MSRP*

* 2006 Manufacturer's Suggested Retail Price (MSRP): Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice. MSRP excludes Delivery, Processing and Handling Fee (DPH). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee. Excludes taxes, license, title and available or regionally required equipment.

The following option combinations are available

CE 7-Passenger (5326)

Option Combo A \$470.00

Package #1: includes Cruise Control and Roof Rack (AG)

CE 8-Passenger (5328)

Option Combo A \$470.00

Package #1 (AG)

Option Combo B \$1,345.00

CE Package #2: includes Cruise Control & Roof Rack, Vehicle Stability Control with Traction Control (AJ)

LE 7-Passenger (5336)

Option Combo A \$630.00

Package #1: includes Passenger-Side Power Sliding Door, HomeLink® Universal Transceiver & Overhead Multi-Information Display (AM)

Option Combo B \$1,040.00

Package #2: Includes Passenger-Side Power Sliding Door, HomeLink® Universal Transceiver, Overhead Multi-Information Display & 8-way Power-Adjustable Driver's Seat (AP)

Option Combo C \$1,915.00

Package #3: includes passenger-side Power Sliding Door, HomeLink® Universal Transceiver, Overhead Multi-Information Display, 16-in. 6-spoke Aluminum Alloy Wheels with P215/65R16 All-Season tires, Vehicle Stability Control (VSC) + Traction Control, Rear Disc Brakes, Windshield Wiper De-icer Grid, Daytime Running Lights (DRL), and driver and front passenger Front Seat-mounted Side and Three-row Side Curtain Airbags (BW)

Option Combo D \$2,325.00

Package #4: includes Passenger-side Power Sliding Door, HomeLink® Universal Transceiver, Overhead Multi-Information Display, 8-way power-adjustable driver's seat, 16-in. 6-spoke Aluminum Alloy Wheels with P215/65R16 All-Season tires, Vehicle Stability Control (VSC) + Traction Control, Rear Disc Brakes, Windshield Wiper De-icer grid, Daytime Running Lights (DRL) (BZ)

Option Combo E \$3,935.00

Package #5: Includes Passenger-side Power Sliding Door, HomeLink® Universal Transceiver, Overhead Multi-Information Display, 8-way Power-Adjustable Driver's seat, 16-in. 6-spoke Aluminum Alloy Wheels with P215/65R16 All-Season tires, Rear-seat DVD Entertainment System, Two 115V Outlets and Two Wireless Headphones (BY)

Option Combo F \$4,810.00

Package #6: Includes Passenger-Side Power Sliding Door; HomeLink® Universal Transceiver; Overhead Multi-Information Display; Rear-seat Audio System; 8-way Power-adjustable Driver's Seat, Vehicle Stability Control (VSC) + Traction Control, Windshield Wiper De-icer grid, Daytime Running Lights (DRL) & 16-in. 6-spoke Aluminum Alloy Wheels with P215/65R16 All-Season tires (BX)

LE 8-Passenger (5338)

Option Combo A \$630.00

Package #1 (AM)

Option Combo B \$1,040.00

Package #2 (AP)

'06 //SIENNA

Option Combo C \$1,915.00

Package #3 (BW)

Option Combo E \$4,810.00

Package #6 (BX)

Option Combo D \$2,325.00

Package #4 (BZ)

XLE 7-Passenger (5346)

Option Combo A \$875.00

Package #2 - includes Vehicle Stability Control (VSC) + Traction Control, Rear Disc Brakes, Windshield Wiper De-icer grid & Daytime Running Lights (DRL) (QD)

Option Combo C \$3,075.00

Package #5: Includes Leather-Trimmed Seats with Manual 2nd & 3rd-row window sunshades, Heated Driver & Front Passenger Seats, 17-in. 5-spoke Aluminum Alloy Wheels w/ P225/60R17 All-Season tires, Vehicle Stability Control (VSC)+ Traction Control; Rear Disc Brakes, Windshield Wiper De-icer grid, Daytime Running Lights (DRL) (HX)

Option Combo E \$4,855.00

Package #4: Includes Leather-Trimmed Seats w/ manual 2nd & 3rd row window Sunshades, Heated Driver & Front Passenger Seats, 17-in. 5-spoke Aluminum Alloy Wheels w/ P225/60R17 All-Season tires, Rear-seat DVD Entertainment System and two Wireless headphones, and two 115V Outlets Includes Leather-Trimmed Seats w/ Manual (ES)

Option Combo G \$8,295.00

Package #8 Includes: Leather-Trimmed Seats w/ Manual 2nd & 3rd Row Window Sunshades, Heated Driver & Front Passenger Seats, 17-in. 5-spoke Aluminum Alloy Wheels w/ P225/60R17 All-Season Tires, Vehicle Stability Control (VSC)+ Traction Control; Rear Disc Brakes; Windshield Wiper De-icer grid, Daytime Running Lights (DRL), Power Tilt/Slide Moonroof w/ Sunshade, Color-Keyed Power Folding, Memory, Heated Outside Mirrors w/Puddle Lamps &

Option Combo B \$2,515.00

Package #3: Includes Vehicle Stability Control (VSC) + Traction Control, Rear Disc Brakes, Windshield Wiper De-icer Grid, Daytime Running Lights (DRL), Power Tilt/Slide Moonroof w/ Sunshade, Color-keyed Power Folding, Memory, Heated Outside Mirrors with Puddle Lamps & Turn-signal indicators & Power Memory Driver's seat (CZ)

Option Combo D \$3,975.00

Package #6: Includes Leather-Trimmed Seats w/ Manual 2nd & 3rd Row Window Sunshades, Heated Driver & Front Passenger seats, 17-in. 5-spoke Aluminum Alloy Wheels w/ P225/60R17 All-Season Tires, Vehicle Stability Control (VSC) + Traction Control; Rear Disc Brakes, Windshield Wiper De-icer grid, Daytime Running Lights (DRL) & Power Tilt/Slide Moonroof w/ Sunshade (FC)

Option Combo F \$5,755.00

Package #7: Includes Leather-Trimmed Seats w/ Manual 2nd & 3rd Row Window Sunshades, Heated Driver & Front Passenger seats, 17-in. 5-spoke Aluminum Alloy Wheels w/ P225/60R17 All-Season Tires, Vehicle Stability Control (VSC) + Traction Control; Rear Disc Brakes; Windshield Wiper De-icer grid, Daytime Running Lights (DRL), Power Tilt/Slide Moonroof w/ Sunshade & Rear-Seat DVD Entertainment System, two Wireless Headphones and two 115V Outlets. '06 //SIENNA

Warranties

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Federal Emission Coverage: Components under the federal emission defect warranty are covered for 36 months/36,000 miles and specified major emission control components are covered for 8 years/80,000 miles. Specified major emission control components under emission performance warranty are also covered for 8 years/80,000 miles. In addition, emission performance warranty is applicable for 24 months/24,000 miles in states and local jurisdictions that require a periodic EPA-approved inspection and maintenance program.

California Emission Control Coverage: In California and any other state that adopts California emission warranty provisions, performance warranty and defect warranty coverage is applicable for 36 months/50,000 miles, and specific control devices are covered for 7 years/70,000 miles.

Accessories: Warranty coverage is for 12 months, regardless of mileage. If the part or accessory is installed during the New Vehicle Limited Warranty period, coverage is for 12 months or the remainder of the applicable warranty coverage, whichever is greater, with the exception of car covers, which are covered for 12 months only.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

In addition, there may be times when we will establish a special policy adjustment that will further defray repair costs. For details about the new vehicle limited warranty, see your Toyota dealer. And for complete details of Toyota's warranties, please refer to your Owner's Warranty.

[1] Before towing, confirm your vehicle and trailer are compatible, hooked up properly, and you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle Owner's Manual. The maximum amount you can tow depends on the total weight of any cargo, occupants, and optional equipment.

[2] The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your Owner's Manual for further instructions. Vehicle complies with "advanced airbag" requirements of FMVSS 208.

[3] Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[4] Adjustable seatbelt anchor on driver-side second-row seat (7-passenger models), and on second-row outboard seats (8-passenger models).

[5] Toyota's Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor. See your Owner's Manual for details.

[6] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[7] Dynamic Laser Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your Owner's Manual for important cautions and instructions.

[8] HomeLink® is a registered trademark of Johnson Controls, Inc.

[9] Standard on AWD.

[10] Cargo and load capacity limited by weight and distribution.

[11] All-wheel-drive models come equipped with run-flat tires. Run-flat tire technology is designed for limited emergency use only. If air pressure is lost, vehicle speed must remain below 55 miles per hour; cornering, braking, and accelerating must be done with extreme caution; and the tire should be replaced within 100 miles. See your Toyota dealer for details.

[12] 2006 EPA mileage estimates. Actual mileage may vary.
