MAKE A GRAND ENTRANCE.

WITH MOUNTAINEER, FIRST IMPRESSIONS WILL BE LASTING ONES.

Your first step into new surroundings can leave quite an impression. So as Mountaineer Premier’s available power-deployable running boards glide out to ease the way, rest assured that your entrance will not go unnoticed. Up front, the bold presence of Mountaineer’s gleaming satin-aluminum-finish grille capably announces your arrival. Standard 17" machined-aluminum wheels on Mountaineer and 18" satin-aluminum chrome-clad wheels on Premier (shown) add to its already impressive stance. Red Light-Emitting Diode (LED) taillamps have clear lenses and artfully accented satin-aluminum-finish grilles, while subtle “Mercury” detailing sets off the bright step that anchors the rear bumper.
SOPHISTICATED STYLING. REMARKABLE COMFORT.

“What an absolutely beautiful-looking vehicle, inside and out,” says AutoWeek. For proof, just begin in Mountaineer Premier with the standard 10-way power driver seat and two-tone leather-trimmed seats in your choice of stunning Charcoal Black (shown) or Camel with Sand Alcantara inserts. In the 2nd row, a standard 60/40 split seat completes the interior for 5-passenger models. For 6-passenger seating, select the available quad bucket seating with 2nd-row center console. And if you need seating for 7 (shown), Mountaineer can be outfitted with the 60/40 split seat in the 2nd row and the 50/50 split seat behind that. A manual-fold version of the 3rd-row seat is standard on Premier and optional on Mountaineer, while the handy, first-in-class¹ PowerFold™ 3rd-row seat is optional on Mountaineer Premier.

¹Truck-based midsize SUV class.
PACKAGED JUST RIGHT.

A host of new packages this year will help you tailor Mountaineer exactly to your liking. If you prefer pampering, select the available Comfort Package on Mountaineer and you'll be treated to heated, leather-trimmed bucket seats, a 10-way power driver seat with power lumbar, a 6-way power passenger seat and Dual-zone Electronic Automatic Temperature Control. On Mountaineer Premier, the available Amenities Package provides power-deployable running boards, a Universal Garage Door Opener and a Reverse Sensing System. If entertainment suits you more, the available Moon & Tune Elite Package on both models includes a power moonroof, an Audiophile® Sound System with 6-disc CD changer and SIRIUS Satellite Radio.¹ A courtesy 6-month subscription to the SIRIUS service is included.

¹Service not available in Alaska or Hawaii. See your Lincoln Mercury Dealer or contact SIRIUS at 1-888-539-7474 for more information.

Available power-adjustable pedals. Available heated, leather-trimmed seats.

YOUR MERCURY. YOUR LIFE. NOW IN SYNC.

Mercury SYNC™ developed in association with Microsoft® is a voice-activated, customizable media system that will revolutionize the way you drive. With Microsoft Auto software actually embedded in your Mercury vehicle, SYNC allows you to operate most Bluetooth®-enabled mobile phones1 and most portable digital media players using simple voice commands. Play a song? Make a call? Just say the word – in English, French or Spanish – and SYNC responds. The Detroit Free Press calls SYNC “the slickest piece of consumer electronics to hit the market this year.” Forbes magazine placed it on their “Gadgets We Love” list. It's sure to make yours too as soon as you take it for a test drive. You talk. SYNC listens.™

SYNC is

VOICE-ACTIVATED, HANDS-FREE CALLING
VOIP SUPPORT2
UNINTERRUPTED CONNECTIONS
RING-TONE SUPPORT2
INSTANT VOICE RECOGNITION
AUTOMATIC PHONE BOOK TRANSFER2
MULTILINGUAL INTELLIGENCE
SUPPORT FOR UP TO 12 PHONES
ADVANCED CALLING FEATURES

VOICE-ACTIVATED DIGITAL MEDIA PLAYING
SUPPORT FOR POPULAR PLAYERS AND FORMATS
ACCESS BY ARTIST, TRACK, GENRE, ALBUM, PLAYLIST
USB DEVICE CHARGING
PLAY “SIMILAR MUSIC” FEATURE
PODCAST AND AUDIO BOOK SUPPORT
BLUETOOTH STREAMING AUDIO2

MERCURY SYNC IS OPTIONAL ON MILAN, MOUNTAINEER AND SABLE.
GO TO SYNCMYRIDE.COM FOR MORE DETAILS.

SYNC your Mercury with your mobile phone.
SYNC your Mercury with your digital media player.

1Some digital media players and some mobile phones may not be fully compatible. 2Requires a Bluetooth-enabled phone with this capability. Microsoft is a registered trademark of Microsoft Corporation. The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc. Only use mobile phones and other devices, even with voice commands, when it is safe to do so, and use extreme caution. Driving while distracted may take the driver’s focus off the road, which can result in loss of vehicle control, accident and injury. The driver's primary responsibility is the safe operation of the vehicle.
STRENGTH IN NUMBERS.

AVAILABLE 292-HP V-8 POWERS MOUNTAINEER PREMIER.

In the 2008 Mercury Mountaineer, the numbers really add up in your favor. The 4.6L 3-valve V-8 engine, available on Mountaineer Premier, tops the numbers list with 292 hp and 300 lb.-ft. of torque. Also providing assistance is the first-in-class, available 6-speed automatic transmission, whose evenly spaced gear ratios make the most of the V-8’s powerband. On Mountaineer and Mountaineer Premier, a standard 4.0L V-6 engine is teamed with a wide-ratio 5-speed automatic transmission. With 210 hp and 254 lb.-ft. of torque, this clean-burning engine even meets strict Ultra Low Emissions Vehicle II (ULEV II) standards.

Mountaineer’s Independent Rear Suspension features a compact, trailing-arm setup. It works with the front suspension and stiff frame to deliver a refined ride and excellent handling. Heightening that connectivity is Mountaineer’s available full-time All-Wheel-Drive (AWD) system. This intuitive system smartly adapts to changing road and weather conditions as they occur, instantly transferring power to the axle with the best grip to help Mountaineer really hold the road.

mercuryvehicles.com
PUT A SHINE TO IT.

The available new Chrome Package allows you to clad your 2008 Mountaineer Premier in a liberal dose of chrome. Start up front with Premier’s signature Mercury grille, now resplendent in chrome. Check out the reflective 18” bright chrome-clad wheels, the chrome sideview mirror caps and chrome roof-rack side rails. In the rear, chrome covers the taillamp surrounds, bumper insert plate and license plate appliqué. Chrome Mountaineer nameplates in the rear and on the side complete the package. Available only in Vivid Red Metallic, Vapor Silver Metallic and Black, a Mountaineer Premier with the Chrome Package will shine brightly.
### MOUNTAINEER Specifications

#### Powertrain/Fuel Efficacy
- 4.0L 2-valve SOHC V-6 engine with 5-speed automatic transmission
- 4-wheel disc brakes with Anti-lock Brake System (ABS)
