Can more space make you more spontaneous?

Can a vehicle not just help you handle the road—but react to it?

Can a touchscreen keep you in touch with the world around you?
RX 450h AWD
Offering the best of all worlds, the 2021 RX Hybrid pairs a potent V6 engine with powerful electric motors for an impressive 308 total system horsepower and a 30-MPG combined EPA estimate, along with all-wheel drive performance.

RX F SPORT MODELS
Take the RX 350 and RX 450h to the next level with bold interior and exterior styling, including exclusive bolstered sport seats, a lower front spoiler and 20-inch alloy wheels with Dark Graphite finish. For added exhilaration, the F SPORT models also offer a more advanced Adaptive Variable Suspension, enhanced steering and Sport S+ drive mode.

RX 350
With a dynamic front fascia, the RX 350 boasts a 295-horsepower 3.5-liter V6 engine with eight-speed automatic transmission. Every RX features a suite of premium technology, including Amazon Alexa compatibility, a touchscreen and available color Head-Up Display. As well as Android Auto™ and Lexus Safety System+ 2.0, which includes pre-collision and bicyclist detection. Front-wheel drive or available all-wheel drive.

RX 350L / RX 450hL AWD
Enjoy the RX in a sleek and stylish three-row configuration. Both models offer ample cargo space and third-row comforts that include power-folding seats and dedicated climate control. Seats six with captain’s chairs (standard on RX 450hL, available on RX 350L), six with second-row bench seating (standard on RX 350L). Front-wheel drive (standard on RX 350L) or all-wheel drive (standard on RX 450hL, available on RX 350L).

To craft the most amazing machines, you don’t start with machines at all. You start with people.

The 2021 Lexus RX

From its expressive headlamps and taillamps to its bold character lines, every element of the 2021 RX is crafted to captivate.
EXPAND YOUR EXPECTATIONS

Discover refined styling, comfort and a larger interior with the seven-passenger RX 350L.

While it boasts the same powerful stance, signature floating roofline and distinctive wraparound LED taillamps as the five-passenger RX, the RXL features one noteworthy addition: a power-folding third row. Crafted to impress as much for its seamless function as for its striking form, the RXL incorporates class-leading cargo space $^7$ and seating for up to seven in the RX 350L and up to six in the RX 450hL $^8$. 

RX shown in Eminent White Pearl (left), RXL shown in Atomic Silver (right)
With room for up to seven passengers in the RX 350L and six in the RX 450hL, you can take on all of life’s curves. Whether it’s taking a couple more kids to practice, driving your colleagues to lunch, or making room for your latest antiquing find, the three-row RXL offers more space for more spontaneity.

POWER-FOLDING SEATS
For easy access, simply tilt and slide the second-row seat and step into the inviting third row. Plus, both the RX 350L and RX 450hL feature power-folding third-row seats with a 50/50 split for added versatility.

CLASS-LEADING CARGO SPACE
Even with the third row up, the RX 350L and RX 450hL both have more cargo space than our competitors. So you’ll have plenty of room for the weekend’s purchases—and then some. For added convenience, a Power Rear Door with Kick Sensor is also offered. Simply wave your foot under the rear bumper to open or close.

THREE ROWS. ENDLESS ADVENTURES.
Embrace the unexpected with power-folding third-row seats and class-leading cargo space.
SPACE FOR
THE UNEXPECTED

With available six- or seven-passenger seating, the RXL allows you to experience the ultimate luxury: flexibility.

Why take two cars when you can take one? The RX 350L and RX 450hL are designed to ensure everyone can come along for the ride. With available supple leather-trimmed seats, plenty of legroom and dedicated third-row climate control, the longer the road trip, the better.

CAPTAIN’S CHAIRS

Ready to take second-row comfort to first-class standards? Now you can, with luxurious available captain’s chairs. This configuration seats six and creates an aisle that accentuates the inviting feel of the cabin. Meanwhile, a tilt-and-slide seat feature makes access to the third row even more convenient.
DISTINCTIVE
DESIGN

Crafted with attention to even the smallest details, the RX is filled with an abundance of unique extras to inspire and invigorate every occupant.

AMBIENT LED ILLUMINATION
Adding intrigue to the interior, available ambient LED lighting brightens and dims in a coordinated series to welcome the driver into the RX. Soft lighting also illuminates the area surrounding the vehicle the moment you approach, for added visibility and peace of mind.

HEATED AND VENTILATED SEATING
Taking luxury further, the available heated and ventilated front seats offer heaters and fans in the seat cushions to provide optimum comfort, regardless of the weather. Power-folding, heated rear outboard seats are also available in the RX 350 and RX 450h.

MULTI-ZONE CLIMATE CONTROL
Customize the climate around you. Individual settings allow the driver and front passenger to adjust their preferred temperatures. Plus, the RX 350L and RX 450hL feature dedicated climate control for passengers in the third row. To help ensure the cabin stays fresh, an available smog-sensing climate-control system automatically switches into recirculation mode if it senses high levels of pollutants outside.
THOUGHTFUL CRAFTSMANSHIP

A renowned eye for detail, precision-crafted Yamaha® wood accents and hand-selected leather trim come together to create our most refined RX yet.

Imagination meets innovation as handcrafted trim undergoes a meticulous process by expert takumi craftsmen. The available Yamaha Gray Sapele wood is created by the same artisans responsible for producing some of the world’s finest musical instruments. This artful trim marries the natural expression of fine wood with the clean sophistication of brushed aluminum as the opposing materials are layered upon each other. Laser technology then engraves the wood surface to reveal the metallic lines underneath. Elevating every drive, the RX 350 and RX 450h offer a perforated semi-aniline leather–trimmed interior and convenient power-folding and -reclining second-row seats. In addition, power-folding seats are standard in the third row of the RX 350L and RX 450hL.
DRIVER-CENTRIC TECHNOLOGY

With Apple CarPlay\textsuperscript{13} integration, Android Auto, Amazon Alexa compatibility, a convenient touchscreen and much more, this is the most connected RX yet.

See more and do more with a touchscreen that keeps you in touch with the world around you. With Android Auto\textsuperscript{14} you’ll enjoy access to a variety of messaging apps like WhatsApp\textsuperscript{15} It even helps shorten your commute by automatically finding alternate routes if it detects heavy traffic. Meanwhile, you can start your engine remotely\textsuperscript{16} with your smartwatch, or start your favorite podcast in your kitchen and finish it on your drive to work with Amazon Alexa\textsuperscript{17} compatibility. And for added convenience, an available pinch-and-zoom-enabled 12.3-inch touchscreen multimedia display is intuitively placed to provide easier access to Lexus Enform\textsuperscript{18} navigation and more.
TECHNOLOGY

COMMAND CENTRAL, CENTERED AROUND THE DRIVER

Experience connected technology at your fingertips and the forefront of driver convenience.

APPLE CARPLAY
With Apple CarPlay® integration (top left), you can access the same familiar interface from your iPhone® through the vehicle’s touchscreen multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri® and get access to your favorite apps like Waze,™ Spotify® and Apple Audiobooks.™

AMAZON ALEXA
Bring all the convenience of Amazon Alexa™ on the road with the Lexus+Alexa app. Using only your voice, you can easily access thousands of the same functions you get with Alexa at home. Listen to audiobooks, stream Amazon Music,™ make lists, check the weather, get news briefings and much more. You can also use it to control compatible smart-home devices™ such as lighting, thermostat and security systems. Offering added in-vehicle convenience, Alexa can even sync to your Navigation System™ or provide on-the-go directions via the Waze app on compatible devices.

ANDROID AUTO
With Android Auto™, you can now seamlessly cast your device’s interface onto the vehicle’s multimedia display. Play your music via your favorite apps such as Spotify and Pandora®, send messages through a range of commonly used apps like WhatsApp®, navigate with Google Maps™ and request information—all with your voice. Just say “Hey Google” to get started. For added convenience, Android Auto can also help shorten your commute by automatically finding alternate routes if it detects heavy traffic.

POWER REAR DOOR WITH KICK SENSOR
The available Power Rear Door with Kick Sensor™ can be opened and closed using a button on the key fob, on the door lid, or next to the steering wheel. For added convenience when your hands are full, an available kick sensor allows you to open or close the door by simply waving your foot under the rear bumper.™

PANORAMIC VIEW MONITOR
The RX offers passionate design with optimal visibility, as seen in the available Panoramic View Monitor.™ Four high-resolution cameras mounted on the front, sides and rear of the vehicle give drivers a bird’s-eye view of the near environment. Moving View and See-Through View options create a composite image of the vehicle’s surroundings as on-screen guides assist with parking and tight maneuvering.

LEXUS ENFORM
Lexus Enform™ elevates connected technology and provides concierge-level convenience. From emergency assistance and available onboard Wi-Fi™ to the ability to start your engine remotely™ using your smartphone, smartwatch, the Lexus skill on Amazon Alexa built-in devices, or the Lexus Action on Google with your Assistant-enabled™ devices, our premium suite of connected technology offers peace of mind with every drive.

DELIVERY AND TECHNOLOGY SPECIALISTS
To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime®,™ Learn more about these services at lexus.com/specialists.
**PEACE OF MIND, STANDARD**

*Presenting Lexus Safety System+ 2.0, an integrated suite of class-leading standard active safety equipment.*

---

**PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION**

By enhancing the radar and camera capabilities, it’s possible for the system to help detect not only the vehicle ahead, but also a preceding bicyclist in daytime and even a preceding pedestrian in daytime and low-light conditions. Should it detect a potential frontal collision, it can help automatically brake the vehicle to a stop.

**LANE DEPARTURE ALERT WITH STEERING ASSIST**

This system utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

**ROAD SIGN ASSIST**

This system uses a built-in camera to help provide road sign information in the instrument panel. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

**ALL-SPEED DYNAMIC RADAR CRUISE CONTROL**

This system uses radar and camera technology to help you maintain a preset speed and following distance from the vehicle ahead. Whether at highway speeds or in stop-and-go traffic, the system is designed to detect if you get closer than the preset distance and automatically slow your vehicle—even to a complete stop. If driving at highway speeds and the road ahead clears, your Lexus returns to its preset speed.

**INTELLIGENT HIGH BEAMS**

To help provide greater visibility for you as well as other drivers, Intelligent High Beams offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.
MARK LEVINSON® PREMIUM SURROUND SOUND AUDIO SYSTEM

Unlock a deeper appreciation of sound with the available Mark Levinson® Premium Surround Sound Audio System. It features patented, proprietary Clari-Fi® technology that restores audio quality from compressed music, resulting in crisp, clear, dynamic sound from any source. This sophisticated system allows you to experience music in its purest, highest fidelity while enveloping you in three-dimensional sound that rivals the finest home audio systems. The result? A closer connection to every note that resonates throughout the cabin.

15 speakers
835 watts

RX shown with Black semi-aniline leather and Gray Sapele wood with Aluminum interior trim
VERSATILE PERFORMANCE

From the fuel-efficient and high-performance hybrid to the available F SPORT, the RX turns heads and overturns convention.
PERFORMANCE

POWER
ON DEMAND

RX 350 AND RX 350L

Experience luxury that roars. A 3.5-liter V6 engine with direct and port fuel injection pairs exhilarating power with efficient fuel economy. Combined with a quick-shifting eight-speed transmission, and delivering 295 (RX 350) or 290 horsepower (RX 350L), both models offer dynamic performance to help you conquer every curve with added confidence.

For even greater control, an innovative dual Variable Valve Timing with intelligence (VVT-i) system offers precise engine performance as it reduces emissions and enhances fuel efficiency. VVT-i monitors the engine’s speed and load, increasing torque at lower speeds for improved acceleration and boosting performance at higher speeds by adjusting intake and exhaust valve timing.

RX shown in Atomic Silver
TWO POWER SOURCES.
UNCOMPROMISING PERFORMANCE.

Our most powerful RX combines a potent 3.5-liter engine with dynamic electric motors.

Take everything you love about the RX. Then give it more performance. And more efficiency. That’s the philosophy behind the RX 450h and RX 450hL, which boast a potent 3.5-liter V6 engine—paired with powerful electric motors and an Electronically controlled Continuously Variable Transmission—for a combined 308 total system horsepower, 30- and 29-MPG combined EPA estimates, instant torque delivery and AWD performance. All without requiring a charge. Both models also feature a Super Ultra-Low Emission Vehicle (SULEV) rating.

Craving more of an edge? The RX 450h F SPORT adds bold styling and offers an Adaptive Variable Suspension that takes exhilaration even further.

RX 450h F SPORT shown in Ultra White³
ALL-WHEEL DRIVE

Available Dynamic Torque Control AWD doesn’t just handle the road; it reacts to it. Monitoring road conditions in real time, it automatically shifts engine power between front and rear axles, while 100% of the power goes to the front wheels during normal driving conditions for improved efficiency. And standard on the RX 450h and RX 450hL, electronic all-wheel drive features a rear electric motor that delivers instantaneous torque to the rear wheels when you need it, with no friction loss.
EXCLUSIVE PERFORMANCE DRIVE MODES
To help provide the highest level of responsiveness, the F SPORT offers exclusive drive modes. Sport S+ mode enhances steering and adjusts the Adaptive Variable Suspension, while Custom mode allows you to personalize everything from road feel to responsiveness. Further enhancing the excitement, an exclusive performance-inspired gauge cluster provides real-time information such as G-force metrics, power distribution and more.

EXCLUSIVE PERFORMANCE DRIVE MODES
To help provide the highest level of responsiveness, the F SPORT offers exclusive drive modes. Sport S+ mode enhances steering and adjusts the Adaptive Variable Suspension, while Custom mode allows you to personalize everything from road feel to responsiveness. Further enhancing the excitement, an exclusive performance-inspired gauge cluster provides real-time information such as G-force metrics, power distribution and more.

In addition to more aggressive styling inside and out, the RX F SPORT’s exclusive features deliver even more control and exhilarating intensity. It boasts the same available Adaptive Variable Suspension found in the high-performance Lexus LC that allows you to customize the shock absorber settings for improved ride comfort or reduced body lean as you enter and exit turns. The powerful V6 emits a throaty engine note when accelerating. And, putting thrilling performance right at your fingertips, paddle shifters offer lightning-fast upshifts and heart-racing, split-second downshifts.

F SPORT PERFORMANCE
With an enhanced available sport-tuned suspension from the high-performance LC and exclusive drive modes, the RX F SPORT is engineered to spark attention and adrenaline.
RX F SPORT shown with Circuit Red NuLuxe™ and Scored Aluminum interior trim.

The bold F SPORT perspective is obvious throughout the driver-centric interior. In addition to exclusive race-inspired instrumentation and bold aluminum accents, you’ll find performance upgrades, including bolstered sport seats, a black headliner, a perforated leather-trimmed sport steering wheel and shift knob, plus aluminum pedals and more.

**F SPORT STYLING**

**F SPORT BOLSTERED SEATS**

Signature race-inspired F SPORT bolstered seats provide the ideal posture, control and visibility for enhanced driving performance. Featuring a unique foam-injected construction and designed to contour to the needs of the driver, their low position helps place the driver’s hip point as close as possible to the vehicle’s center of gravity for a more dynamic driving experience.

**20-INCH DARK GRAPHITE ALLOY WHEELS**

Punctuating the attitude of the aggressive exterior, exclusive F SPORT 20-inch Dark Graphite alloy wheels enhance the vehicle’s low, powerful stance.
RX STYLES

RX 350

Includes RX 350 features, plus:
- 308-total-system-horsepower V6 + Lexus Multistage Hybrid Drive with ECVT transmission
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 350 F SPORT

Includes RX 350 features and Premium Package, and adds or replaces:
- Front and rear performance dampers
- F SPORT front seats with enhanced bolsters
- Performance-inspired steering wheel and shift knob
- Scored Aluminum interior trim
- Aluminum pedals and door-all scuff plates
- Black headliner
- LED ambient interior illumination
- F SPORT front fascia and mesh grille insert
- F SPORT front-fender and rear-door badges
- F SPORT rear valance
- Black outside mirrors
- F SPORT 20-in split-10-spoke alloy wheels with Dark Graphite finish

RX 350L

Includes RX 350 features, plus:
- Power-folding and -reclining 50/50-split third-row seat
- Second-row armrest storage compartment with two USB ports
- Three-zone climate control
- Aluminum roof rails
- Concealed exhaust

RX 450h AWD

Includes RX 350 features, plus:
- 308-total-system-horsepower V6 + Lexus Multistage Hybrid Drive with ECVT transmission
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 450h F SPORT

Includes RX 350 F SPORT features, plus:
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 450h F SPORT AWD

Includes RX 350 F SPORT AWD features, plus:
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 450hL AWD

Includes RX 350L features, and adds or replaces:
- 308-total-system-horsepower V6 + Lexus Multistage Hybrid Drive with ECVT transmission
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management
- Second-row captain’s chair

RX 350 F SPORT

Includes RX 350 features and Premium Package, and adds or replaces:
- Front and rear performance dampers
- F SPORT front seats with enhanced bolsters
- Performance-inspired steering wheel and shift knob
- Scored Aluminum interior trim
- Aluminum pedals and door-all scuff plates
- Black headliner
- LED ambient interior illumination
- F SPORT front fascia and mesh grille insert
- F SPORT front-fender and rear-door badges
- F SPORT rear valance
- Black outside mirrors
- F SPORT 20-in split-10-spoke alloy wheels with Dark Graphite finish

RX 350L

Includes RX 350 features, plus:
- Power-folding and -reclining 50/50-split third-row seat
- Second-row armrest storage compartment with two USB ports
- Three-zone climate control
- Aluminum roof rails
- Concealed exhaust

RX 450h AWD

Includes RX 350 features, plus:
- 308-total-system-horsepower V6 + Lexus Multistage Hybrid Drive with ECVT transmission
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 450h F SPORT

Includes RX 350 F SPORT features, plus:
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 450h F SPORT AWD

Includes RX 350 F SPORT AWD features, plus:
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management

RX 450hL AWD

Includes RX 350L features, and adds or replaces:
- 308-total-system-horsepower V6 + Lexus Multistage Hybrid Drive with ECVT transmission
- Concealed exhaust
- EV drive mode
- Vehicle Dynamics Integrated Management
- Second-row captain’s chair

RX 350 F SPORT

Includes RX 350 features and Premium Package, and adds or replaces:
- Front and rear performance dampers
- F SPORT front seats with enhanced bolsters
- Performance-inspired steering wheel and shift knob
- Scored Aluminum interior trim
- Aluminum pedals and door-all scuff plates
- Black headliner
- LED ambient interior illumination
