WARRANTIES

Every Nissan is backed by a 36-month/36,000-mile limited vehicle coverage and a 5-year/60,000-mile limited powertrain coverage. 2003-2010 Vehicles equipped with a Continuously Variable Transmission (CVT) also have a 10-year/120,000 mile CVT limited warranty extension. (For complete information, see your Nissan dealer and read the actual limited warranty.) For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.

For more warranty information or questions on 2003-2010 vehicles equipped with a Continuously Variable Transmission, please visit www.NissanAssist.com.

< Sometimes the simplest innovation is also the most helpful. In Quest, not only does the second row fold flat, forward, and out of the way, so does the third. Unlike other minivans, instead of stowing seats, the cargo well behind the third row is a permanent place to put whatever you like, eliminating the need to ever empty it out.

Our best-in-class 11" 16:9 > viewing area DVD monitor keeps everyone happy for hours.

< Advanced Climate Control System – first in its class. Control your inside climate and clean the air quickly, when you need to. Filter the cabin air or help reduce outside intrusion, and even help reduce bothersome allergens.

¹ Required XM Radio, XM NavTraffic and XM NavWeather monthly subscriptions sold separately. Subscriptions governed by XM Customer Agreement available at xmradio.com. XM NavTraffic only available in select markets. For more information, see www.xmradio.com/navweather.com. ² Use regular fuel with 87 octane. For maximum power, use premium fuel. ® Bose is a registered trademark of The Bose Corporation.
