

# 2013 Outback

**Love.** It's what makes a Subaru, a Subaru.

Everything ventured. **Everything gained.**

### The 2013 Subaru Outback

Not all who wander are lost. Restyled outside and redesigned with the latest SUBARU BOXER® engine and available Lineartronic® CVT inside, Outback has what you need to explore whenever and wherever with confidence. With Subaru Symmetrical All-Wheel Drive and a rugged suspension, you get car-like handling with SUV capabilities. And now Outback is available with an innovative driver-assist system: EyeSight™, a combination of four systems that help the driver watch for and avoid trouble ahead.<sup>1</sup> So grab some gear, a few fellow adventurers and go make some stories.

<sup>1</sup> EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations.

Outback 2.5i Limited in Crystal Black Silica with optional Special Appearance Package.

#### Efficient

A new SUBARU BOXER® engine and a refined Lineartronic® CVT combine to get up to 30 highway MPG and over 550 miles per tank<sup>2</sup>—helping you do more with less.

<sup>2</sup> Driving range based on 18.5-gallon fuel tank capacity and EPA estimated fuel economy for 2013 Subaru Outback 2.5i Lineartronic CVT at 30 highway MPG. Actual driving range may vary.

#### Convenient

Outback offers the latest in technology. Voice-activated navigation, standard Bluetooth® connectivity, and steering-wheel-mounted controls—all help you focus on getting to your destination.

#### Versatile

Smartly equipped with retractable and newly adjustable cross bars, ample cargo room, and an array of places to store, stash, secure, hook up and tie-down, Outback is ready for all you've got.

#### Protective

With a reputation for accident avoidance and crash protection, Outback pushes protection even further with the available new EyeSight™ driver-assist system,<sup>1</sup> making a safe Subaru even safer.

Go where **stories are made.**

“...the Outback is a rugged adventure vehicle that can negotiate dirt roads and snowed-in streets with confidence, even if rugged off-roading is out of the question.”

— *Edmunds.com, July 2012*

Engineering for all the senses.  
**Including your sense of adventure.**

Capable, comfortable and **connected.**

## Make room for **more doing.**

The spacious cabin and clever designs found on every Outback make getting in, getting out and getting all of your gear easier for you and your passengers. Generous legroom in the back, plenty of hip room in the front and spacious headroom all around make everyone comfortable. Yet with over 34 cubic feet of cargo volume behind the rear seats, there's still room for plenty of stuff. Fold down the 65/35 split seats and you can boost your cargo capacity to more than 71 cubic feet when big plans call for big things.

## There's more to a Subaru than meets the eye.

The most important thing a Subaru can do is protect the people in it. We're always looking for better ways to do it, and now the Outback is available with an innovative new driver-assist system that's watching the road with you: EyeSight.<sup>1</sup> Like a second pair of eyes to help monitor the road ahead, it watches for potential danger, warns you when it sees potential danger, and can even adjust your speed to help you avoid it.

<sup>1</sup> EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations.

### Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight™ warns you, applies brakes to help avoid, and at lower speeds can even help you stop your Subaru.

### Adaptive Cruise Control

Traffic doesn't always flow, so EyeSight™ doesn't only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop and go highway traffic.

### Pre-Collision Throttle Management

You put the car in Drive instead of Reverse. EyeSight™ cuts power when it sees an object in your path to help you avoid accelerating into it.

### Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight™ watches for lane markers and chimes to warn you before you leave yours.

Go bigger. Climb steeper. **Roam farther.**

Ready, willing and oh so able.

### Symmetrical AWD

With an almost perfectly symmetrical layout, our unique all-wheel drive system offers better balance for stability and a more efficient flow of power to all four wheels for greater grip and control.

### Exceptional Control

The balance of the SUBARU BOXER® engine and the grip of Subaru AWD help give you the power and responsiveness you need on those twisty roads and unpredictable conditions. This poise is combined with VDC electronic stability control, which can intervene to help you stay in control.

### Versatility

Outback is filled with handy designs like the unique retractable cross bars of the roof rack system. These cross bars feature a new adjustable spread that will help keep your stuff neatly packed and under control. While a spacious cargo area and a 65/35 split-folding rear seatback make loading, hauling and accessing cargo easy.

### Suspension

Its retuned suspension enhances handling by reducing body roll. With its rugged 4-wheel independent suspension and up to 8.7 inches of ground clearance, your Outback has the capability to take you to destinations ordinary cars can't. Yet it drives with a smooth ride and responsive handling few SUVs can match.

### Innovative Safety

An IIHS Top Safety Pick for three years running (2010–2012)<sup>1</sup>, the Subaru Outback is comprehensively engineered to help keep you safe on the road. And now it's available with EyeSight™, an innovative new driver-assist system that monitors the road ahead and if necessary can deliver a warning or even apply brakes to help your Outback avoid an accident.<sup>2</sup>

### Rewarding Technology

Available features like dual-zone climate control help keep you comfortable, while a USB for your iPod®, HD Radio™, SiriusXM™ Satellite Radio<sup>3</sup> and Bluetooth® hands-free connectivity keep you connected and entertained.

<sup>1</sup> Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at [www.iihs.org](http://www.iihs.org).  
<sup>2</sup> EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations.  
<sup>3</sup> 3-month trial subscription included when a dealer- or port-installed accessory or a 4-month trial subscription included as part of the Harman Kardon premium audio system. Activation and required monthly subscription sold separately. See your dealer.

2.5i

- 173-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- 16-inch steel wheels with covers
- Roof rails with retractable and adjustable cross bars
- Cloth upholstery
- Silver metallic interior trim
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- 4-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control

2.5i Premium

- 173-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
- Roof rails with retractable and adjustable cross bars
- Cloth upholstery
- Silver metallic interior trim
- ▲ 17-inch aluminum-alloy wheels
- ▲ Fog lights
- ▲ Leather-wrapped 3-spoke steering wheel
- ▲ 10-way power adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- ▲ 6-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control

2.5i Limited

- 173-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- Lineartronic® CVT (Continuously Variable Transmission)
- 17-inch aluminum-alloy wheels
- Fog lights
- Roof rails with retractable and adjustable cross bars
- Leather-wrapped 3-spoke steering wheel
- ▲ Leather-trimmed upholstery
- ▲ Woodgrain-patterned accent interior trim
- ▲ 10-way power adjustable driver's seat. 4-way power adjustable front-passenger's seat.
- ▲ Dual-zone automatic climate control system with center console rear vents
- ▲ 440-watt Harman Kardon single-CD audio system with 4.3-inch LCD display, SiriusXM™ Satellite Radio, Bluetooth® connectivity and USB port/iPod® control
- ▲ Electroluminescent gauges with LCD color display
- ▲ All-Weather Package

3.6R

- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 5-speed automatic transmission
- 17-inch aluminum-alloy wheels
- Roof rails with retractable and adjustable cross bars
- Fog lights
- Cloth upholstery
- Silver metallic interior trim
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- 4-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control

3.6R Limited

- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 5-speed automatic transmission
- 17-inch aluminum-alloy wheels
- Roof rails with retractable and adjustable cross bars
- Fog lights
- ▲ Leather-trimmed upholstery
- ▲ Woodgrain-patterned accent interior trim
- ▲ Leather-wrapped 3-spoke steering wheel
- ▲ 10-way power adjustable driver's seat. 4-way power adjustable front-passenger's seat.

- 3.6R Limited (continued)
- ▲ Dual-zone automatic climate control system with center console rear vents
  - ▲ 440-watt Harman Kardon single-CD audio system with 4.3-inch LCD display, SiriusXM™ Satellite Radio, Bluetooth® connectivity and USB port/iPod® control
  - ▲ Electroluminescent gauges with LCD color display
  - ▲ All-Weather Package

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. Added Security® offers the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your dealer has full coverage details.

Warranties

- New Car Limited Warranty** 3 years or 36,000 miles, whichever comes first.
- Powertrain Limited Warranty** 5 years or 60,000 miles, whichever comes first.
- Wear Item Limited Warranty** 3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty: • Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
- Rust Perforation Limited Warranty** 5 years, unlimited mileage.

ENGINE AND DRIVETRAIN

	2.5i	3.6R
Engine	2.5-liter DOHC aluminum-alloy 16-valve horizontally opposed 4-cylinder SUBARU BOXER® engine with Active Valve Control System.	3.6-liter DOHC aluminum-alloy 24-valve 6-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System.
Power	173 hp @ 5,600 rpm	256 hp @ 6,000 rpm
Torque	174 lb-ft @ 4,100 rpm	247 lb-ft @ 4,400 rpm
Manual transmission	Fully synchronized 6-speed manual <b>2.5i</b> and <b>2.5i Premium:</b> Standard <b>2.5i Limited:</b> Not available	Not available
Automatic transmission	Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual mode and paddle shifters. <b>2.5i</b> and <b>2.5i Premium:</b> Optional <b>2.5i Limited:</b> Standard	Standard 5-speed automatic with manual mode, paddle shifters and downshift rev-matching control.
CA Emissions	LEV2/PZEV <sup>1</sup>	LEV2/ULEV2

TRACTION AND STABILITY

Symmetrical All-Wheel Drive	Standard	Standard
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	

FUEL

Fuel economy (city/highway/combined) <sup>2</sup>	Manual: 21/28/24 mpg CVT: 24/30/26 mpg	18/25/20 mpg
Fuel requirement	Unleaded gasoline (87 octane)	Unleaded gasoline (87 octane)
Fuel capacity	18.5 gallons	18.5 gallons

CHASSIS

Steering	Power-assisted rack-and-pinion. Turning circle: 36.8 feet	
Suspension	4-wheel independent raised. Front: MacPherson strut type. Rear: Double-wishbone. Front and rear stabilizer bars.	
Brakes	4-wheel disc ( <b>2.5i</b> models: ventilated front. <b>3.6R</b> models: ventilated front and rear). 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD).	
Brake discs (front/rear)	11.6 inches/11.3 inches	12.4 inches/11.4 inches
Brake Assist	When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.	
Brake Override System	If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.	

WHEELS AND TIRES

Wheels	<b>2.5i:</b> 16 x 6.5-inch steel with covers <b>2.5i Premium</b> and <b>2.5i Limited:</b> 17 x 7.0-inch, 6-spoke aluminum-alloy	17 x 7.0-inch, 6-spoke aluminum-alloy

● Standard ○ Optional - Not equipped □ Available dealer-installed accessory

1 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2013 EPA fuel economy estimates. Actual mileage may vary. 3 Available only with Special Appearance Package. See optional equipment listing above. Brilliant Brown Pearl color is limited production. See your dealer. 4 Available only with Navigation System and Power Moonroof Packages. See optional equipment listing above. 5 SiriusXM™ Satellite Radio hardware standard as part of Harman Kardon audio system. NavTraffic® part of Navigation System Package. Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer. 6 If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration. 7 EyeSight not available with Crystal Black Silica exterior color or Special Appearance Package. EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. The Pre-Collision Throttle Management System is designed to reduce acceleration and minimize the severity of certain frontal impact. Adaptive Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. 8 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 9 Requires optional Power Moonroof Package. 10 Requires optional Navigation System Package. 11 Requires optional All-Weather Package.

## Make your Outback truly yours.

### All-weather Floor Mats

Custom-fitted, heavy-gauge protective mats. Help protect vehicle's carpet from sand, dirt and moisture.

Not intended for use on top of carpeted floor mats.

### Dog Guard/Compartment Separator

Separates pets and cargo from the passenger area.

Not for use with child seats requiring tether straps.

### Trailer Hitch

Heavy-duty rated at up to 3,000 lbs towing capacity and 200 lbs tongue weight.

Hitch ball not included. Trailer brakes may be needed. 2.5i: 2,700 lbs; 3.6R: 3,000 lbs

### Auto-dimming Mirror with Compass and HomeLink®

Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three integrated HomeLink® buttons that are programmable for most garage-door openers and other HomeLink®-compatible devices.

### Rear Seatback Protectors

Provide additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Rear Cargo Tray.

### Puddle Lights

LED lights activate when vehicle doors are unlocked using the keyless entry. A soft glow illuminates the ground, aiding entry and exit of the vehicle.

### Body Side Moldings

Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

### Kayak Carrier

Cradles and securely transports most kayak hull shapes. Includes straps with padded buckles.

### Splash Guards

Help protect the vehicle's paint finish from stones and road grime.

### Rear Seat Entertainment System

Rear Seat Entertainment System includes two 7" LCD monitors and two DVD players integrated into the replacement front seat headrests. This dual screen system allows rear passengers the option of viewing movies, listening to music or playing games either simultaneously or independently. Individual DVD players may be controlled with control buttons on each front panel or with the included remote control.

The system includes wireless headphones\*, is iPod®\*\* and MP3 compatible, and includes an A/V jack for connecting external inputs.

\*Headphones are for rear passenger use only. \*\*iPod accessory is not included.

### Side Window Deflectors

Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim.

Side Window Deflectors may not be legal in all states. Please check the laws of your state.

### Remote Engine Starter

Allows vehicle to start by pushing a button from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle's interior temperature is more comfortable upon entry. Remote confirms when vehicle engine has been started.

A/T Only—Excludes Keyless Access and Start System. May not be installed in conjunction with accessory Mobile Internet.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process" and FSC® standards. The Forest Stewardship Council™ (FSC) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 89 trees preserved for the future; 40,667 gallons wastewater flow saved; 2,578 lbs solid waste not generated; 9,018 lbs net greenhouse gases prevented; 36,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

# May your drive always outlast the road.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of all the vehicles we've built in the last 10 years are still on the road today.<sup>1</sup> We also share your desire for a cleaner, greener world. We're proud to say select 2013 Outback and Legacy models, every non-turbo Impreza and Forester model, as well as XV Crosstrek have achieved Partial Zero Emission Vehicle—PZEV<sup>2</sup>—status because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill.

Outback 2.5i Premium shown on front cover with accessory Kayak Carrier.

<sup>1</sup> Based on Polk registration data in the U.S. 2002–2011. <sup>2</sup> 2013 Subaru Impreza and XV Crosstrek 2.0L, and Forester, Outback, Legacy 2.5L non-turbo models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.
