1 PZEV engines are sold in California and other low-emissions states. **2** EPA Estimates are to be used as a standardized comparison with other vehicles. Your actual mileage will vary depending on how you drive and maintain your vehicle. **3** Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, all occupants must be properly restrained and seated well back, upright and in the middle of the seat. Do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear-facing infant restraint in the front seat. See your owner's manual and instructions provided with your child restraint for more information.

It just makes sense: Our vehicles are different than any on the road, so why shouldn't our warranties be a cut above as well? At Mitsubishi, we're so confident in the quality, reliability and durability of the Outlander that we back it with one of the best Powertrain Limited Warranties in the business: 10 years or 100,000 miles. It's just one in a number of extensive warranties that come with Outlander—a list that includes a 5-year/60,000-mile fully transferable bumper-to-bumper New Vehicle Limited Warranty, a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty and 5 years/unlimited miles Roadside Assistance.[4] All designed to give drivers the security of knowing that their Outlander is engineered for the long-term, with a limited warranty designed to keep it on the road long into the future.

STARTING AT MSRP[5] **$20,840**

4 The 10-year/100,000-mile Powertrain Limited Warranty applies only to the original owner of new retailed 2010 models purchased from an authorized Mitsubishi dealer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles. See retailer for limited warranty and roadside assistance terms and conditions.
