ensures ultra-smooth acceleration.

Drive it your way: 34 city/31 hwy/32 combined mpg\(^1\) FWD or 30 city/27 hwy/29 combined mpg\(^1\) 4WD.

\(^1\)EPA-estimated.

Mariner Hybrid. Steel Blue Metallic. Available equipment.
100% pure electric mode.
(Possible at up to 44 mph.)

Stopping actually helps you go: Mariner Hybrid recharges every time the brakes are applied. The Regenerative Braking System captures kinetic energy for the 330-volt battery pack. That stored energy provides the drive power at lower speeds. As your rate of travel increases, the gas engine automatically takes charge. Track your miles on every outing with the Hybrid Energy Flow monitor. Its real-time readouts are included with the available Navigation System. Embrace a brighter tomorrow today.
Additional means of empowerment.

You don’t need a hybrid to achieve excellent highway fuel economy – Mariner’s **171-hp 2.5L iVCT I-4 engine** achieves up to 28 mpg.¹ For more exhilaration, travel in the company of the available **240-hp 3.0L V6**. Its flexible fuel configuration gives you a choice of E85 (85% ethanol/15% gasoline), regular gasoline or any blend of the two. Mariner V6 models can also flex their muscles and tow up to 3,500 lbs. when properly equipped with the available Class II Trailer Tow Package. With either powerplant, you benefit from a smart-shifting, **6-speed automatic transmission**.

Mariner and Mariner Hybrid are equipped with **electric power-assisted steering** for ease of effort, especially apparent during low-speed maneuvers. For peak performance in all weather conditions and utmost agility on roads less traveled, the available **Intelligent 4WD System** is ideal for you. Always on, it keeps tabs on traction – 200 times per second – and automatically adjusts torque distribution. In a word, surefooted.

¹EPA-estimated 21 city/28 hwy/23 combined mpg for Mariner FWD with 2.5L iVCT I-4.

Mariner, Ingot Silver Metallic. Available equipment.
SYNC, and so much more.

SYNC. Say the word. Voice-activated Mercury SYNC® is an award-winning, available system that works with your paired Bluetooth®-enabled mobile phone and your digital media player. It provides hands-free calling, plays music, delivers Vehicle Health Reports and 911 Assist™. With the touch of a button and voice commands, SYNC with Traffic, Directions and Information services provides turn-by-turn directions, personalized traffic alerts and more. SyncMyRide.com has the latest details.

The available Navigation System (shown) features a vibrant 8-in. LCD touch screen and colorful maps that you can zoom and scroll. This system plays DVDs while Mariner is in Park and provides nearly 10 gigs of photo and music storage space. It also includes an introductory 6-month subscription to SIRIUS Traffic™ and SIRIUS Travel Link™, which provides fuel prices, weather reports, movie listings, sports scores and more. All this, in addition to over 130 channels of SIRIUS® Satellite Radio.

Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Standard text messaging and data rates apply. Some features unavailable while driving. Subscription required after introductory 6 months expire.
Makes short work of parallel parking.

In as little as 24 seconds, just press a button and drive by potential parallel parking spots to activate the system. Available active park assist takes measurements and prompts you when it's ready to park. You simply respond, controlling vehicle speed with the gear shifter, plus the gas and brake pedals. It handles the hard part, figuring out if the spot is big enough and automatically steering Mariner into place.

Mariner Premier, White Suede. Available equipment.
Give your Mariner that certain glow: Available ambient lighting illuminates footwells and the front cupholders - configurable in your choice of green, white, yellow, aqua, red, blue or purple LED hues - as the mood strikes. With gauges and controls backlit in Ice Blue™ plus accents of satin-pewter and chrome, you’ve got an environment long on tranquility.

Because there are times to play it safe.

Precisely why Mariner and Mariner Hybrid are outfitted with a class-exclusive electronic stability control system with 2 gyroscopic sensors. **AdvanceTrac** with **RSC** (Roll Stability Control)**1** includes a unique vehicle-roll motion sensor. When understeer, oversteer or loss of traction is detected, the system takes decisive action in concert with the Anti-Lock Brake System (ABS), traction control and yaw control. AdvanceTrac automatically modulates engine power and/or selectively applies individual brakes to help keep Mariner on its intended path.

In case of emergency, Mariner helps to protect you with a **steel safety cage**, high-strength side-intrusion door beams, and robust rocker panels that act to resist, absorb and divert impact forces. Six airbags are on alert too: dual-stage front airbags in the **Personal Safety System**, front-seat side airbags, and side-curtain airbags for both rows as part of the Safety Canopy System (replete with a rollover sensor). If any airbag deploys or a safety belt pretensioner activates, the **SOS Post-Crash Alert System****2** takes action – the horn automatically sounds and the hazard lights flash so you and your passengers may be more readily located.

**1**Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**2**SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

Allow others to drive your Mariner – on your own terms. The multifaceted **MyKey** owner controls feature lets you program ignition keys to help encourage smart driving habits. Buckling up. Traveling at appropriate speeds. And many more such aids. On the driver’s door, a **SecuriCode** keypad allows entry with just a personalized code.
Standard Features

POWERTRAIN/FUNCTIONALITY

- 4-wheel Anti-Lock Brake System (ABS)
- 4-wheel independent suspension
- Electric power-assisted steering
- Front-wheel drive
- Power front disc and rear drum brakes

EXTERIOR

- Chrome exhaust tip
- Front fog lamps
- Liftgate with flip-up glass
- Privacy glass on rear doors, rear quarter windows and liftgate
- Satin-aluminum grille
- Variable-intermittent front windshield wipers; 2-speed rear with washer

INTERIOR

- Accessory delay for power features
- Adjustable head restraints (B)
- Audio input jack
- Floor console with 3-tier storage system, 2 removable bins, and front and rear cupholders
- Ice Blue™ Lighting
- Leather-wrapped steering wheel with cruise and secondary audio controls, and tilt column
- Power door locks with child-safety rear door locks
- Power windows with one-touch-down driver’s side window feature
- Rear 60/40 split-fold seat with tip-fold-flat feature

SECURITY/SAFETY

- Personal Safety System™ for driver and front passenger with dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Battery saver
- Belt-Minder™ front safety belt reminder
- Dynamic Side-Impact Airbag Package – Front-seat side airbags; Safety Canopy® System with side-curtain airbags and rollover sensor, and side-impact foam bolsters
- Lower anchors and tether anchors for child-safety seats (LATCH) on rear seat positions
- MyKey® owner controls feature
- Remote Keyless Entry System with 2 integrated keys, SecuriCode™ keyless entry keypad and illuminated entry
- Safety belt restraint system with 3-point safety belts in all seating positions and front height-adjustable shoulder belts
- SecuriLock® Passive Anti-Theft System
- Side intrusion door beams
- S.O.S. Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

Comparisons based on 2010 competitive models (Mariner and Mariner Hybrid: Class is Small SUVs), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Lincoln Mercury Dealer is the best source for up-to-date information. Lincoln Mercury reserves the right to change product specifications at any time without incurring obligations.

Ford Extended Service Plan For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Peace of mind comes from a 3-year/36,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair or replacement or adjustment of parts at no additional cost, as well as a 5-year/60,000-mile powertrain limited warranty which features no deductible and is fully transferable. Roadside Assistance for 5 years or 60,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details.

Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at fordcredit.com.
